TERMS & CONDITIONS

1. Electronic bid must be submitted on EPAD on or before **05.01.2026 at 11:00 AM** which will be opened on the same day at **11:30 AM** in the presence of tenderers or their representatives who desire to participate.
2. Bid Money of Rs. 600,000/- (in the form of pay order/demand draft made in the name of Pakistan Mineral Development Corporation on account of bidder from any scheduled bank shall accompany the bid/tender. Tender with less or without bid money (in the form of pay order/demand draft) or pay order/demand draft without the name of bidder shall not be considered.

3. Tender without bid money shall not be considered.
4. Tender with over-writing, cutting or conditional or by fax or optional rates shall not be accepted. Unsigned tenders shall not be considered.
5. The successful contractor will sign contract agreement on the approved pattern for of excavation with the PMDC within 10 days of the receipt of acceptance letter.
6. The successful contractor will deposit security money equal to 5% of one year contract value including estimated production target for excavation and transportation with PMDC which will be refunded to him on successful completion of the contract. However, the contractor will not be entitled for any profit/interest on this security deposit.
7. The period of contract will be for one year (further extendable on satisfactory performance) w.e.f date of issuance of work order.
8. The rate offered for transportation will be inclusive of all expenses such as cost of investment, cost of diesel, fuel and all the expenses incidental to all connected with the unloading and transportation of salt.
9. Every tractor-trolley will be weighed at weigh-bridge installed at PMDC Warcha Depot. The contractor will be directly responsible for any short-fall in quantity transported.
10. The quantity of Rock Salt to be transported can be increased or decreased by 10% by the Project Management according to the demand.
11. Loading of tractor-trolley at Jansukh Mines and unloading at Warcha Depot will be responsibility of the contractor while the Olympia Chemical will do unloading at Olympia Chemicals. In case the new depot will be operational during the contract period, the contractor will be responsible for the transportation of rock salt up-to new depot.
12. The contractor shall be responsible for the loading and transportation of good quality rock salt i.e. boulders / lumpy size rock salt and mixing of fines (locally called "soor") will not be acceptable.
13. In case the contractor fails to transport salt according to the assigned target, penalty @ Rs.100/- per tonne will be imposed which will be recoverable from the contractor. The short quantity will be transported at the risk and cost of the contractor.
14. The contractor will have to arrange at-least 04 numbers of trollies for Jansukh Mine No.22 for the above mentioned mines all in good conditions and also will have to submit copies of registration of all these tractor-trollies on the date of opening of tenders.
15. As stated in condition No. 8 above, the rate offered will be inclusive of all expenses such as cost of investment, cost of diesel, fuel and all other expenses incidental to or connected with the loading/unloading and transportation of Salt. PMDC will not take care of any demand/request from the contractor or increase the transportation in any case except the demand is on account of increase in the price of diesel oil. In order to maintain the equity and justice, the PMDC and the contractor should get the benefit/bear burden in a way that in the case of increase the rate of diesel, the contractor should be benefited by allowing in transportation rate in equal proportion. But in the case of decrease in diesel rate, the contractor should bear the burden and PMDC will be benefited by decreasing the transportation rate in equal proportion. For this purpose the prevailing diesel rate on tender opening date will be treated as base rate for revision of the transportation rate, under the contract.

16. Recovery from the carriage bills of the contractor on the basis of actual attendance of the labours as provided by the respective section Incharge will be made on account of EOBI contribution which will be deposited by PMDC on behalf of carriage contractor.
17. It will be the responsibility of PMDC for maintenance of road. However, deduction of Rs.10/- MT will be made for this purpose.
18. The contractor will be required to sign an agreement within 10 days of acceptance of his tender, on the standardized approved format.
19. The excavation contractor is allowed to work from the allotted area of Mine No. 22 (current working level) according to development and exploitation plan, failing which the contract will be terminated.
20. The contractor shall be responsible for all the liabilities under Act, rules, regulations and notification concerning Motor Vehicle, EOBI, cost of living allowance, Minimum Wages,
21. Education cases, Workmen compensation and any benefits allowed by the Federal/Provincial Govt. from time to time.
22. The contractor will be bound to sort out good quality salt as per direction of site management.
23. The weighment carried out at weighment depot Warcha shall be final for all purpose, and the payment made to the contractor each tone received at Depot on monthly basis after deduction of taxes and other recoveries if any.
24. Explosive required by excavation contractor will be provided by PMDC Salt Mines, Warcha from its authorized magazine in such quantity as may be necessary at actual cost plus services charges at the rate of 10% basis on the date of tender which will be considered for the whole contract tenure and total cost will be recovered from the bill of the excavation contractor.
25. The quantity of Rock Salt to be excavated can be increased or decreased by 10% by the Project Management Warcha in writing according to the demand.
26. In case the contractor fails to excavate Rock salt according to the assigned target, Penalty @ Rs.100/-will be imposed for each tone short raised/excavated which will be recoverable from the contractor on monthly basis.
27. In case the contractor fails to fulfill contractual obligations his contract cancelled and security money will be forfeited and the work will be assigned to some other party/firm on the risk and cost of contractor.
28. The contractor will have to under-take all related works such as drivage of mine, maintenance of tunnel, inclines, cross cuts, galleries, air ways, development of Mine faces, dead work, maintenance of tunnel mouth, stone drivage, timbering/roof support, pumping of water from the Mine and electrification of Mines etc.
29. Any unworkable rate appears to have been quoted for dislocation of work will not be considered.

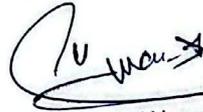

30. The Contractor will follow all the rules & regulations under labour law, payment of wages act, treatment in case of accident or injury during work, recovery made on account of EOBI on actual basis will be deducted from the excavation bills of the contractors. Deduction Rs.13/- per ton as insurance fund will be deducted from the excavation bills of the contractor.
31. Before commencement of work, the contractor will have to arrange medical check-up of the labour on prescribed form and submit medical fitness certificate of each worker along-with copies of CNIC from PMDC hospital / THQ for which all expenses if required will be born by contractor.
32. The contractor shall be bound to carry out work strictly in accordance with the provisions of Mines Act, 1923 and other relevant Rules/Regulations. The contractor shall be responsible to take due care in respect of the person to be engaged and he will provide safety helmets etc. to the labourers to be engaged by him.

Special provisions for HSE:

- a. *The tractor/trolleys deploy for carriage must have double brake system including rear trolleys of the tractors.*
- b. *The 2nd party shall be responsible to get fitness certificate from 1st party's workshop on monthly basis that includes condition of engine health, exhaust gases, integrity of toeing hook, tires, suspension system, braking system, transmission system, rear trolley body, hydraulic jack any other part/system inspection deem necessary by 1st party (PMDC)*
