The addendum shall be sent to all Consultants and will be binding on them. Consultants shall acknowledge receipt of all amendments. To give Consultants reasonable time in which to take an amendment into account in their Proposals the Procuring Agency may, If the amendment is substantial, extend the deadline for the submission of Proposal.

**9.Preparation of Proposals**

- 9.1 In preparing their Proposal, Consultants are expected to examine Proposal detail(s) in the documents comprising the RFP. Material deficiencies (deviation from scope, experience and qualification of personnel) in providing the information requested may result in rejection of a Proposal.
- 9.2 The estimate number of professional staff months or the budget required for executing the assignment should be shown in the datasheet, but not both. However, proposal shall be based on the professional staff month or budget estimated by the consultant.

**10.Language**

The Proposal as well as all related correspondence exchanged by the Consultants and the Procuring Agency shall be written in English However it is desirable that the firm's Personnel have a working knowledge of the national and regional languages of Islamic Republic of Pakistan.

**11.Technical Proposal Format and Content**

- 11.1 While preparing the Technical Proposal, consultants must give particular attention to the following:
- (i) For assignments on a staff-time basis, the estimated number of professional staff-months is given in the Data Sheet. The proposal shall, however, be based on the number of professional staff-months estimated by the firm.
  - (ii) It is desirable that the majority of the key professional staff proposed be permanent employees of the firm or has an extended and stable working relationship with it.
  - (iii) Proposed professional staff must, at a minimum have the experience indicated in the Data Sheet, preferably working under similar geographical condition.
  - (iv) Alternative professional staff shall not be proposed and only one curriculum Vitae (CV) shall submit for each position.
- 11.2 The Technical Proposal shall provide the following information using the attached Standard Forms (Section 2):
- (i) A brief description of the consultant organization and an outline of recent experience on assignments of a similar nature. For each assignment, the outline should indicate, interalia, the profiles of the staff, duration of the

assignment, contract amount, and firm's involvement.

- (ii) Any comments or suggestions on the Terms of Reference and on the data, a list of services, and facilities to be provided by the PA.
- (iii) The list of the proposed staff teams by speciality the tasks that would be assigned to each staff team member and their timing.
- (iv) CVs recently signed by the proposed professional staff and the authorized representative submitting the proposal. Key information should include number of years working for the consultant and degree of responsibility held in various assignments during last 5 years.
- (v) Estimates of the total staff input (professional and support staff; staff time) needed to carry out the assignment, supported by bar chart diagrams showing the time proposed for each professional staff team member.
- (vi) A detailed description of the proposed methodology, work plan for performing the assignment, staffing, and monitoring of training, if the Data Sheet specifies training as a major component of the assignment.
- (vii) Any additional information requested in the Data Sheet.

11.3 The Technical Proposal shall not include any financial information.

**12.Financial Proposals**

12.1 The Financial Proposal shall be prepared using the attached Standard Forms (Section 3). It shall list all costs associated with the assignment, including (a) remuneration for staff (in the field and at the Consultants' office), and (b) reimbursable expenses indicated in the Data Sheet (if applicable). Alternatively Consultant may provide their own list of cost. If appropriate, these costs should be broken down by activity. All activities and items described in the Technical Proposal must be priced separately; activities and items described in the Technical Proposal but not priced, shall be assumed to be included in the prices of other activities or items.

**13.Taxes**

13.1 The Consultant will be subject to all admissible taxes including stamp duty and service charges at a rate prevailing on the date of contract agreement unless exempted by relevant tax authority.

**14.Submission, Receipt, and Opening of Proposals**

14.1 Proposal shall contain no interlineations or overwriting. Submission letters for both Technical and Financial Proposals should respectively be in the format of TECH-1 of Section 2, and FIN-1 of Section 3. All pages of the original Technical and Financial Proposals will be initialed by an authorized representative of the Consultants (Individual Consultant). The authorization shall be in the form of a written power of attorney accompanying the Proposal.

14.2 All required copies of the Technical Proposal are to be made from the original. If there are discrepancies between the original and

The copies of the Technical Proposal, the original governs.

