Instructions to Bidders

A. Introduction

1. **Scope of Bids**

1.1. The Procuring Agency (PA), as indicated in the **Bids Data Sheet (BDS)** invites Bids through **EPADS v2.0** for the provision of Non-Consultancy Services as specified in the BDS and **in Section Evaluation Criteria, Specifications & Schedule of Requirements**. The name, identification, and number of items/deliverables are provided in the **BDS**. **Single Stage-Two Envelope** procedure of the open competitive method shall be used. The successful Bidders will be expected to provide the services within the specified period and timeline(s) as stated in the **BDS**.

2. **Source of Funds**

2.1. Source of funds is referred in Clause-1 of Procurement Notice.

3. **Fraudualent & Corrupt Practices**

3.1. As defined under Rule 2(1)(x) of the Public Procurement Rules, 2026.

4. **Eligible Bidders**

4.1. A bidder shall be eligible to participate in a procurement process, if it—

4.1.1. possesses the technical competence, financial resources, equipment and other physical facilities, personnel, managerial capability, experience and past performance necessary to complete the procurement contract,

4.1.2. has the legal capacity to enter into a procurement contract;

4.1.3. has not been declared bankrupt or, in the case of company or firm, insolvent or being wound up and its activities or affairs are suspended by a Competent Authority or by the Court of law;

4.1.4. is not under any legal proceedings which may result in bankruptcy or any other situation entailing the total or partial loss of the right to administer and dispose of the property;

4.1.5. has not been convicted by a final judgment of a Court of Law,

4.1.6. is not blacklisted by the procuring agency or cross-debarred by the Authority at the time of the submission of bid;

4.1.7. is not blacklisted or debarred at the time of the submission of bid by an international financial institution, international organizations, or other multilateral development Bank for the period defined by them; and

4.1.8. is not convicted in the case of a company, its owners and beneficial owners, directors or officers of a criminal offence related to-

4.1.8.1. its professional conduct; or

4.1.8.2. a prohibited practice within the period specified in the tender documents and has not, or in the case of a company, its owners and beneficial owners, directors or officers have not, been debarred from a procurement process in Pakistan.

4.2. Except as permitted under the Ordinance, rules and regulations, the procuring agency shall not establish a criterion for eligibility of a bidder that-

4.2.1. discriminates against or among a bidder or against categories of bidders; or

4.2.2. is not required for the performance of the procurement contract; or

4.2.3. is not related to the avoidance of management of legal, reputational or economic risk to the procuring agency unless it is in the national interest to do so, and the criteria is set out in the bidding documents.

5. **Qualification of the Bidder**

5.1. All Bidders shall provide Bid Forms, a preliminary description of the proposed work method and schedule, including drawings and charts, as necessary.

B. Bidding Documents

6. **Contents of Standard Bidding Document**

6.1. The Services required, bidding procedure, and terms and conditions of the contract are prescribed in the bidding document. In addition to the Invitation for Bids, the bidding document which should be read in conjunction with any addendum issued by the Procuring Agency include:

Section I -Invitation to Bid
Section II Instructions to Bidders (ITB)
Section III Bid Data Sheet (BDS)
Section IV Evaluation Criteria, Specifications, Schedule of Requirements, and Technical Specifications.
Section V Fraudaulent & Corrupt Practices
Section VI General Conditions of Contract (GCC)
Section VII Special Conditions of Contract (SCC)
Section VIII Contract Forms

6.2. The Bidder is expected to examine all instructions, requirements, forms, terms and specifications in the bidding documents. Failure to furnish all the information required in the bidding document will be at the Service provider’s risk and may result in the rejection of his bids.

7. **Clarifications**

7.1. Clarifications of the bidding documents may be requested in writing through EPADS v2.0 by any bidder up to three days prior to the deadline for the submission of bids.

The procuring agency shall respond promptly and in writing to any request by a bidder for clarification of the bidding documents and, in any event, no

later than two days prior to the deadline for the submission of bids or proposals.

Responses to requests for clarification shall be communicated simultaneously and in writing to all bidders participating in the procurement proceedings.

No bidder shall be allowed to alter or modify his bid after the bids have been opened however, the procuring agency may seek and accept clarification to the bid that do not change the substance of the bid, through EPADS v2.0.

7.2. Procuring Agency's response will be uploaded on the EPADS v2.0, including a description of the inquiry.

7.3. Should the Procuring Agency deem it necessary to amend the bidding document as a result of a clarification, it shall do so following the procedure under **ITB 8.**

7.4. If indicated **in the BDS**, the bidder’s designated representative is invited at the bidder’s cost to attend a pre-bid meeting at the place, date and time mentioned **in the BDS**. During this pre-bid meeting, prospective bidder(s) may request clarification(s) regarding the schedule of requirements, the Evaluation Criteria or any other aspects of the bidding document.

7.5. Minutes of the pre-bid meeting, if applicable, including the text of the questions asked by bidders, and the responses given, together with any responses prepared after the meeting will be uploaded on EPADS v2.0. Any modification to the bidding document that may become necessary as a result of the pre-bid meeting shall be made by the Procuring Agency exclusively through the use of an Addendum.

7.6. To assist in the examination, evaluation and comparison of Bids of the Bidders, the Procuring Agency may, ask any Bidder for a clarification of its bid including breakdown of prices, through EPADS v2.0. Any clarification submitted by a bidder that is not in response to a request by the Procuring Agency shall not be considered.
No change in the prices or substance of the bid shall be sought, offered, or

permitted.

The alteration or modification in the bid which in any way affect the following parameters will be considered as a change in the substance of a bid:

7.6.1. evaluation & qualification criteria;

7.6.2. required scope of work or specifications;

7.6.3. all securities requirements;

7.6.4. tax requirements;

7.6.5. terms and conditions of bidding documents; and

7.6.6. change in the ranking of the bidders.

From the time of bid(s) opening to the time of contract award, if any bidder wishes to contact the procuring agency on any matter related to the bid, it should do so in writing or through electronic form that provides record of the content of communication.

8. **Amendment of Bidding documents**

8.1. Before the deadline for submission of bids, the procuring agency for any reason, whether at its own initiative or in response to a clarification requested by a prospective bidder or pre-bid meeting may modify the bidding documents by issuing addendum.

8.2. Any addendum issued including the notice of any extension of the deadline shall be part of the bidding document and shall be uploaded on EPADS v2.0 as well as Authority's website. The procuring agency shall promptly publish the addendum at the procuring agency's website indicated in the **BDS**:

Provided that the bidder who had either already submitted his bid, shall have the right to withdraw his already submitted bid and submit the revised bid, prior to the original or extended bid submission deadline.

8.3. To give prospective bidders reasonable time in which to take an addendum/corrigendum into account in preparing their bids, the Procuring

Agency may, at its discretion, extend the deadline for the submission of bids:

Provided that the Procuring Agency shall extend the deadline for submission of bids, if such an addendum is issued within last three (03) days of the bid submission deadline.

C. Preparation of Bids

9. Documents Constituting the Bids

9.1. The bids prepared by the bidders shall constitute the following components: -

9.1.1. Forms of bid and Bid Prices completed in accordance with ITB BDS, GCC and SCC;

9.1.2. Documentary evidence established in accordance with BDS that services to be provided by the bidder are eligible services, and conform to the bidding documents;

9.1.3. Documentary evidence established in accordance with BDS that the bidder is eligible and/or qualified for the subject bidding process;

9.1.4. Documentary evidence established, that the bidder has been authorized to provide the services;

9.1.5. Bid security or Bids Securing Declaration furnished in accordance with BDS; and

9.1.6. Any other document required in the BDS.

10. **Documents Establishing Eligibility of the Services and Conformity to bidding documents**

10.1. To establish the conformity of the Non-Consulting Services to the Bidding document, the bidder shall furnish as part of its bid the documentary evidence that services provided conform to the requirements.

10.2. Standards for the provision of the Non-Consulting Services are intended to be descriptive only and not restrictive.

11. **Documents Establishing Eligibility and Qualification of the Bidder**

11.1. Pursuant to BDS, the bidder shall furnish, as part of itsbid, all those documents establishing the bidder's eligibility to participate in the bidding process and/or its qualification to perform the contract if its bid is accepted.

11.2. The documentary evidence of the bidder's eligibility to bids shall establish to the satisfaction of the procuring agency that the bidder, at the time of submission of its bid, is from an eligible country.

11.3. The documentary evidence of the bidder's qualifications to perform the contract if its bid is accepted shall establish to the satisfaction of procuring agency that:

11.3.1. the bidder has the financial, technical, Provision of Services and supply/production capability necessary to perform the Contract, meets the qualification criteria specified in BDS.

11.3.2. that the bidder meets the qualification criteria listed in the Bids Data Sheet.

12. **Form of Bid**

12.1. **The bidder shall fill the Form of Bid furnished in the bidding documents. The Bid Forms must be completed without any alterations to its format and no substitute shall be accepted.**

13. **Bids Prices**

13.1. The Bids Prices quoted by the bidder in the Forms of Bid and in the price schedule shall conform to the requirements specified or exclusively mentioned hereafter in the bidding document.

