- (C) In the event of any of the above courses being adopted by the Town Committee Sarhari / procuring Agency the contractor shall have.

iii No claim to compensation for any loss sustained by him by reason of this having purchased or procured or procured any materials or entered into any engagements or made any advance an account of or with view to the execution of the work or the performance of the contact.

Iv However the contractor con claim for the work done at site duly certified by the Town Committee Sarhari in writing regarding the performance of such work and has not been paid.

Procuring Agency / Town Committee Sarhari may invite fresh bids for remaining work.

Clause :- 4 Possession Of The Site And Claims For Compensation For Delay . The Engineer shall give possession of all parts of the site to the contractor. If possession of site is not give by the date stated in the contract data. No compensation shall be allowed for any delay caused in starting of the work on a account of any acquisition of water standing in borrow pits/ compartments or in according sanction to estimates. In such case either date of commencement will be changed or period of completion is to be extended accordingly.

Clause :- 5 Extension Of Intended Completion Date. The procuring Agency either at its own initiatives before the date of completion or on desires of the contract any extended the intended completion date if an event (which hinders the execution of contract) occur or a variation order is issued which makes it impossible to complete the work by the intended complete date for such period as he may think necessary or proper the decision of the Town Committee Sarhari in the matter shall be final where time has been extended under this or any other clause of this agreement the date for completion of the work shall be the date fixed by the order giving the extension or by the aggregate of all such orders made under this agreement.

When time has been extended as aforesaid it shall continue to be the essence of the contract and all clauses of the contract shall continue to be operative during the extended period.

Clause :- 6 Specifications. The Contractor shall execute the whole and every part of the work in the most substantial and work man like manner and both regards materials and all other matter in strict accordance with the specifications lodged in the office f the District Engineer, District Council Sanghar Town Committee Sarhari and initialed by the parties the said specification being a part of the Contract the contactor shall also confirm exactly fully and faithfully to the designs framing and instructions in writing relating to the work signed by the Engineer -In Charge and lodge in his office and to which the contractor shall be entitled to have access at such office or on the site of work for the purpose of inspection during office hours and the contractor shall if he so requires be entitled at his own expense to make or cause to be made copies of the specifications and of all such designs drawings and instructions as aforesaid.

Clause :- 7 Payments

(A) Interim / Running Bill A bill shall be submitted by the contractor as frequently as the progress of the work may justify for all work executed not included in any previous bill at least once in a moth and the Engineer - I - Charge shall take or cause to be taken the requisites measurements for the purpose of having the same verified and the claim as for admissible adjusted if possible before the expiry of 10days from the presentation of bill at any depute a subordinate to measure up the said work in the presence of the contractor or his authorized agent whose countersignature to the measurement list will be sufficient to warrant and the Engineer -In - Charge may prepare a bill from such list which shall be binding on the contactor in all respects.

The engineer / procuring Agency shall pass / certif. the amount to be paid to the contractor which he considers due and payable in respect subject to deduction of security deposit advance payment if any made by him and taxes.

All such intermediate payment shall be regarded as payment by way of advance against the final payment only and not as payment work actually done completed and shall not preclude the Engineer -in -Charge recoveries from final bill and rectification of defects and unsatisfactory items of works pointed out during defect liability period.

(B) The Final Bill. A bill shall be submitted by the contractor within one month of the date fixed for the completion of the work otherwise Engineer -In -Charge 's certificate of the measurements and of the total amount payable for works shall be final and binding on all parties.

Clause -: 8 Reduced Rates. In cases where the items of work are not accepted as so completed the Engineer -In - Charge may make payment on account of such items such at reduced rates as he may consider reasonable in the preparation of final or on running account bills with recorded in writing .

Clause -: 9 Issuance of variation and repeat order.

(A) Agency may issue a variation order for procurement of works. Physical services from the original contractor to cover any increase or decrease in quantities including the instruction of new work items that are either due to change of plans design or alignment to suit actual field conditions within the general scope and physical boundaries of the contract.

(B) Contractor shall not perform a variation until the procuring Agency has authorized the variation in writing subject to the limit not exceeding the contract cost by 15% on the same conditions In all respects on which he agreed to do them in the work and at the same rates as are specified in the tender for the main work the contractor has no right to claim for compensation by reason of alternations or curtailment of the work.