14.3 The original and all copies of the Technical Proposal shall be placed in a sealed envelope clearly marked "TECHNICAL PROPOSAL". Similarly, the original Financial Proposal shall be placed in a sealed envelope clearly marked "FINANCIAL PROPOSAL" followed by name of the assignment, and with a warning "DO NOT OPEN WITH THE TECHNICAL PROPOSAL. "If the Financial Proposal is not submitted in a separate sealed envelope duly marked as indicated above, this will constitute grounds for declaring the Proposal non-responsive.

14.4 The Proposals must be sent to the address indicated in the Data Sheet and received by the PA no later than the time and the date indicated in the Data Sheet, or any extension to this date. Any proposal received by the PA after the deadline for submission shall be returned unopened. In order to avoid any delay arising from the postal or PA's internal dispatch workings, Consultants should ensure that proposals to be sent through couriers should reach a day before the deadline for submission.

**15. Proposal Evaluation**

15.1 From the time the Proposals are opened to the time the Contract is awarded, the Consultants should not contact the PA on any matter related to its Technical and/or Financial Proposal. Any effort by Consultants to influence the PA in the examination, evaluation, ranking of Proposals, and recommendation for award of Contract may result in the rejection of the Consultants' Proposal.

Evaluators of Technical Proposals shall have no access to the Financial Proposals until the technical evaluation is concluded.

**16. Evaluation of Technical Proposal**

16.1 Notwithstanding any method used pursuant to Rule 36 (a-d) of PPR 2010, the evaluation committee shall evaluate the Technical Proposals on the basis of their responsiveness to the Terms of Reference, applying the evaluation criteria, sub criteria, and point system specified in the Data Sheet. Each responsive Proposal will be given a technical score (St). A Proposal shall be rejected at this stage if it fails to achieve the minimum technical score indicated in the Data Sheet.

Public Opening and Evaluation of Financial Proposals:(Quality and Cost based Selection QCBS Method)

16.2 After the technical evaluation is completed, the PA shall notify in writing Consultants that have secured the minimum qualifying marks, the date, time and location, allowing a reasonable time, for opening the Financial Proposals, Consultant' attendance at the opening of Financial Proposals is optional.

Financial Proposals of those consultants who failed to secure minimum qualifying marks shall be returned un opened.

**17. Evaluation of Financial Proposals**

17.1 In QCBS and Least Cost, Financial Proposals shall be opened publicly in the presence of the Consultants' representatives who choose to attend. The name of the Consultants and the technical

scores of the Consultants shall be read aloud. The Financial Proposal of the Consultants who met the minimum qualifying mark will then be inspected to confirm that they have remained sealed and unopened. These Financial Proposals shall be then opened, and the total prices read aloud and recorded.

17.2 The Evaluation Committee will correct any computational errors. When correcting computational errors, in case of discrepancy between a partial amount and the total amount, or between word and figures the formers will prevail. In addition to the above corrections, activities and items described in the Technical Proposal but not priced, shall be assumed to be included in the prices of other activities or items.

17.3 The lowest evaluated Financial Proposal ( $F_m$ ) will be given the maximum financial score ( $S_f$ ) of 100 points. The financial scores ( $S_f$ ) of the other Financial Proposals will be computed as indicated in the Data Sheet. Proposals will be ranked according to their combined technical ( $S_t$ ) and financial ( $S_f$ ) scores using the weights ( $T$  = the weight given to the Technical Proposal;  $P$  = the weight given to the Financial Proposal;  $T + P = 1$ ) indicated in the Data Sheet:  $S = S_t \times T\% + S_f \times P\%$ . The firm achieving the highest combined technical and financial score will be invited for negotiations.

