FOR SINDH JIB PORTAL BY INFORMATION DEPARTMENT

Imaan, Hadi convicted

The Islamabad High Court (IHC) on Wednesday fixed for hearing the appeals of human rights lawyer advocate Imaan Mazari and her husband Hadi Ali Chattha against their conviction in the controversial social media posts case.

According to the cause list issued by the registrar's office, IHC Justice Muhammad Asif will take up the appeal on Thursday (February 19).

The court also scheduled for hearing applications seeking the suspension of sentence awarded to the two lawyers.

Last month, Imaan and Hadi were handed total of 17 years in jail on multiple charges under the Prevention of Electronic Crimes Act (Peca) by sessions court in Islamabad, sparking outrage among rights groups, opposition parties and other segments of society.

The written order by Additional District Judge Muhammad Afzal Majid said the prosecution has proved its case against Imaan and Hadi under Sections 9 (glorification of an offence), 1 (cyberterrorism) and 26-A (false information) of Peca. Under Section 9 of Peca, both were sentenced to five years of rigorous imprisonment and fine of Rs5 million each, with an additional year in default. For Section 10, they were each handed 10 years' rigorous imprisonment and fine of Rs30m, with two months in default. Under Section 26-A, they received two years rigorous imprisonment and a fine of Rs1m each with an additional six months additional jail time in case of non-payment. The sentences will run concurrently.

On Feb 7, the court had challenged the trial court's order. In their appeals, the couple contended that the impugned judgment violated in blatant violation of settled legal principle and mandatory procedural requirements.

They argued that the trial court proceeded to pronounce the verdict despite the fact that they had not sought an application for a stay of the case pending adjudication before the IHC, rendering the decision "unlawful and without jurisdiction."

On January 29, the International Commission of Jurists (ICJ) and its partner organisations published a joint statement condemning the "arbitrary arrest" and conviction of the lawyers, calling for their release.
