21.3 Withdrawal of a bid before the validity period of bid security may result the forfeiture of bid security.

## OPENING AND EVALUATION OF BIDS

## 22. **OPENING OF BIDS BY THE PROCURING AGENCY**

22.1 The Procuring Agency will open all bids in the presence of bidders' representatives who choose to attend, at the time, on the date, and at the place specified in the Bid Data Sheet. The bidders' representatives who are present shall sign a register evidencing their attendance.

22.2 The bidders' names, bid modifications or withdrawals, bid prices, discounts, and the presence or absence of requisite bid security and such other details as the Procuring Agency, at its discretion, may consider appropriate, will be announced at the opening.

22.3 No bid shall be rejected at bid opening, except for late bids, which shall be returned unopened to the Bidder pursuant to *ITB Clause 20*.

22.4 Bids (and modifications sent pursuant to *ITB Clause 21.1*) that are not opened and read out at bid opening shall not be considered further for evaluation, irrespective of the circumstances. Withdrawn bids will be returned unopened to the bidders.

22.5 The Procuring agency will prepare minutes of the bid opening.

## 23. **CLARIFICATION OF BIDS**

23.1 During evaluation of the bids, the Procuring Agency may, at its discretion, ask the Bidder for a clarification of its bid. The request for clarification and the response shall be in writing, and no change in the prices or substance of the bid shall be sought, offered, or permitted.

## 24. **PRELIMINARY EXAMINATION**

24.1 The Procuring Agency will examine the bids to determine whether they are complete, whether any computational errors have been made, whether required sureties have been furnished, whether the documents have been properly signed, and whether the bids are generally in order.

24.2 Arithmetical errors will be rectified on the following basis. If there is a **discrepancy** between the unit price and the total price that is obtained by multiplying the unit price and quantity, **the unit price shall prevail**, and the total price shall be corrected. If the Supplier does not accept the correction of the errors, its bid will be rejected, and its bid security may be forfeited. If there is a discrepancy between words and figures, the **amount in words will prevail**.

24.3 The Procuring Agency may waive any minor informality, nonconformity, or irregularity in a bid which does not constitute a material deviation, provided such waiver does not prejudice or affect the relative ranking of any Bidder.

# Sindh Emergency Rescue Service (Rescue 1122)

- 24.4 Prior to the detailed evaluation, (pursuant to *ITB Clause 25*) the Procuring Agency will determine the substantial responsiveness of each bid to the bidding documents. For purposes of these Clauses, a substantially responsive bid is one which conforms to all the terms and conditions of the bidding documents without material deviations. Deviations from, or objections or reservations to critical provisions, such as those concerning Bid Security, Applicable Law, Taxes and Duties, will be deemed to be a material deviation. The Procuring Agency's determination of a bid's responsiveness is to be based on the contents of the bid itself without recourse to extrinsic evidence.
- 24.5 If a bid is not substantially responsive, it will be rejected by the Procuring Agency and may not subsequently be made responsive by the Bidder by correction of the nonconformity.

## 25. ***EVALUATION AND COMPARISON OF BIDS***

- 25.1 The Procuring Agency will evaluate and compare the bids which have been determined to be substantially responsive, (pursuant to *ITB Clause 24 & 30*).
- 25.2 The Procuring Agency's evaluation of a bid will be on delivered duty paid (DDP) inclusive of prevailing duties/taxes and will exclude any allowance for price adjustment during the period of execution of the contract, if provided in the bid.

## Software Management:

- Ensure that operating systems, applications, and software frameworks are up to date with the latest security patches and updates.
- Install and configure software applications as required by the Client.
- Uninstall unnecessary or outdated software to optimize system performance.

## Network Infrastructure:

- Monitor and maintain the network infrastructure, including routers, switches, firewalls, and access points.
- Optimize network performance, addressing any bottlenecks or connectivity issues.
- Implement security measures to protect the network from cyber threats through existing Firewalls.

## Data Backup and Recovery:

- Regularly back up critical data and ensure the backups are functioning correctly in existing Storage capacity.
- Test the data recovery process to ensure that data can be restored in the event of data loss or system failure.

## Security and Compliance:

- Implement and update security protocols and measures to safeguard against malwares and unauthorized access.
- Conduct regular security audits to identify vulnerabilities and address them promptly.

## User Support and Training:

- Provide technical support to users, addressing hardware and software issues of CRM and Call center Agent app promptly (Third party software not included).
- Offer training sessions (quarterly basis) to help users make the most of the IT equipment and software available to them.

# Sindh Emergency Rescue Service (Rescue 1122)

## Capacity Planning:

- Monitor resource usage (CPU, memory, storage) and plan for future capacity needs based on projected growth.

## Documentation and Reporting:

- Maintain records of all IT equipment (as per contract), configurations, and changes made.
- Generate regular reports on system health, performance, and any major failure.

## Project Management:

- Plan and execute schedule maintenance activity, such as infrastructure/firmware upgrades, system migrations, or software configuration/implementations.
- The services may extend for another 2 years, if mutually agreed on satisfactory performance of the contractor during first year.

## Deliverables:

- 24/7 technical support
- Monthly SLA and performance reports
- Preventive maintenance schedules
- Security audit and compliance reports

## Service Level Agreement (SLA):

- System uptime: **≥ 99.5%**
- Critical fault resolution: **within 6–8 hours**
- Non-critical fault resolution: **within 24 hours**

## Confidentiality:

All data and systems shall remain the property of Rescue-1122.