**When QCBS  
method is used**

- (i) Following completion of evaluation of technical and financial proposals, final ranking of the proposals will be determined. This will be done normally by applying a weight specified in the datasheet i.e.(90%:10 %,80%:20%or70%:30%) respectively to the technical and financial score of each evaluated qualifying technical and financial proposal and then computing the relevant combined total score for each Consultant. After such final ranking, the first ranked Consultant will be invited for contract negotiation.
- (ii) If a maximum budget is specified in the data sheet, financial proposals must be within such maximum budget. If any proposal is exceeding such maximum budget, such proposal will be held non-responsive and will be given a zero score. In such cases, if the firm submitting a financial proposal exceeding the maximum budget still obtains the highest combined score in final ranking, this winning firm will be advised, as a condition of contract negotiation, to reduce the financial proposal to the maximum budget without compromising the TOR for the assignment (and without modification of proposed unit rates).
- (iii) If an estimated budget is specified in the data sheet, a financial proposal may exceed such estimated budget, if considered necessary by the firm submitting the financial proposal. In such cases if the firm submitting the financial proposal exceeding the estimated budget still obtains the highest combined score in final ranking, this winning firm may be advised, as a condition of contract negotiation, to reduce the financial proposal to such estimated budget without compromising. The TOR for the assignment(and without Modification of the proposed unit rates).

- 18.Negotiations** 18.1 Negotiations will be held at the date and address indicated in the Data Sheet. The invited Consultant will, as a pre-requisite for attendance at the negotiations, confirm availability of all Professional staff. Failure in satisfying such requirements may result in the PA proceeding to negotiate with the next-ranked Consultant. Representatives conducting negotiations on behalf of the Consultant must have written authority to negotiate and conclude a Contract.
- 19.Technical Negotiations** 19.1 Technical Negotiations will include a discussion of the Technical Proposal, the proposed technical approach and methodology, work plan, organization and staffing, and any suggestions made by the Consultant to improve the Terms of Reference. The PA and the Consultants will finalize the Terms of Reference, staffing schedule, work schedule, logistics, and reporting. These documents will then be incorporated in the Contract as "Description of Services". Minutes of negotiations, which will be signed by the PA and the Consultant, will become part of Contract Agreement.
- 20.Financial Negotiations** 20.1 If applicable, it is the responsibility of the Consultant, before starting financial negotiations, to contact the local tax authorities to determine the tax amount to be paid by the Consultant under the Contract. The financial negotiations will include a clarification (if any) of the firm's tax liability, and the manner in which it will be reflected in the Contract; and will reflect the agreed technical modifications in the cost of the services. Consultants will provide the PA with the information on remuneration rates described in the Appendix attached to Section 3 (i.e. Financial Proposal - Standard Forms of this RFP.
- 21.Availability of Professional staff/experts** 21.1 Having selected the Consultant on the basis of, among other things, an evaluation of proposed Professional staff, the PA expects to negotiate a Contract on the basis of the Professional staff named in the Proposal. Before contract negotiations, the PA will require assurances that the Professional staff will be actually available. The PA will not consider substitutions during contract negotiations unless both parties agree that undue delay in the selection process makes such substitution unavoidable or for reasons such as death or medical incapacity. If this is not the case and if it is established that Professional staff were offered in the proposal without confirming their availability, the Consultant may be disqualified. Any proposed substitute shall have equivalent or better qualifications and experience than the original candidate and be submitted by the Consultant within the period of time specified in the letter of invitation to negotiate.
- 22.Award of Contract** 22.1 After completing negotiations, the Procuring Agency shall award the Contract to the selected Consultant and within seven days of the award of contract, Procuring Agency shall publish on the website of the Authority and on its own website, if such a website exists, the result of the bidding process, identifying the bid through procuring identifying number, if any and the following information, evaluation report, form of contract and letter of award, bill of quantity or schedule of requirement, as the case maybe.

22.2 After publishing of award to contract consultant required submitting a performance security at the rate indicated in data sheet.

22.3 The Consultant is expected to commence the assignment on the date and at the location specified in the Data Sheet.

**23. Confidentiality**

23.1 Information relating to evaluation of Proposals and recommendations concerning awards shall not be disclosed to the Consultants who submitted the Proposals or to other persons not officially concerned with the process, until the publication of the award of Contract. The undue use by any Consultant of confidential information related to the process may result in the Rejection of its Proposal.