(C) in case the nature of the work in the variation does not correspond with items in the Bill of Quantities the quotation by the contractor is to be in the form of new rates for the relevant items of work and if the Engineer -In - Charge is satisfied that the rate quoted is within the rate worked out by him on detailed rate analysis and then only he shall allow him that rate after approval from higher authority.

(D) The items for the completion of the work shall extend in the proportion that the additional work bears to the original contract work.

(E) In case of quantities of work executed result the initial Contract price to be exceeded by more than 15% and then Engineer can adjust the for those quantities causing excess the cost of Contract to be beyond 15% after approval of Superintending Engineer.

(F) Repeat order. Any cumulative variation beyond the 15% of initial contract amount shall be subject to another contract to be tendered out if the works are separable from the original contract

Clause -: 10 Quality Control.

(A) **Identifying Defects;-** If at any time before the security deposit is refunded to the contractor/ during defect liability period mentioned in bid data the Engineer – in –Charge or his subordinate –in-Charge of the work may instruct the contractor to uncover and test any party of the works which he considers may have a defect due use of unsound materials or unskillful workshop and the contractor has to carry out a test at his own cost irrespective of work already approved of paid.

(B) **Correction of Defects:** the contractor shall be bound forthwith to rectify or remove and reconstruct the work so specified in whole or in part as the case may require the contractor shall correct the notified defect within the defects Correction period mentioned in notices

(C) **Uncorrected Defects;**

I In the case of any such failure the Engineer –In Charge shall give the contractor at least 14 days notice of this intention to use a third party to a defect . he may rectify or remove and re-execute the work or remove and replace the materials or articles complained of as the may be at the risk and expense in all respects of the contractor.

Ii if the Engineer considers that rectification / correction of a defect is not essential and it may be accepted or made use of it shall be within discretion to accept the same at such reduced rates as he may fix therefore.

Clause -: 11

(A) **Inspection of Operations .** the Engineer and his subordinates shall reasonable times have access to the site for supervision and inspection of work under or in course of execution in pursuance of the contract and the contractor shall afford every facility for and every assistance in obtaining the right to such access

(B) **Dates for inspection and testing .** the Engineer shall give the contractor reasonable notice of the intention of the engineer – in - Charge or his subordinate to visit the work shall have been give to the contractor then he either himself be present to receive orders and instruction or have a responsible agent duly accredited in writing present for that purpose orders gives to the contractor' s duly authorized agent shall be considered to have the same force an effect as if they had been given to the contractor himself.

Clause -: 12 Examination of work before covering up.

(A) No part of the work s shall be covered up out of view / beyond the read without giving notice of not less than 5 days to the Engineer whenever any part works or foundations is or are ready or about to be ready for examination and the Engineer without delay unless he considers it unnecessary and advises the contractor accordingly attend for the purpose of examining and measuring such part of the works or of examining such foundations.

(B) If any work is covered up or placed beyond the reach of measurement without notice having been given the same shall be uncovered

at the contractor's expense and in default thereof no payment or allowance shall be made for such work or for the materials with the same was executed.

Clause -: 13 Risks. The contractor shall be responsible for all risks of loss of or damage to physical property or facilities or related services at the premises and if personal injury and death which arise during and in consequence of its performance of the Contract if any damage is caused while the work is in progress or become apparent within three months of the grant of the certificate of completion final or otherwise the contractor shall make good the same at his own expense or in default the Engineer may cause the same to be made good by other workmen and deduct the expenses from retention money lying with Engineer.

Clause -: 14 Measures for prevention of fire and safety measures. The contractor shall not set fire to any standing jungle trees bush- wood or grass without a written permit from the Assistant Engineer When such permit is given and also in all cases when destroying cutting or supporting trees bush wood grass etc by fire the contractor shall take necessary measures to prevent such fire spreading to or otherwise damaging surrounding property the contractor is responsible safety of all its activities i/c protection of the environment on and off the site compensation of all damage done intentionally or negligently on or off the site by the contractor's labour shall be paid by him.

Clause -: 15 Sub- Contracting. The contractor shall not subcontract the whole of the works except where otherwise provided by the contract . the contractor shall not subcontract any part of the work without the prior consent if the Engineer any such consent shall not relieve the contractor from any liability or obligation under the contract and he shall be responsible for the acts defaults and neglects of any subcontractor his agent servants or workmen as if these acts default or neglects were those of the contractor his agents servant or workmen the provisions of this contract shall apply to such subcontractor or his employees as if he or it were employees of the contractor.

