1. Introduction

Dear Tenderer:

Thank you for the interest you have shown in response to the IBA's advertisement which has floated on IBA & SSPRA websites and leading newspapers on December 12, 2025, for the Painting Works at City Campus.

The Institute of Business Administration, Karachi (IBA) is the oldest business school outside North America. It was established in 1955 with initial technical support provided by the Wharton School of Finance, University of Pennsylvania. Later, the University of Southern California (USC) set up various facilities at the IBA & several prominent American professors were assigned to the IBA. The course contents, the curriculum, the pedagogical tools & the assessment & testing methods were developed under the guidance of reputed scholars from these two institutions. IBA has zealously guarded the high standards & academic traditions it had inherited from Wharton & USC while adapting and adjusting them with the passage of time.

We expect to avail services/works/items of high standards that meet our prime & basic specifications through this transaction.

Please contact Assistant Manger Procurement on 38104700 ext: 2150 for any information and query
