Invitation for Bids

Date:	26-12-2025
Loan No. and Title:	4382-PAK & 4383-PAK: Power Transmission Strengthening Project (PTSP)
Contract No. and Title:	ADB-PTSP-04R-2025: Procurement of 220kV Protection, Control, Monitoring, Recording and AC/DC Panels/ Equipment along with Design, Supply, Installation, Testing & Commissioning for Addition of 02 No. 220kV Line Bays at 220kV Nowshera Grid Station
Deadline for Submission of Bids:	16-02-2026, 1400 HRS (Pakistan Standard Time)

1. The Islamic Republic of Pakistan has received the financing from the Asian Development Bank (ADB) toward the cost of **Power Transmission Strengthening Project (PTSP)**. Part of this financing will be used for payments under the contracts named above. Bidding is open to Bidders from eligible source countries of ADB.
2. The National Grid Company of Pakistan - NGC ("the Employer") invites sealed bids from eligible Bidders for the **"Procurement of 220kV Protection, Control, Monitoring, Recording and AC/DC panels/ equipment along with Design, Supply, Installation, Testing & Commissioning for Addition of 02 No. 220kV Line Bays at 220kV Nowshera Grid Station"** ("the Facilities"). The Works shall be executed as mentioned below:

Sr. No	Description	Quantity
1	Procurement of 220kV Protection, Control, Monitoring, Recording and AC/DC Panels/ Equipment along with Design, Supply, Installation, Testing & Commissioning for Addition of 02 No. 220kV Line Bays at 220kV Nowshera Grid Station	Lot

Bidders may submit a bid for the single contract/Lot and discounts offered (if any) in this Tender. Since there is only one contract/Lot, discounts for multiple contracts awards do not apply.

3. Open competitive bidding (international advertisement) will be conducted in accordance with ADB's Single-Stage: One Envelope procedure and is open to all Bidders from eligible countries as described in the Bidding Document.
4. Only eligible Bidders with the following key qualifications defined in the Bidding Document may participate in this bidding:

a) Bidder's contractual Experience

Participation as a contractor, Joint Venture partner, or subcontractor, in at least one contract that has been satisfactorily and substantially completed within the last (ten) 10 years and that is similar to the proposed contract, where the value of the Bidder's participation exceeds the amount mentioned below. The similarity of the Bidder's participation shall be based on:

1. the physical size

2. nature of works
3. complexity, methods
4. technology and
5. other characteristics as described in Section 6, (Employer's Requirements) US\$ 0.24 Million or equivalent.

b) Experience in Key Activities

i) Design & Manufacturing:

The bidder or its proposed subcontractor should have experience of Design and manufacturing of 220kV or higher Protection, Control, Monitoring, Recording and AC/DC Panels/ Equipment similar to the scope as mentioned in Section-6 of BD (Employer's Requirements) during last 10 years against single or multiple contracts and operating satisfactorily for at least three (03) consecutive years as of the bid opening date.

ii) Installation, Testing & commissioning Services:

The bidder or its proposed subcontractor should have experience of Installation, Testing & Commissioning of 220kV or higher Protection, Control, Monitoring, Recording and AC/DC Panels/ Equipment similar to the scope as mentioned in Section-6 of BD (Employer's Requirements) in last 10 years against single or multiple contracts and operating satisfactorily for at least three (03) consecutive years as of the bid opening date.