13.2. All items in the Schedule of Requirements must be listed and priced separately in the Price Schedules. If a Price Schedule shows items listed but not priced and neither explicitly mentioned, their prices shall be construed

to be included in the prices of other items.

13.3. The Bid price to be quoted in the Forms of Bid shall be the total price of the bid, excluding any discounts offered.

13.4. The bidder shall indicate on the appropriate Price Schedule, the unit prices (where applicable) and total bid price of the services, it proposes to provide under the contract.

13.5. Prices quoted by the bidder shall be fixed during the currency of the contract and not subject to variation on any account. A bid submitted with an adjustable price will be treated as non-responsive and shall be rejected, unless otherwise price adjustment is permissible under Conditions of the Contract.

14. **Price Adjustment**

14.1. Price adjustment shall not be applicable.

14.2. Procuring agency may increase the remuneration of the human resources involved in non-consultancy services on annual basis as per agreement.

14.3. **Procuring agency shall incorporate the provisions to allow wage rate in compliance with Federal Government's minimum wage notification, subject to the applicability in that case.**

15. **Bids Currencies**

15.1. Prices shall be quoted in Pakistani Rupees unless otherwise specified in the BDS.

16. **Bid Validity Period**

16.1. Bid(s) shall remain valid for the period specified in the BDS after the bid submission deadline prescribed by the Procuring Agency. A Bid valid for a shorter period shall be rejected by the Procuring Agency as non-responsive.

17. **Bid Security or Bid Securing Declaration**

17.1. Unless otherwise specified in the BDS, the bidder shall furnish as part of its bid, in the amount and currency specified in the BDS or Bid Securing Declaration on the format provided in Section VI (Bid Forms) The scanned copy of the Bids Security shall be uploaded in the EPADS v2.0 while submitting bid, whereas the original forms of Bid Security shall be submitted to the procuring agency before the bid submission deadline. The bidder who failed to submit the original bid security before the submission deadline shall be disqualified straightaway.

17.2. The Bid Security or Bid Securing Declaration is required to protect the Procuring Agency against the risk of Bidder’s conduct which would warrant the security’s forfeiture.

17.3. The Bid Security shall be payable promptly upon written demand by the Procuring Agency in case any of the conditions listed in BDS, GCC and SCC are invoked.

17.4. Unsuccessful Bidders’ Bid Security will be discharged or returned as promptly as possible after the award of contract, however in no case later than thirty (30) days after the expiration of the period of Bid Validity prescribed by the Procuring Agency. The Procuring Agency shall make no claim to the amount of the Bid Security, and shall promptly return the Bid Security document, whichever of the following that occurs earliest:

17.4.1. the expiry of the Bid Security;

17.4.2. the entry into force of a procurement contract and the provision of a Performance Guarantee, for the performance of the contract if such a guarantee, is required by the bidding document;

17.4.3. the rejection by the Procuring Agency of all Bids;

17.4.4. the withdrawal of the Bid prior to the deadline for the submission of bids, unless the bidding document stipulate that no such withdrawal is permitted.

17.5. The Bid Security may be forfeited or the Bid Securing Declaration executed:

17.5.1. if a bidder:

17.5.1.1. withdraws its bid during the period of bid validity as specified by the Procuring Agency, and referred by the bidder in the Forms of Bid, except as provided for in the ITBs; or

17.5.1.2. does not accept the correction of errors, or

17.5.2. in the case of a successful bidder fails:

17.5.2.1. **to sign the contract in accordance with SCC; or**

17.5.2.2. **to furnish Performance Guarantee in accordance with BDS and SCC.**

17.6. **The bid security shall be valid for a period specified in BDS. Bids with shorter bid security validity period shall be rejected straight away.**

18. **Alternative Bids by Bidders**

18.1. Alternatives will not be considered, unless specifically allowed for in the BDS.

18.2. When alternative times for completion are explicitly invited, a statement to that effect will be included in the BDS and the method of evaluating different time schedules will be described in Evaluation and Qualification Criteria.

19. **Withdrawal, Substitution, and Modification of Bids**

19.1. Before Bids submission deadline, any bidder may withdraw, substitute, or modify his bid after it has been submitted.

20. **Format and Signing of Bids**

20.1. The bidder shall prepare and submit his bid with due diligence after carefully reading all the terms and conditions before submission through EPADS v2.0.

D. Submission of Bids

21. **Submission of Bids through EPADS v2.0 before Dead deadline**

21.1. The Technical and Financial Bids as the case may be, shall be submitted in the due portion of the EPADS v2.0, before bid submission deadline. The bid submission option shall be automatically disabled once the deadline is over.

21.2. The Procuring Agency may, under exceptional circumstances and at its discretion, extend the deadline for the submission of bids by amending the Bidding Documents. In such a case, all rights and obligations of the Procuring Agency and the Bidders that were previously subject to the original deadline shall thereafter be subject to the revised deadline.

E. Opening and Evaluation of Bids

22. **Opening & Evaluation of Bids by the Procurement Cell/Evaluation Committee**

22.1. The Procuring Agencies to constitute odd number Bid Evaluation Committee for the purpose of bid evaluation of all procurements. As per Rules 41 & 42 of Public Procurement Rules, 2026,
The Procuring Agencyis required to establish a Procurement Cell/Evaluation Committee which shall Evaluate the Bids inaccordance with the evaluation criteria, terms and conditions given in the bidding documents.

23. **Opening of Bids**

23.1. The Bid Evaluation Committee of the Procuring Agency will open all bids through EPADS, in the presence of bidders' or their representatives who choose to attend, and other parties with a legitimate interest in the bid proceedings at the place, on the date and at the time, specified in the **BDS**. The Bidders' representatives present shall sign attendance sheet as proof of their attendance.

23.2. The bids shall be opened one at a time, and the following read out and recorded: (a) the name of the bidder; (b) the presence of a bid security, if required; and (c) any other details as the procuring agency may consider appropriate.

23.3. No bid will be rejected at the time of bid opening except for bids whose bid security has not been provided to the procuring agency before submission deadline**.**

23.4. The procuring agency shall prepare minutes of the bid opening. The record of the bid opening shall include, as a minimum: the name of the bidder and the bid price, if applicable.

24. **Confidentiality**

24.1. Information relating to the examination, clarification, evaluation and comparison of bids and recommendation of contract award shall not be disclosed to bidders or any other person(s) not officially concerned with such process, until the time of the announcement of the respective evaluation report.

24.2. Any effort by a bidder to influence the procuring agency processing of bids or award decision may result in the rejection of his bid.

25. **Preliminary Examination of Bids**

25.1. Prior to the detailed evaluation of bids, the procuring agency will determine whether each bid:

25.1.1. meets the eligibility criteria defined in **BDS**;

25.1.2. has been prepared as per the format and contents defined by the procuring agency in the bidding document;

25.1.3. is accompanied by the required securities; and

25.1.4. is substantially responsive to the requirements of the bidding document.

25.2. The procuring agency will confirm that the documents and information specified under **BDS, GCC and SCC** have been provided in the bids. If any of these documents or information is missing, or is not provided in accordance with the Instructions to Bidders, the bid shall be rejected.

25.3. If a bid is not substantially responsive, it will be rejected by the procuring agency and may not subsequently be evaluated for complete technical responsiveness.

26. **Examination of Terms and Conditions, Technical Evaluation**

26.1. The procuring agency shall evaluate the technical aspects of the bids submitted in accordance with **BDS,** to confirm that all requirements specified in **Evaluation Criteria, Technical Specifications and Schedule of Requirements**, prescribed inthe bidding document have been met without material deviation or reservation.

26.2. If after the examination of the terms and conditions and the technical evaluation, the procuring agency determines that the bid is not substantially responsive in accordance with BDS**,** it shall reject the bids.

27. **Correction of Errors**

27.1. Bids determined to be substantially responsive will be checked for any arithmetic errors. Errors will be corrected as follows: -

27.1.1. if there is a discrepancy between unit prices and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail, and the total price shall be corrected, unless in the opinion of the procuring agency there is an obvious misplacement of the decimal point in the unit price, in which the total price as quoted shall govern and the unit price shall be corrected;

27.1.2. if there is an error in a total corresponding to the addition or subtraction of sub-totals, the sub-totals shall prevail and the total shall be corrected; and

27.1.3. where there is a discrepancy between the amounts in figures and in words, the amount in words will govern.

27.1.4. Where there is discrepancy between grand total of price schedule and amount mentioned on the Forms of bid, the amount referred in Price Schedule shall be treated as correct subject to elimination of other errors.

27.2. The amount stated in the bid will be adjusted by the procuring agency in accordance with the above procedure for the correction of errors and, with the concurrence of the bidder that shall be considered as binding upon the bidder. If the Bidder does not accept the corrected amount, his bid will then be rejected, and the Bid Security may be forfeited or the Bid Securing Declaration may be executed.

28. **Conversion to Single Currency**

28.1. As per Rule 42(2) of Public Procurement Rules, 2026.

29. **Evaluation of Bids**

29.1. The procuring agency shall evaluate bids in accordance with Rule 30 of Public Procurement Rules, 2026 and compare only those bids determined to be substantially responsive.

29.2. In evaluating the Technical Bids of each Bidder, the Procuring Agency shall apply the evaluation criteria and methodologies specified in the Bid Data Sheet (BDS) and in accordance with the Statement of Requirements and Technical Specifications. No other evaluation criteria or methodologies shall be permitted.

