Outsourcing of Maintenance, Operation and Overhauling of Railway Power Van alongwith DG Sets

Pakistan Railways intends to outsource the Maintenance, Operation and overhauling of DG sets equipped in the Power Vans (Diesel Generating Units to provide electricity to train sets) through Public Private Partnership. In this connection, sealed bids are invited under Two Stage Two Envelope bidding procedure (36-d) as laid down in PPRA Rules, from the firms who are on the Active Taxpayers List (ATL) of the Federal Board of Revenue and registered with Pakistan Engineering Council (PEC) in relevant category are eligible to apply.

Only bids through E-Pak Acquisition and Disposal System (EPADS) will be entertained. Bid security will be submitted before closing of tender physically in tender box in the office of Chief Electrical Engineer. Bidder will upload the complete scanned copy of the bid in EPADS. Bidding documents, containing detailed terms and conditions, can be downloaded from <https://eprocure.gov.pk> free of cost. The tender E-Pad No. is **F-25121464970**.

This advertisement and bidding documents are also available on Pakistan Railways <https://pakrail.gov.pk> and PPRA <https://ppra.org.pk> Websites. The bids prepared in accordance with the instructions in the bidding documents, must be submitted on EPADS.

Bidding documents will be received on **29-12-2025 at 11:00** hours and will be opened on the same date at 11:30 hours, in the Office of Chief Electrical Engineer, Pakistan Railways Headquarter Office Lahore, in the presence of bidders or their representatives who choose to attend.