**APPENDIX.FINANCIALNEGOTIATIONS-BREAKDOWNOF REMUNERATION RATES**

(Not to be used when cost is a factor in the evaluation of Proposals)

1. Review of Remuneration Rates

The remuneration rates for staff are made up of salary, social costs, overhead, free that is profit, and any premium or allowance paid for assignment away from headquarters. To assist the firm in preparing financial negotiations, a sample form giving a breakdown of rate is attached (no financial information should be included in the Technical Proposal). Agreed breakdown sheets shall form part of the negotiated contract.

The PA is charged with the custody of funds from Government of Sindh and is expected to exercise prudence in the expenditure of these funds. The PA is, therefore, concerned with the reasonableness of the firm's Financial Proposal, and during negotiations, it expects to be able to review audited financial statements backing up the firm's remuneration rates, certified by an independent auditor. The firm shall be prepared to disclose such audited financial statements for the last three years, to substantiate its rates, and accept that its proposed rates and other financial matters are subject to scrutiny. Rate details are discussed below.

**(i) Salary**

This is the gross regular cash salary paid to the individual in the firm's home office. It shall not contain any premium for work away from headquarters or bonus

**(ii) Social Costs**

Social costs are the costs to the firm of staff's non-monetary benefits. These items include, inter alia, social security including pension, medical and life insurance costs, and the cost of a staff member being sick or on vacation. In this regard, the cost of leave for public holidays is not acceptable social cost nor is the cost of leave taken during an assignment if no additional staff replacement has been provided. Additional leave taken at the end of an assignment in accordance with the firm's leave policy is acceptable as a social cost.

**(iii) Cost of leave**

The principles of calculating the cost of total days leave per annum as a percentage of basic salary shall normally be as follows:

$$\text{Leave cost as percentage of Salary}^1 = \frac{\text{Total days Leave} \times 100}{365 - w - ph - v - s}$$

**1**

Where w= Weekends, ph=Public Holidays, v=Vacation, and S=sick leave

It is important to note that leave can be considered a social cost only if the PA is not charged for the leave taken.

**(iv) Overheads**

Overheads expenses are the firm's business costs that are not directly related to the execution of the assignment and shall not be reimbursed as separate items under the contract. Typical items are home office costs (partner's time, no billable time, time of senior staff monitoring the project, rent, support staff, research, staff training, marketing, etc.) the cost of staff not currently employed on revenue earning projects taxes on business activities and business promotion costs. During negotiations, audited financial statements, certified as correct by an independent auditor and supporting the last three years' overheads, shall be available for discussion, together with detailed lists of items making up the overheads and the percentage by which each relates to basic salary. The PA does not accept and add -on margin for social charges, over head expenses, etc., for staff who are not permanent employees of the firm. In such case, the firm shall be entitled only to administrative cost and fee on the monthly payments charged for subcontracted staff.

**(v) Fee or Profit**

The fee or profit shall be based on the sum of the salary, social costs, and overhead. If any bonuses paid on a regular basis are listed, a corresponding reduction in the profit element shall be expected. Fee or profit shall not be allowed on travel or other reimbursable expenses, unless in the latter case as unusually large amount of procurement of equipment is required. The firm shall note that payments shall be made against an agreed estimated payment schedule as described in the draft form of the contract.

**(vi) Away from Head quarters Allowance or Premium**

Some Consultants pay allowances to staff working away from headquarters. Such allowances are calculated as a percentage of salary and shall not draw over heads for profit.

**(vii) Subsistence Allowances**

Subsistence allowances are not including in the rates, but are paid separately and in local currency. No additional subsistence is payable for dependents the subsistence rate shall be the same for married and single team members. Standard rates for the particular country may be used as reference to determine subsistence allowance.

**2. Reimbursable expenses**

The financial negotiations shall further focus on such items as out of pocket expenses and other reimbursable expenses, these cost may include, but are not restricted to, cost of surveys, equipments, office rent, supplies, international and local travel, compute rental, mobilization and demobilization, insurance, and printing. These costs may be either unit rates or reimbursable on the presentation of invoices, in foreign or local currency.

**3. PA Guarantee**

Payments to the firm, including payment of any advance based on cash flow projections covered by a PA guarantee, shall be made according to an agreed estimated schedule ensuring the consultant regular payments in local and foreign currency, as long as the services proceed as planned.