29.3. In case of tie of bids, the bidders shall be provided an opportunity to offer their best and final monetary offer through EPADS. However, in no case the rates shall be higher than the original financial bids.

29.4. The Procuring agency evaluation of a bid will take into account:

29.4.1. the bid price, excluding provisional sums and the provision, if any, for contingencies in the summary bill of quantities, but including day work

items, where priced competitively;

29.4.2. price adjustment for correction of arithmetic errors in accordance with **ITB 6;**

29.5. converting the amount resulting from applying (a) and (b) above, if relevant, to a single currency in accordance with **ITB 7**;

29.6. The estimated effect of the price adjustment provisions of the Conditions of Contract, applied over the period of execution of the Contract, shall not be taken into account in bid evaluation.

29.7. If these bidding documents allow bidders to quote separate prices for different lots, and the award to a successful bidder of multiple lots, the methodology of evaluation to determine the lowest evaluated lot combinations in the Form of Bid, is specified in the **BDS.**

30. **Determination of Most Advantageous Bids**

30.1. Selection technique will be adopted for determining the Successful Bid in accordance with the criteria referred in the **BDS** or prescribed in the separate section titled as Evaluation Criteria.

31. **Abnormally Low Financial Bids**

31.1. Subject to sub-rule (2), a procuring agency may, in the procurement of goods, works and services, reject a bid if it has determined that the price, in combination with other constituent elements of the bid, is abnormally low in relation to the subject matter of the procurement such that it raises material concerns on the part of the procuring agency as to the ability of the bidder to perform the procurement contract satisfactorily for the offered price.

31.2. A procuring agency shall not reject a bid as abnormally low under sub-rule (1) unless the procuring agency—

31.2.1. requested through EPADS from the bidder a written clarification of bid, including a detailed price analysis of its bid price in relation to the subject matter of the procurement contract, scope,

methodology, schedule, allocation of risks and responsibilities and any other requirements of the bidding documents; and

31.2.2. 6having taken into account the information provided by the bidder in response to a request under clause (a) and the information included in the bid, the procuring agency determines that the bidder has
failed to demonstrate its ability to perform the procurement contract satisfactorily against the offered price.

31.3. The procuring agency shall promptly communicate to the bidder concerned its decision to reject the bid, including the reasons for the decision.The procuring agency may reinitiate the bidding process after communication of such decision.

31.4. Every abnormally low bid shall be investigated in order to determine the reason for submitting the bid including whether the bid was submitted in order to remove other bidders from competition.

31.5. In case it is established after investigation that the bidder submittedan abnormally low bid to remove other bidders from competition or to frustrate the bidding process, the procuring agency may blacklist the bidder in accordance with Rule 25(1)(d).

32. **Rejection of Bids**

32.1. As per Rule 45 of the Public Procurement Rules, 2026.

33. **Single Responsive Bid**

33.1. The procuring agency may consider single responsive bid subject to underlying conditions of Rule 38(b) of the Public Procurement Rules, 2026.

34. **Arbitration**

34.1. As per Rule 49 of Public Procurement Rules, 2026.

F. Award of Contract

43. **Criteria of Award**

43.1. The procuring agency will award the Contract to the bidder whose bid has been determined to be substantially responsive to the bidding document and who has been declared as successfull bid.

44. **Procuring Agency’s Right to reject All Bids**

44.1. The procuring agency reserves the right to reject all the Bids and to annul the procurement process at any time prior to acceptance of the bid(s), without thereby incurring any liability to the affected bidder(s).

44.2. Notice of the rejection of all bids shall be given promptly to all bidders that have submitted the bids. The procuring agency shall upon request communicate to any bidder the grounds for the rejection of his bid, but is not required to justify those grounds.

45. **Notification of Award**

45.1. Prior to the award of contract, the procuring agency shall issue a Final Evaluation Report giving justification for acceptance or rejection of the bids.

45.2. Bidder whose bid has been accepted, will be notified for the award by the Procuring Agency prior to expiration of the Bid Validity period through EPADS. The Letter of Award will state the sum that the procuring agency will pay the successful bidder in consideration for the execution of the scope of works as prescribed by the Contract (hereinafter and in the Contract called the "Contract Price).

45.3. The notification of award will constitute the formation of the Contract, subject to the condition that bidder furnish the Performance Guarantee and signing of the contract.

46. **Signing of Contract**

46.1. Promptly after notification of award, Procuring Agency shall send the successful bidder the draft agreement, incorporating all terms and conditions as agreed by the parties to the contract. The successful bidder and the procuring agency shall sign the contract.

47. **Performance Guarantee**

47.1. After the receipt of the Letter of Acceptance, the successful bidder, within the specified time, shall deliver to the Procuring Agency a Performance Guarantee in the amount and in the form stipulated in the **BDS and SCC**, denominated in the type and proportions of currencies in the Letter of Award and in accordance with the Conditions of Contract.

47.2. Failure of the successful bidder to comply with the requirement of **BDS, SCC and GCC** shall constitute sufficient grounds for the annulment of the award and forfeiture of the bid security, in which event the procuring agency may make the award to the next ranked bidder or call for new bids.

48. **Corrupt & Fraudulent Practices**

48.1. Procuring Agencies (including beneficiaries of Government funded projects and procurement) as well as Bidders/Contractors under Government financed contracts, observe the highest standard of ethics during the procurement and execution of such contracts, and will avoid to engage in any corrupt and fraudulent practices.

G. Grievance Redressal & Complaint Review Mechanism

53. **Constitution of Grievance Redressal**

53.1. Procuring agency shall constitute a Grievance Redressal Committee (GRC) comprising of an odd number of persons with proper power and authorization to address the complaint. The GRC shall not have any of the members of Procurement Evaluation Committee.

54. **GRC Procedure**

54.1. Any aggrieved party or bidder as the case may be, may file grievance in accordance with Rule 65 of the Public Procurement Rules, 2026 and Redressal of Grievance Regulations, 2022

H. Blacklisting/ Debarment

55. **Procedure for Blacklisting/Debarment**

55.1. The procuring agency may initiate blacklisting proceedings against contractor/supplier in accordance with Rule-25 of the Public Procurement Rules, 2026 , Mechanism for Blacklisting, Debarment Regulations, 2024 and Regulation on “procedure for filling and disposal of review petition under rule-25(3) of the Public Procurement Rules, 2026.

A. Introduction

BDS Clause Number 1

Name of Procuring Agency: **Pakistan Electronic Media Regulatory Authority (PEMRA) (Pakistan Electronic Media Regulatory Authority (PEMRA))**

The subject of procurement is: **HIRING OF OPERATION AND MAINTENANCE SERVICES FOR THE HVAC SYSTEM OF PEMRA HQ BUILDING, ISLAMABAD**

Expected commencement date: **Monday, December 21, 2026**

BDS Clause Number 2

Financial year for the operations of the Procuring Agency: **2026-27**

Name and identification number of the Contract: **P130753**

BDS Clause Number 3

JV/Consortium or Association Allowed: **No**
Number of JV/Consortium Members: **Nil**

B. Bidding Documents

BDS Clause Number 4

The Bidders may seek clarifications through **EPADS v2.0**: Clarification Date: Friday, December 4, 2026

BDS Clause Number 5

Any addendum, in case issued, shall be published on **Pakistan Electronic Media Regulatory Authority (PEMRA) (Pakistan Electronic Media Regulatory Authority (PEMRA))** website and on **EPADS v2.0**.

BDS Clause Number 6

List of documents required along with the bid: No

BDS Clause Number 7

The qualification criteria to establish the supply / production capability of the bidder.

see Eligibility Criteria

BDS Clause Number 8

Services and Their related documents:
See section Required Services and Scope of Work

BDS Clause Number 9

Price schedule will be provided according to the format defined and acquired.
see section price schedule.

BDS Clause Number 10

Specifications:

see section of specifications.

C. Preparation of Bids

BDS Clause Number 11

The price shall be **Fixed**.

BDS Clause Number 12

Currency of the Bids shall be : **PKR**

BDS Clause Number 13

The Bids/Bid Validity period shall be: **90 Days**

BDS Clause Number 14

The amount of Bid Security shall be as defined in Bid Security Section for items and lots given in **BDS 6**
The Bid Security shall be in the form of: **Pay Order, Demand Draft**

BDS Clause Number 15

The Bids security shall be valid for twenty-eight (28) days beyond the expiry of the Bids validity period specified in the bidding documents, for example the bid validity is 90 days so the bid security shall be valid for 90+28 = 118 days.

BDS Clause Number 16

Alternative Bids to the requirements of the bidding documents will not be permitted.

D. Submission of Bids

BDS Clause Number 17

Bid shall be submitted online on EPADS v2.0 whereas hard copy of the bid security should be submitted to the following;

PEMRA HQ, Mauve Area, Sector G-8/1., Islamabad Capital Territory

Bids that are not submitted on EPADS v2.0 shall be disqualified.

The deadline for Bids submission is: **Monday, December 7, 2026 11:00 AM**

E. Opening and Evaluation of Bids

BDS Clause Number 18

The Bids opening shall take place on **EPADS v2.0**.