Clause -: 16 Disputes. All disputes arising in connection with the present contract and which cannot be amicably settled between the parties the decision of the superintending Engineer of the circle / officer / one grade higher to awarding authority shall be final conclusive and binding on all parties to the contract upon all question relating to the meaning of the specifications designed drawings and instructions herein before mentioned and as to the quality workmanship or materials used in the work or as to any other questions claim right matter or thing whatsoever in any way arising out of or relating to the

contract design drawings specifications estimates instructions order or these conditions or otherwise concerning the works or the execution of failure to execute the same where arising the progress of the work or after the competition abandonment thereof.

Clause -: 17 Site Clearance . On completion of the the work the contractor shall be furnished with certificate by the Assistant Engineer (here in after called the Engineer- In- Charge) of such completion but neither such certificate shall be given not shall the work considered to complete until the contractor shall have removed all temporary structures and materials brought at site for use or for operation facilities i/c cleaning debris and dirt at the site . if the contractor fails to comply with the requirements of this clause then Engineer -in Charge may expense of the contractor remove and dispose of the same as he thinks fit and shall deduct the amount of all expenses so incurred from the contractor's retention money . the contractor shall have no claim in respect of any surplus materials as aforesaid except for any sum actually realized by the sale thereof.

Clause -: 18 Financial Assistant / Advance Payment.

(A) **Mobilization advance** is not allowed.

(B) **Secured Advance against materials brought at site.**

I Secured Advance may be permitted only against imperishable materials / quantities anticipated to be consumed / utilized on the work within a period of three months from the date of issue of secured advance and definitely not for full quantities of materials for the entire work / contract. The sum payable for such materials on site shall not exceed 75% of the market price of materials.

Ii Recovery of secured Advance paid to the contractor under the above provisions shall be affected from the monthly payments on actual consumption basis not later than period more than three months (even if un-utilized).

Clause -: 19 Recovery as arrears of land revenue . Any sum due to the Government by the contractor shall be liable for recovery as arrears of land revenue .

**DECLARATION OF FEES, COMMISSION AND BROKERAGE
ETC PAYABLE BY CONTRACTORS
(FOR CONTRACTS WORTH RS. 2.5 MILLION)**

Contract No. _____ Dated _____ Contract Value: _____
Contract Title: _____

..... [name of Contractor] hereby declares that it has not obtained or induced the procurement of any contract, right, interest, privilege or other obligation or benefit from Government of Sindh (GoS) or any administrative subdivision or agency thereof or any other entity owned or controlled by it (GoS) through any corrupt business practice.

Without limiting the generality of the foregoing, [name of Contractor] represents and warrants that it has fully declared the brokerage, commission, fees etc. paid or payable to anyone and not given or agreed to give and shall not give or agree to give to anyone within or outside Pakistan either directly or indirectly through any natural or juridical person, including its affiliate, agent, associate, broker, consultant, director, promoter, shareholder, sponsor or subsidiary, any commission, gratification, bribe, finder's fee or kickback, whether described as consultation fee or otherwise, with the object of obtaining or inducing the procurement of a contract, right, interest, privilege or other obligation or benefit in whatsoever form from, from Procuring Agency (PA) except that which has been expressly declared pursuant thereto.

[name of Contractor] accepts full responsibility and strict liability that it has made and will make full disclosure of all agreements and arrangements with all persons in respect of or related to the transaction with PA and has not taken any action or will not take any action to circumvent the above declaration, representation or warranty.

[name of Contractor] accepts full responsibility and strict liability for making any false declaration, not making full disclosure, misrepresenting facts or taking any action likely to defeat the purpose of this declaration, representation and warranty. It agrees that any contract, right, interest, privilege or other obligation or benefit obtained or procured as aforesaid shall, without prejudice to any other rights and remedies available to PA under any law, contract or other instrument, be voidable at the option of PA.

Notwithstanding any rights and remedies exercised by PA in this regard, [name of Supplier/Contractor/Consultant] agrees to indemnify PA for any loss or damage incurred by it on account of its corrupt business practices and further pay compensation to PA in an amount equivalent to ten times the sum of any commission, gratification, bribe, finder's fee or kickback given by [name of Contractor] as aforesaid for the purpose of obtaining or inducing the procurement of any contract, right, interest, privilege or other obligation or benefit in whatsoever form from PA.