Day *:* ***Monday***

Date: ***Monday, December 7, 2026***

Time *:* ***11:30 AM***

BDS Clause Number 19

Selection technique adopted will be: **Least Cost Based Selection (LCBS)**
see Evaluation Criteria

F. Award of Contract

BDS Clause Number 20

The Performance guarantee shall: **10.00%**.

The Performance Guarantee shall be acceptable in the form of: **Bank Guarantee**

21.

51.1

Arbitrator shall be appointed by mutual consent of the both parties.

G. Review of Procurement Decisions

BDS Clause Number 22

Grievence against this procurement shall be submitted online on EPADS v2.0.

Eligibility Criteria

Eligible Bidders: Sole Proprietorship, Partnership Firm, Company (Private Limited), Company (Public Limited)

Required Registration
NADRA CITIZENSHIP (CNIC/NICOP)
FBR (NTN)
FBR (GSTN)
PEC

Eligibility Criteria	Document
At least 10 years' experience in HVAC operation and maintenance, including operation and maintenance of Direct Fired Absorption Chillers; registration certificate, earliest HVAC O&M work order (dated 15 years or more before bid closing), and work orders with performance certificates for Direct Fired Absorption Chiller O&M	Yes
Functional office in Islamabad/Rawalpindi; rent agreement or ownership document plus a recent utility bill	Yes
Proof of legal status: Partnership Firm (Registrar of Firms registration certificate), Sole Proprietorship (NTN certificate), Company – Private Limited / Public Limited (SECP Certificate of Incorporation)	Yes
Affidavit on stamp paper that the firm is not blacklisted by any federal, provincial or local government body, dated within the bid month	Yes

EOBI-registered firm with at least 10 technical staff on its EOBI record, including at least 1 PEC-registered mechanical engineer; firm's EOBI registration certificate, EOBI record and CNICs of staff	Yes

PUBLIC PROCUREMENT REGULATORY AUTHORITY (PPRA) EPADS

Evaluation Criteria

Least Cost Based Selection (LCBS)

Weightage

Technical Evaluation %
100

Technical Marks	100
Passing Marks	**60**
Technical Evaluation Criteria	
Years of HVAC O&M experience (Qualitative)(Doc Required) 25 years or more **(10)** 20–24 years **(8)** 15–19 years **(6)** 10–14 years **(3)**	10
Cumulative DFA chiller O&M experience (last 10 years) (Qualitative)(Doc Required) More than 10 cumulative DFA years **(20)** 7 to 10 cumulative DFA years **(15)** 4 to 6 cumulative DFA years **(10)**	20

Ongoing DFA chiller O&M contracts, 6+ months performed (Qualitative)(Doc Required) 2 or more contracts **(5)** 1 Contract **(3)**	5
Second PEC-registered mechanical engineer, beyond the mandatory one (Qualitative)(Doc Required) 8+ years in HVAC with 4+ years on DFA chillers **(10)** 5+ years in HVAC with 2+ years on DFA chillers **(7)** 5+ years in HVAC, no DFA experience **(4)**	10
HVAC supervisor, DAE Mechanical/HVAC (Qualitative)(Doc Required) 10+ years with 5+ years on DFA chillers **(5)** 5+ years with 3+ years on DFA chillers **(4)** 5 to 9 years, no DFA experience **(2)**	5
Qualified HVAC technicians (DAE or trade certificate), proposed for PEMRA (Qualitative)(Doc Required) 5+ technicians (each with 3+ years and 1+ year on DFA), of whom at least 2 have 3+ years on DFA **(15)** 3 to 4 technicians, each with 3+ years and at least 1 year on DFA **(10)** 1 to 2 technicians, each with 2+ years and DFA familiarity **(5)**	15
Vacuum/purge pump 2 marks Flue gas combustion analyzer 2 marks Lithium bromide solution testing kit 2 marks Tube cleaning machine 2 marks Digital instruments set (clamp meter, thermometer, pressure gauges, insulation tester) 2 marks (Qualitative)(Doc Required)	10
Average annual turnover, last 3 years (5) (Qualitative)(Doc Required) PKR 12 million or more **(5)** PKR 8 million to under 12 million **(3)** PKR 4 million to under 8 million **(1)**	5

Work plan and methodology Preventive maintenance schedule referencing the actual chiller make/model and burner, with task frequencies (3 marks) Shift and staffing plan showing cover for shutdowns, burner trips and solution-chemistry events (2 marks) Committed response times (reporting at site) and resolution times (restoration), with liquidated-damages formula (2 marks) Log sheets and monthly report formats, plus annual solution-sampling and tube-cleaning schedule (2 marks) Risk register for the DFA plant (crystallization, burner failure, vacuum loss) with mitigation (1 mark) (Qualitative)(Doc Required)	10
HVAC industrial electrician, control-panel specialist (Qualitative)(Doc Required) Industrial electrician, 8+ years, with 3+ years on DFA chiller control panels (LG/LS or equivalent) **(10)** Industrial electrician, 5+ years, familiar with HVAC control panels (burner safety, VFDs, BMS) **(5)**	10

Related Services :

Yes

OPERATION AND MAINTENANCE DETAIL OF HVAC

Position	Related Services
Direct Fired Absorption Chillers (LG)	O&M of 2×320 TR LG DFA chillers: burner, LiBr solution, vacuum, tube cleaning, pumps, safety, logs; 2 LG-trained visits/yr, biannual flue gas analysis, N2 cylinders — contractor's cost
Cooling Tower	O&M of 3-cell cooling tower (450 TR): basin, fill, fan/gearbox, belts, bearings, make-up/blow-down; weekly water tests, quarterly lab analysis
Air Handling Units	O&M of 9 AHUs (30–50 TR): filters, coils, drains, fans, motors, belts, bearings, dampers, controls, annual painting
Fan Coil Units	O&M of 1 FCU (3 TR): blower, coil, valves, strainers, filters, thermostat, drain pan; daily motor and vibration log
Pumps (All kinds of Pumps chilled water, condense water and Primary & Secondary)	O&M of 9 pumps (chilled, condenser, primary, secondary) + pit pumps: bearings, seals, alignment, impellers, strainers, motors; parts by PEMRA

Position	Related Services
Fans (Exhaust, Fresh Air and Stair way fans)	O&M of 12 fans (exhaust, fresh air, stairway): overhaul, balancing, bearings, belts, pulleys, motors, dampers
Water Treatment Chemical Dosing System	O&M of 3 dosing systems: pumps, chemical levels, water testing, dosing adjustment;
Split Type Air Conditioners (Wall mounted, Window, Cassette Type and Floor standing)	O&M of 62 split ACs (1–5 TR): filters, coils, drains, gas pressure, electricals, minor repairs, soldering, dismantle/reinstall;
All kind of valves (gate valves, globe valve, Y-strainers, Safety valves, Pressure regulator valves, balancing valve, ball valve and drain valve)	Inspection, servicing and replacement of HVAC valves (gate, globe, Y-strainer, safety, PRV, balancing, ball, drain); replacements by PEMRA
Sui gas piping including all valves (gate valves, globe valve, Y-strainers, Safety valves, Pressure regulator valves, balancing valve, ball valve, gas pressure gauges, burner damper and other related fixtures)	O&M of 2 Sui gas lines to DFA chillers: valves, gauges, burner damper, strainer, leak tests, pressure logs, safety interlocks, SNGPL liaison

Specifications / Requirements:

Different Capacity

Position: Water Treatment Chemical Dosing System

Specifications / Requirements:

Different Capacity

Position: Split Type Air Conditioners (Wall mounted, Window, Cassette Type and Floor standing)

Specifications / Requirements:

1 Ton to 5 Ton Capacity (150 Ton approx)

Position: All kind of valves (gate valves, globe valve, Y-strainers, Safety valves, Pressure regulator valves, balancing valve, ball valve and drain valve)

Specifications / Requirements:

Different size and capacity

Position: Sui gas piping including all valves (gate valves, globe valve, Y-strainers, Safety valves, Pressure regulator valves, balancing valve, ball valve, gas pressure gauges, burner damper and other related fixtures)

Specifications / Requirements:

Sui gas piping including all valves (gate valves, globe valve, Y-strainers, Safety valves, Pressure regulator valves, balancing valve, ball valve, gas pressure gauges, burner damper and other related fixtures) of Different size and Capacity

PUBLIC PROCUREMENT REGULATORY AUTHORITY (PPRA) EPADS

Scope of Work

GENERAL SCOPE OF WORK / SERVICES

The Contractor shall provide comprehensive operation and maintenance (O&M) services for PEMRA HQ's complete HVAC system and allied equipment, as detailed at Annex-I (the "Equipment"), on an annual contract basis.

The Contractor shall ensure the safe, efficient, trouble-free, reliable and uninterrupted operation and maintenance of the complete HVAC system and shall maintain the specified indoor design conditions, subject to the availability of utilities, PEMRA-supplied materials/spares and conditions beyond the Contractor's reasonable control.

1. CONTRACT PERIOD

The initial contract period shall be one (01) year from the date of commencement of services. The contract may be extended for up to two (02) further years, on an annual basis, subject to satisfactory performance, mutual consent and approval of the Competent Authority. Extension shall not be automatic.

2. STAFF DEPLOYMENT AND WORKING HOURS

The Contractor shall deploy qualified and experienced engineers, supervisors, AC technicians, chiller operators, industrial electricians and other technical staff necessary for proper operation and maintenance of the HVAC system.

PEMRA's normal office hours are 8:00 AM to 5:00 PM. These may be extended or varied on particular days due to official events, meetings, functions or operational requirements, and the Contractor shall ensure availability of staff and HVAC services during such hours without any additional cost to PEMRA.

The Contractor shall also provide on-call emergency support outside office hours, on weekends and public holidays.

3. PREVENTIVE AND CORRECTIVE MAINTENANCE

The Contractor shall promptly attend to all faults, defects, repairs, servicing requirements, breakdowns and failures relating to the HVAC system and allied equipment.

The Contractor shall submit a comprehensive Preventive Maintenance and Servicing Schedule to the PEMRA authorized representative for approval within 15 days of signing of the contract, covering all HVAC equipment with daily, weekly, monthly, quarterly, half-yearly and annual activities, as applicable, in accordance with manufacturers' recommendations.
The Contractor shall carry out all annual servicing, maintenance, overhauling, minor repairs and other necessary work without additional labour/service charges, and shall depute additional technical staff from its central workshop whenever required, without additional cost to PEMRA.

4. AFTER-HOURS, WEEKEND AND HOLIDAY WORK
The Contractor shall undertake all necessary repair, maintenance, breakdown and servicing work after office hours, on weekends and public holidays, whenever required to restore HVAC services or prevent damage to equipment, without any additional cost to PEMRA.

5. RESPONSE AND RESOLUTION
5.1 Normal/extended working hours
A qualified Engineer and the required technical staff shall be available at site during normal office hours and any extended or varied working hours notified by PEMRA. The Contractor shall acknowledge and attend to any complaint within fifteen (15) minutes of its reporting and shall immediately commence diagnostic and corrective action. The time of reporting and attendance shall be recorded in the complaint/log register or other mechanism approved by PEMRA.
5.2 Critical faults
Critical faults, including chiller trip, cooling-tower failure, loss of chilled-water circulation, Sui gas interruption, chemical leakage, major electrical/control failure and any other fault materially affecting the operation of the HVAC system, shall be attended to immediately and corrective measures initiated without delay. The Contractor shall restore the affected system within the shortest technically practicable time, depending on the nature and extent of the fault.
Where restoration requires a spare part, specialist intervention or other action beyond the Contractor's reasonable control, the Contractor shall immediately notify PEMRA and recommend the required action.

6. NITROGEN CYLINDERS
The Contractor shall keep four (04) full nitrogen (N2) cylinders with regulators permanently in the HVAC Plant Room for leakage,

chiller vacuum loss and other HVAC requirements, kept adequately filled throughout the contract.

7. LOG SHEETS AND RECORD KEEPING

The Contractor shall maintain, at its own cost, daily log sheets for the complete HVAC system, particularly the chillers, recording operating parameters on an hourly basis on PEMRA-approved printed log sheets. These shall, at a minimum, record chiller operating parameters; chilled-water supply and return temperatures; condenser-water temperatures; pressures; fluid levels; operating hours; electrical parameters; equipment status; faults and alarms; preventive and corrective maintenance activities; breakdowns; repairs; replacement of parts; date and time of each activity; and reason for breakdown, repair or replacement.

The Contractor shall ensure that all instruments required for recording operating parameters remain functional and properly calibrated.

8. MATERIALS AND SPARES TO BE PROVIDED BY PEMRA

The following shall be provided by PEMRA, subject to requirement and availability:

a. Paint and thinner;

b. Lithium bromide inhibitor;

c. Alcohol and alkali;

d. Refrigerant for split air-conditioning units;

e. Cooling-tower/water-treatment chemicals, LG or equivalent from an authorized distributor; and

f. Major replacement parts/spares procured by PEMRA on the Contractor's written recommendation and subject to PEMRA's approval.

The Contractor shall be responsible for the proper handling, storage, installation and economical use of all PEMRA-supplied materials, and shall provide, without additional labour/service charges, all labour, tools, dismantling, installation, testing and commissioning required for installing or replacing PEMRA-supplied parts.

9. ITEMS AND SERVICES AT CONTRACTOR'S COST

The following shall be borne by the Contractor and deemed included in the quoted price, with no additional financial claim:

a. Nitrogen cylinders and regulators;

b. Water-testing kits and reagents;

c. Two (02) visits per year by LS/LG Korea-trained engineers, in June (cooling mode) and January (heating mode);
d. Biannual flue-gas analysis for CO, CO2 and O2 by an authorized and credible company;
e. Biannual NPSL lithium bromide analysis;
f. Quarterly laboratory water analysis;
g. Weekly water sampling/testing using appropriate test kits;
h. Consumables including nuts, bolts, washers, gaskets, gland rope and similar minor hardware;
i. Welding, machining and other machinery work;
j. All tools, testing instruments and equipment;
k. All labour and technical manpower;
l. Transportation and mobilization of technical staff; and
m. All other incidental expenses necessary for satisfactory performance of the services.
An "LS/LG Korea-trained Engineer" means an engineer possessing documentary evidence/certification of training by the relevant manufacturer or its authorized representative for the installed chiller equipment.

10. PAINTING

The Contractor shall clean, prepare and paint all required HVAC equipment and associated paintable surfaces once every year, in accordance with the existing colour code and PEMRA's instructions. The scope includes, but is not limited to, chillers, cooling towers, AHUs, FCUs, ducting, piping, insulation, air devices, foundations, valves, fittings, pumping sets, MCCs, panels, DBs, electrical conduits, cable trays, chemical feeding systems, automatic controls and other HVAC-associated surfaces. All painting materials shall be provided by PEMRA.

11. AUTOMATIC CONTROL SYSTEM

The Contractor shall carry out complete cleaning, dusting, servicing, inspection, trimming, adjustment and calibration of the automatic control system in accordance with manufacturers' recommendations and PEMRA's instructions, check all safeties, sensors, controllers, actuators, control panels and associated devices for proper functionality, and immediately report any faulty sensor or control device to PEMRA.

12. BMS OPERATION AND MAINTENANCE

The Contractor shall ensure:

a. Proper checking of all BMS safeties;

b. Calibration of BMS sensors;

c. Full functionality of the BMS in accordance with the manufacturer's design and output parameters;

d. Proper monitoring of HVAC operating parameters through the BMS;

e. Daily printing of recorded BMS data/log sheets; and

f. Submission of BMS-generated reports/log sheets to PEMRA as required.

13. COMPLIANCE WITH CODES, LAWS AND SAFETY REQUIREMENTS

The Contractor shall comply with all applicable laws, rules, regulations and standards, including the National Electric Code, applicable Pakistan Engineering Council requirements/byelaws and all relevant statutory, environmental, electrical and occupational health and safety requirements.

14. GENERAL OPERATIONAL REQUIREMENTS

The Contractor shall ensure that:

a. All plant and equipment are operated, maintained and serviced efficiently to prevent breakdowns;

b. PEMRA-supplied materials and spares are used economically and solely for the intended purpose;

c. The electrical supply serving the HVAC system is monitored and maintained within the required voltage and frequency limits, subject to the building's incoming supply and conditions beyond the Contractor's control; and

d. Temperature is recorded at least twice daily at locations designated by the PEMRA authorized representative on all floors.

15. STAFF FAMILIARIZATION

The Contractor's deputed staff shall study the manufacturers' technical catalogues, manuals, drawings and operating instructions for all plants and equipment, and shall follow the reasonable technical instructions of specialist contractors, if any, engaged by PEMRA.

PUBLIC PROCUREMENT REGULATORY AUTHORITY (PPRA) EPADS

16. REPORTING OF MALFUNCTIONS AND DAMAGE

The Contractor shall immediately report to the PEMRA authorized representative any malfunction, abnormal operating condition, damage, leakage, unsafe condition or deterioration of any plant or equipment, take immediate measures to prevent further damage, and recommend timely repair or replacement of defective parts.

17. SUBCONTRACTING

The Contractor shall not subcontract the services, in whole or in part, without PEMRA's prior written approval. Any approval shall not relieve the Contractor of its obligations, responsibilities or liabilities under the contract.

DETAILED TECHNICAL SCOPE OF O&M

The following requirements form an integral part of the Contractor's O&M obligations. They are indicative and not exhaustive, and shall not limit the Contractor's responsibility under Clause 28.

18. CHILLERS

The Contractor shall:

a. Carry out complete servicing, overhauling, de-scaling and cleaning of chiller tubes using appropriate chemicals and nylon brushes, including calibration, adjustment and trimming of control and safety devices and neutralization using suitable neutralizer;

b. Carry out vacuuming/purging of chillers as required;

c. Maintain chilled-water outlet temperature as required for the building;

d. Service and overhaul refrigerant, solution, purge and other associated pumps, monitor their amperes and abnormal conditions, and replace purge pump oil where required;

e. Record chiller operating parameters hourly and maintain daily data logs of temperatures, pressures, fluid levels and other relevant parameters;

f. Carry out leak testing, evacuation and refrigerant-related work, where required;

g. Check and service burners, suction ports, damper motors, burner flame, gas pressure, gas-line strainers and butterfly valves, including adjustment of flame, air damper and gas damper;

h. Check and service generators associated with the HVAC system, including power/control wiring, allied switchgear, HT generator eliminators, diesel lines and strainers, where applicable;

i. Check and programme microprocessors, carry out refrigerant blow-down where necessary, and check temperature, pressure and fluid levels;
j. Check and adjust all safety devices, confirm settings regularly, calibrate sensors, report faulty sensors to PEMRA, and service chiller control panels;
k. Tighten electrical connections and terminals and replace damaged minor components, cables, conduits, saddles, supports, bends, sockets, hardware and fittings within the Contractor's responsibility;
l. Clean and service MCCs, control panels, switchboards, DBs and allied wiring, keeping them clean, vermin-resistant and water-protected, and remove carbon and dust from connectors, breakers and relay points using appropriate chemicals;
m. Conduct two (02) NPSL laboratory analyses per year of the lithium bromide solution of both chillers. Where results fall outside the manufacturer's parameters, the Contractor shall carry out calibration and adjustment and recommend/undertake addition of inhibitor, alcohol, alkali or other chemicals (supplied by PEMRA) as directed;
n. Arrange two (02) visits per year by a Senior Technical Supervisor/Engineer trained by LS/LG Korea or its authorized distributor to inspect burners, electrical circuits, control panels, pump amperes, water pressures and temperatures, fluid levels, inverter programming, level electrodes, auxiliaries, log sheets and overall chiller performance. One visit shall be in June (cooling mode) and one in January (heating mode), at the Contractor's cost; and
o. Arrange biannual flue-gas analysis of the chiller burner for CO, CO2 and O2 through an authorized and credible company.

19. COOLING TOWERS
The Contractor shall:
a. Carry out regular dosing of water-treatment chemicals (supplied by PEMRA) through dosing machines for cooling and chilled-water systems;
b. Test raw and cooling water weekly using suitable test kits and record the results;
c. Arrange complete chemical analysis of water through a reputable laboratory during the first week of every quarter, at the Contractor's cost;
d. Analyse supply, chilled and condenser water as required and ensure treatment in accordance with laboratory results and the chemical supplier's recommendations;
e. Clean, service and maintain hot and cold water basins, globe valves, return-valve strainers and intake louvers;

f. Check motor amperes, circulating-water circuits and float valves;
g. Keep airflow paths clear, properly fixed, clean and unobstructed;
h. Maintain proper chemical dosing, pH and TDS of the cooling-water circuit;
i. Maintain, lubricate and balance fans, fan blades, belts, gears, bearing boxes and motor supports; and
j. Remove clogging, de-scale cooling towers, check fills and connectors, and rectify leakages.

20. WATER-TREATMENT CHEMICALS

The Contractor shall ensure economical use of PEMRA-supplied chemicals and maintain records of dosing, test results, pH, TDS and other relevant parameters.

21. FAN COIL UNITS (FCUs)

The Contractor shall operate, inspect, service and maintain all FCUs, record relevant operating parameters, and check drive motors (amperes and voltage), blowers, cooling coils, pipework and insulation, valves and strainers, filters, controls, motorized valves, thermostats, drain pans and condensate drainage, noise levels and abnormal vibration.

22. AIR HANDLING UNITS, EXHAUST FANS AND STAIRWELL FANS

The Contractor shall regularly:
a. Service, overhaul, clean, wash, repair and maintain all supply, fresh-air and exhaust fans, motors, coils, drive motors, pulley alignment, belts, filters and strainers, using suitable equipment and cleaning agents;
b. Service and maintain allied piping, particularly drain pipes, to ensure proper condensate flow;
c. Maintain piping insulation, controls, blowers, valves, dampers, pressure gauges, fittings, power/control wiring and allied switchgear;
d. Tighten, ground and insulate electrical connections of AHU drive motors;
e. Grease/lubricate bolts and motors and replace damaged components within the Contractor's scope; and
f. Carry out complete annual painting of AHUs.

23. SPLIT, FLOOR-STANDING AND CASSETTE AIR-CONDITIONERS

The Contractor shall carry out complete cleaning, servicing, repair, maintenance, dismantling and installation of all air-conditioning

units in the building, including soldering/brazing, check coils, filters, blowers, compressor amperes, electrical connections, terminals and gas pressure, and carry out refrigerant charging/addition where required. Refrigerant shall be supplied by PEMRA.

24. CHILLED-WATER, HOT-WATER AND CONDENSER-WATER PUMPS

The Contractor shall:

a. Service, overhaul, repair and maintain all chilled-water, hot-water and condenser-water pumping sets and service-pit wastewater pumps;

b. Dismantle pumps as required for inspection and repair of bearings, drive, pulley, gland rope and other components, and repair/replace defective parts within its scope;

c. Reassemble and recommission pumping sets with levelling, balancing and alignment, free from abnormal noise, vibration and misalignment;

d. Clean, service and lubricate pump motors, bearings and allied switchgear/wiring;

e. Monitor motor current and take corrective action to prevent excessive current draw and overheating; and

f. Adjust or replace parts where the replacement parts are provided by PEMRA.

25. ELECTRICAL AND CONTROL SYSTEMS

The Contractor shall regularly inspect and maintain all electrical and control systems associated with the HVAC plant, including MCCs, control panels, switchboards, DBs, connections and terminals, power and control wiring, conduits, breakers, relays, sensors, control and safety devices and allied switchgear, and shall promptly report any unsafe condition, defective component or abnormal electrical parameter to PEMRA.

26. MONTHLY INSPECTION AND PERFORMANCE REPORT

The Contractor shall submit a comprehensive inspection and performance report, signed by the Senior Engineer, to the PEMRA authorized representative during the first week of every month, including at a minimum:

a. Overall performance of the HVAC plant, equipment and systems;

b. Preventive maintenance check sheets;

c. Daily operation reports;

d. Corrective maintenance reports;

e. Breakdown details and causes;
f. Response and restoration times;
g. Equipment downtime;
h. Parts/spares replaced;
i. Consumables and materials used;
j. Testing and laboratory results;
k. Outstanding defects and deficiencies;
l. Recommendations for corrective/preventive action;
m. Any action required from PEMRA; and
n. Any other matter affecting reliable operation.

27. TAKEOVER AND HANDOVER

At commencement, the Contractor shall jointly inspect the complete HVAC system with PEMRA, identify any existing defect or deficiency, and submit a baseline condition assessment report within 15 days. Upon expiry or termination, the Contractor shall hand over the system, log books, records, reports, manuals, drawings, keys and documents to PEMRA, and shall not remove any PEMRA-owned material, equipment or records without prior written permission.

28. GENERAL RESPONSIBILITY

The Contractor shall perform all additional routine, preventive, corrective, testing, adjustment, servicing and maintenance activities reasonably necessary for the safe, efficient, reliable and uninterrupted operation of the complete HVAC system, without additional cost where such activities fall within normal O&M obligations, and shall remain responsible for the deployment, supervision and performance of its personnel and for compliance with the approved schedule, manufacturers' recommendations and PEMRA's instructions.

General Conditions of Contract

A. General

1. **Definitions**

1.1. Unless the context otherwise requires, the following terms whenever used in this Contract shall have the same meaning and shall be interpreted as indicated

1.1.1. “Applicable Law” means the laws and any other instruments having the force of law in the Government’s Country, or in such other country as may be specified in the Special Conditions of the Contract (SC), as they may be issued and in force from time to time;

1.1.2. “The Contract” means an agreement enforceable by law;

1.1.3. “The Contract Price” means the price payable to the Contractor under the Contract for the full and proper performance of its contractual obligations;

1.1.4. “The Services” means the work to be performed by the Contractor pursuant to this Contract and as prescribed in the Specifications and Schedule of Activities included in the Contractor’s Bid;

1.1.5. “Ancillary Services” means those services ancillary to the provision of Services, such as transportation and insurance, and any other incidental services, such as installation, commissioning, provision of technical assistance, training, and other such obligations of the Contractor covered under the Contract;

1.1.6. “GCC” means the General Conditions of Contract contained in this section;

1.1.7. “SCC” means the Special Conditions of Contract by which the GCC may be amended or supplemented;

1.1.8. **“**Day” means calendar day unless indicated otherwise;

1.1.9. “Effective Date” means the date on which this Contract comes into force and effect;

1.1.10. “The Contractor” means the individual or corporate body whose Bids to provide the Services has been accepted by the Procuring Agency;

1.1.11. “The Project Site,” where applicable, means the place or places named in Bid Data Sheet and technical Specifications;

1.1.12. “Government” means the Government of Pakistan;

1.1.13. “Local Currency” means the currency of Pakistan;

1.1.14. “In Writing” means communicated in written form with proof of receipt;

1.1.15. “Completion Date” means the date of completion of the Services by the Contractor as certified by the Procuring Agency;

1.1.16. “Foreign Currency” means any currency other than the currency of the country of the Procuring Agency;

1.1.17. “Party” means the Procuring Agency or the Contractor, as the case may be, and “Parties” means both of them;

1.1.18. "Service" means any object of procurement other than goods or works;

1.1.19. “Subcontractor” means any entity to which the Bidder subcontracts any part of the Services.

2. **Applicable Law**

2.1. The contract shall be governed and interpreted in accordance with the laws of Pakistan, unless otherwise specified in SCC.

3. **Language**

3.1. The Contract as well as all correspondence and documents relating to the Contract exchanged between the Contractorand the Procuring Agency, shall be written in the **English language** unless otherwise stated in the **SCC** . Supporting documents and printed literature that are part of the Contract may be in another language provided these are accompanied by an accurate translation of the relevant passages in English, in which case, for purposes of interpretation of the Contract, this translation shall govern.

4. **Notices**

4.1. Any notice, request, or consent made pursuant to this Contract shall be in writing and shall be deemed to have been made when delivered in person to an authorized representative of the Party to whom the communication is addressed, or when sent by registered mail, telex, telegram, or facsimile to such Party at the address specified in the **SCC**.

5. **Location**

5.1. The Services shall be performed at such locations as the Procuring Agency may approve and as specified in **SCC.**

6. **Authorized Representatives / Authority of Member in charge**

6.1. Any action required or permitted to be taken, and any document required or permitted to be executed, under this Contract by the Procuring Agency or the Contractor may be taken or executed by the officials specified in the **SCC**.

B. Commencement, Completion, Modification, and Termination of Contract

7. **Effectiveness of Contract**

7.1. This Contract shall come into effect on the date the Contract is signed by both parties and such other later date as may be stated in the **SCC.**

8. **Commencement of Services**

8.1. The Contractor shall confirm availability of required resources and begin carrying out the Services not later than the number of days after the Effective Date specified in the **SCC.**

9. **Program schedule**

9.1. Before commencement of the Services, the Contractor shall submit to the Procuring Agency for approval a Program showing the general methods, arrangements, order and timing for all activities. The Services shall be carried out in accordance with the approved Program as updated.

10. **Starting Date/Expiration Date**

10.1. The Contractor shall start carrying out the Services Five (05) days after the date the Contract becomes effective, or at such other date as may be specified in the **SCC.**

10.2. Unless terminated earlier pursuant to Clause **GCC 14** hereof, this Contract shall expire at the end of such time period after the Effective Date as specified in the **SCC.**

11. **Entire Agreement**

11.1. This Contract contains all covenants, stipulations and provisions agreed by the Parties. No agent or representative of either Party has authority to make, and the Parties shall not be bound by or be liable for, any statement, representation, promise or agreement not set forth herein.

12. **Modification**

12.1. Any modification or variation of the terms and conditions of this Contract, including any modification or variation of the scope of the Services, may only be made by written agreement between the Parties. However, each Party shall give due consideration to any modification(s) or variation(s) made by the other Party.

12.2. In cases of any modification(s) or variation(s), the prior written consent of the Procuring Agency is required.

13. **Force Majeure**

13.1. **Definition**
For the purposes of this Contract, “Force Majeure” means an event which is beyond the reasonable control of a Contractor and which makes a Contractor’s performance of its obligations under the Contract impossible or so impractical as to be considered impossible under the circumstances.

13.2. **No Breach of Contract**
The failure of a Party to fulfill any of its obligations under the contract shall not be considered to be a breach of, or default under, this Contract in so far as such inability arises from an event of Force Majeure, provided that the Party affected by such an event (a) has taken all reasonable precautions, due care and reasonable alternative measures in order to carry out the terms and conditions of this Contract, and (b) has informed the other Party as soon as possible about the occurrence of such an event.

13.3. **Extension of Time**

Any period within which a Contractor shall, pursuant to this Contract, complete any action or task, shall be extended for a period equal to the time during which such Party was unable to perform such action as a result of Force Majeure.

13.4. **Payments**

During the period of their inability to perform the Services as a result of an event of Force Majeure, the Contractor shall be entitled to continue to be paid under the terms of this Contract, as well as to be reimbursed for additional costs reasonably and necessarily incurred by them during such period for the purposes of the Services and in reactivating the Service after the end of such period.

14. **Termination**

14.1. **By the Procuring Agency**

The Procuring Agency may terminate this Contract in case of the occurrence of any of the events specified in paragraphs (a) through (e) of this Clause. In such an occurrence the Procuring Agency shall give at least thirty (30) calendar days' written notice of termination to the Contractor in case of the events referred to in (a) through (d); at least sixty (60) calendar days' written notice in case of the event referred to in (e);

14.1.1. If the Contractor fails to remedy a failure in the performance of its obligations hereunder, as specified in a notice of suspension;

14.1.2. If the Contractor becomes (or, if the Contractor consists of more than one entity, if any of its members becomes) insolvent or bankrupt or enter into any agreements with their creditors for relief of debt or take advantage of any law for the benefit of debtors or go into liquidation or receivership whether compulsory or voluntary;

14.1.3. If the Contractor fails to comply with any final decision reached as a result of arbitration proceedings;

14.1.4. If, as the result of Force Majeure, the Contractor is unable to perform a material portion of the Services for a period of not less than sixty (60) calendar days;

14.1.5. If the Procuring Agency, in its sole discretion and for any reason whatsoever, decides to terminate this Contract;

14.2. **By the Contractor**

The Contractor may terminate this Contract, by not less than thirty (30) calendar days' written notice to the Procuring Agency, in case of the occurrence of any of the events specified in paragraphs (a) through (d) of this Clause.

14.2.1. If the Procuring Agency fails to pay any money due to the Contractor pursuant to this Contract and not subject to dispute within thirty(30) calendar days after receiving written notice from the Contractor that such payment is overdue;

14.2.2. If, as the result of Force Majeure, the Contractor is unable to perform a material portion of the Services for a period of not less than sixty (60) calendar days;

14.2.3. If the Procuring Agency fails to comply with any final decision reached as a result of arbitration;

14.2.4. If the Procuring Agency is in material breach of its obligations pursuant to this Contract and has not remedied the same within thirty(30) days (or such longer period as the Bidder may have subsequently approved in writing) following the receipt by the Procuring Agency of the Contractor's notice specifying such breach.

C. Obligations of the Contractor

15. **General**

15.1. **Standard of Performance**

15.1.1. The Contractor shall perform the Services and carry out the Services with all due diligence, efficiency and economy, in accordance with generally accepted professional standards and practices, and shall observe sound management practices, and employ appropriate technology and safe and effective equipment, machinery, materials and methods. The Contractor shall always act, in respect of any matter relating to this Contract or to the Services, as a faithful adviser to the Procuring Agency, and shall at all times support and safeguard the Procuring Agency's legitimate interests in any dealings with the third parties;

15.1.2. The Contractor shall employ and provide such qualified and experienced Experts and Sub-Contractors as are required to carry out the Services.

15.2. **Law Applicable to Services**

The Contractor shall perform the Services in accordance with the Contract and in accordance with the Law of Pakistan and shall take all practicable steps to ensure that any of its Experts and Sub-Bidders, comply with the Applicable Law.

16. **Conflict of Interests**

16.1. **Contractor Not to Benefit from Commissions and Discounts**

The remuneration of the Contractor shall constitute the Contractor's sole remuneration in connection with this Contract or the Services, and the Contractor shall not accept for their own benefit any trade commission, discount, or similar payment in connection with activities pursuant to this Contract or to the Services or in the discharge of their obligations under the Contract, and the Contractor shall use their best efforts to ensure that the Personnel, any Subcontractors, and agents of either of them similarly shall not receive any such additional remuneration.

16.2. **Contractor and Affiliates Not to be Otherwise Interested in Project**

The Contractor agree that, during the term of this Contract and after its termination, the Contractor and its affiliates, as well as any Subcontractor and any of its affiliates, shall be disqualified from providing Services (other than the Services and any continuation thereof) for any project resulting from or closely related to the Services.

16.3. **Prohibition of Conflicting Activities**

Neither the Bidder nor its Subcontractors nor the Personnel shall engage, either directly or indirectly, in any of the following activities:

16.3.1. during the term of this Contract, any business or professional activities in the Government's country which would conflict with the activities assigned to them under this Contract;

16.3.2. during the term of this Contract, neither the Contractor nor their Subcontractors shall hire public employees in active duty or on any type of leave, to perform any activity under this Contract;

16.3.3. after the termination of this Contract, such other activities as may be specified in the **SCC.**

17. **Insurance to be Taken Out by the Contractor**

17.1. The Contractor(a) shall take out and maintain, and shall cause any Subcontractors to take out and maintain, at its (or the Sub-contractors', as the case may be) own cost but on terms and conditions approved by the Procuring Agency, insurance against the risks, and for the coverage, as shall be specified in the **SCC**; and (b) at the Procuring Agency's request, shall provide evidence to the Procuring Agency showing that such insurance has been taken out and maintained and that the current premiums have been paid.

18. **Contractor's Actions Requiring Procuring Agency's Prior Approval**

18.1. The Contractor shall obtain the Procuring Agency's prior approval in writing before taking any of the following actions:

18.1.1. appointing such members of the Personnel not provided by the Contractor;

18.1.2. changing the Program of activities; and

18.1.3. any other action that may be specified in the **SCC.**

19. **Reporting Obligations**

19.1. The Contractor shall submit to the Procuring Agency the reports and documents in the numbers, and within the periods as prescribed by the Procuring Agency.

20. **Liquidated Damages**

20.1. **Payments of Liquidated Damages**
The Contractor shall pay liquidated damages to the Procuring Agency at the rate per day stated in the **SCC** for each day that the Completion Date is later than the Intended Completion Date. The total amount of liquidated damages shall not exceed the amount defined in the **SCC**. The Procuring Agency may deduct liquidated damages from payments due to the Contractor. Payment of liquidated damages shall not affect the Contractor's liabilities.

20.2. **Correction for Over-payment**
If the Intended Completion Date is extended after liquidated damages have been paid, the Procuring Agency shall correct any overpayment of liquidated damages by the Contractor by adjusting the next payment certificate. The Contractor shall be paid interest on the overpayment, calculated from the date of payment to the date of repayment, at the rates specified in **SCC.**

20.3. **Lack of performance penalty**

If the Contractor has not corrected a Defect within the time specified in the Procuring Agency's notice, a penalty for Lack of performance will be paid by the Contractor. The amount to be paid will be calculated as a percentage of the cost of having the Defect corrected, assessed as specified in the Contractor

21. **Performance Guarantee**

21.1. Within the time stipulated in the acceptance letter from the Procuring Agency, the successful Bidder shall furnish the Performance Guarantee in shape and amount **specified in SCC.**

21.2. The proceeds of the Performance Guarantee shall be payable to the Procuring agency as compensation for any loss resulting from the Service Provider failure to complete its obligations under the Contract.

21.3. The Performance Guarantee shall be denominated in the currency of the Contract, or in a freely convertible currency acceptable to the Procuring agency and shall be in the acceptable form as specified in **SCC**.

21.4. The Performance Guarantee will be discharged by the Procuring agency and returned to the Supplier not later than thirty (30) days following the date of completion of the Service Provider performance obligations under the Contract, including any warranty obligations, unless otherwise **specified in SCC.**

22. **Sustainable Procurement**

22.1. The Contractor shall conform to the sustainable procurement contractual provisions, if and as specified in the **SCC.**

D. Contractor's Personnel

23. **Description of Personnel**

23.1. The titles, agreed job descriptions, minimum qualifications, and estimated periods of engagement in the carrying out of the Services of the Contractor's Key Personnel. The Key Personnel listed by title as well as by name are hereby approved by the Procuring Agency.

24. **Removal and / or Replacement of Personnel**

24.1. Except as the Procuring Agency may otherwise agree, no changes shall be made in the Key Personnel. If, for any reason beyond the reasonable control of the Contractor, it becomes necessary to replace any of the Key Personnel, the Contractor shall provide as a replacement a person of equivalent or better qualifications.

24.2. If the Procuring Agency finds that any of the Personnel have (i) committed serious misconduct or have been charged with having committed a criminal action, or (ii) have reasonable cause to be dissatisfied with the performance of any of the Personnel, then the Contractor shall, at the Procuring Agency's written request specifying the grounds thereof, provide as a replacement a person with qualifications and experience acceptable to the Procuring Agency.

24.3. The Contractor shall have no claim for additional costs arising out of or incidental to any removal and/or replacement of Personnel.

E. Obligations of the Procuring Agency

25. **Change in the Applicable Law**

25.1. If, after the date of this Contract, there is any change in the Applicable Law with respect to taxes and duties which increases or decreases the cost of the Services rendered by the Contractor, then the remuneration and reimbursable expenses otherwise payable to the Contractor under this Contract shall be increased or decreased accordingly by agreement between the Parties, and corresponding adjustments shall be made to the amounts referred in the **SCC.**

26. **Services and Facilities**

26.1. The Procuring Agency shall make available to the Contractor and the Experts, for the purposes of the Services and free of any charge, the services, facilities and property described in the Terms of Reference, at the times and in the manner specified in the Terms of Reference.

26.2. In case that such services, facilities and property shall not be made available to the Contractor, the Parties shall agree on (i) any time extension that it may be appropriate to grant to the Contractor for the performance of the Services, (ii) the manner in which the Contractor shall procure any such services, facilities and property from other sources, and (iii) the additional payments, if any, to be made to the Contractor as a result thereof.

F. Payments to the Contractor

27. **Contract Price**

27.1. The price payable shall be in Pakistani Rupees unless otherwise specified in the **SCC**.

28. **Terms and Conditions of Payment**

28.1. Payments will be made to the Contractor according to the payment schedule stated in the **SCC** and as per actual invoice submitted by the Contractor.

28.2. Unless otherwise stated in the **SCC**, the advance payment shall be made against the provision by the Contractor of a bank guarantee for the same amount, and shall be valid for the period stated in the **SCC.** Any other payment shall be made after the conditions listed in the **SCC** for such payment have been met, and the Contractor have submitted an invoice to the Procuring Agency specifying the amount due.

29. **Quality Control Identifying Defects**

29.1. The principle and modalities of Inspection of the Services by the Procuring Agency shall be as indicated in the **SCC.** The Procuring Agency shall check the Contractor's performance and notify him of any Defects that are found. Such checking shall not affect the Contractor's responsibilities. The Procuring Agency may instruct the Contractor to search for a Defect and to uncover and test any service that the Procuring Agency considers may have a Defect. Defect Liability Period is as defined in the **SCC**.

30. **Correction of Defects, and Lack of Performance Penalty**

30.1. The Procuring Agency shall give notice to the contractor of any Defects before the end of the Contract. The Defects liability period shall be extended for as long as Defects remain to be corrected.

30.2. Every time notice a Defect is given; the contractor shall correct the notified Defect within the length of time specified by the Procuring Agency's notice.

30.3. If the contractor has not corrected a Defect within the time specified in the Procuring Agency's notice, the Procuring Agency will assess the cost of having the Defect corrected, the contractor will pay this amount, and a Penalty for Lack of Performance.

31. **Settlement of Disputes Amicable Settlement**

31.1. The Parties shall use their best efforts to settle amicably all disputes arising out of or in connection with this Contract or its interpretation.

32. **Dispute Settlement**

32.1. After coming into force of the procurement contracts, disputes, between the parties to the contract may be settled by one or more alternate dispute resolution methods including Arbitration. Where an Alternate Dispute Resolution process other than Arbitration may not lead to an amicable settlement of dispute, Arbitration shall be resorted to.

32.2. The procuring agency shall specify mechanism for the appointment of an arbitrator expressly in the contract and the competent authority who shall appoint the arbitrator.

32.3. The laws of Pakistan shall apply to an arbitration unless specifically agreed to otherwise in the contract.

Following is the guidance for Dispute Resolution

i. If any dispute of any kind whatsoever shall arise between the Authority and the Bidder in connection with or arising out of the Contract, including without prejudice to the generality of foregoing, any question regarding its existence, validity, termination and the execution of the Contract – whether during developing phase or after their completion and whether before or after the termination, abandonment or breach of the Contract – the parties shall seek to resolve any such dispute or difference by mutual diligent negotiations in good faith within 14 (fourteen) days following a notice sent by one Party to the other Party in this regard**.**

ii. At future of negotiation the dispute shall be resolved through mediation and mediator shall be appointed with the mutual consent of the both parties**.**

iii. At the event of failure of mediation to resolve the dispute relating to this contract such dispute shall finally be resolved through binding Arbitration by sole arbitrator in accordance with Arbitration Act 1940. The arbitrator shall be appointed by mutual consent of the both parties**.** The Arbitration shall take place in Islamabad, Pakistan and proceedings will be conducted in English language.

iv. The cost of the mediation and arbitration shall be shared by the parties in equal proportion however the both parties shall bear their own costs and lawyer's fees regarding their own participation in the mediation and arbitration. However, the Arbitrator may make an award of costs upon the conclusion of the arbitration making any party to the dispute liable to pay the costs of another party to the dispute**.**

v. Arbitration proceedings as mentioned in the above clause regarding resolution of disputes may be commenced prior to, during or after completion of the contract.

Notwithstanding any reference to the arbitration herein, the parties shall continue to perform their respective obligations under the Contract unless they otherwise agree that the Authority shall pay the Bidder any monies due to the Bidder.

Arbitrator's fee:

The fee shall be specified in Pak Rupees, as determined by the Arbitrator, which shall be shared equally by both parties**.**

Appointing Authority for Arbitrator:

By the Mutual Consent or in accordance with the provisions of Arbitration Act, 1940, in case the parties fail to reach a consensus on the name of sole arbitrator, any party may submit an application to the Chief Justice Islamabad High Court for appointment of sole arbitrator. The Chief Justice IHC may appoint a former judge of any High Court or Supreme Court as the sole arbitrator to resolve the dispute between the parties.

Rules of procedure for arbitration proceedings:

Any dispute between the Authority and a Bidder who is a national of the Islamic Republic of Pakistan arising in connection with the present Contract shall be referred to adjudication or arbitration in accordance with the laws of the Islamic Republic of Pakistan including Arbitration Act 1940, however above provision shall prevail in referring the case to the Arbitrator.

Place of Arbitration and Award:

The arbitration shall be conducted in English language and place of arbitration shall be at Islamabad. The award of the arbitrator shall be final and shall be binding on the parties.

Bid Securing Declaration
