Section III.
Special Conditions of Contract

Special Conditions of Contract

The following Special Conditions of Contract shall supplement the General Conditions of Contract. Whenever there is a conflict, the provisions herein shall prevail over those in the General Conditions of Contract. The corresponding clause number of the GCC is indicated in parentheses.

1. Definitions (GCC Clause 1)

GCC 1.1 (g)—The Procuring agency is Directorate General, Agricultural Engineering Sindh Hyderabad.

GCC 1.1 (h)—The Procuring agency's country is Pakistan

GCC 1.1 (i)—The Supplier is: Bidder supplying the Goods / Repair work and services under this contract.

GCC 1.1 (j)—The Project Site is Central Store, TandoJam

2. Performance Security (GCC Clause 7)

A Total of 10% of Contract

As Per GCC Clause 7.1

- Within Twenty (20) days of receipt of the notification of Contract award, the successful Bidder shall furnish to the Procuring agency the performance security in the amount specified in SCC.

As Per GCC Clause 7.2

- The proceeds of the performance security shall be payable to the Procuring agency as compensation for any loss resulting from the Supplier's failure to complete its obligations under the Contract.

As Per GCC Clause 7.3

(a): A pay Order / Demand Draft / Bank Guarantee or an irrevocable letter of credit issued by a reputable bank A-1 credit rating located in the Procuring agency's country, in the form provided in the bidding documents or another form acceptable to the procuring agency.

As Per GCC Clause 7.4

- The performance security will be discharged by the Procuring agency and returned to the Supplier not later than thirty (30) days following the date of completion of the Supplier's performance obligations under the Contract, including any warranty obligations, unless specified otherwise in SCC.

**SIGNATURE AND STAMP
OF SUPPLIER**

3. Inspections and Tests (GCC Clause 8)

As Per GCC Clause 8.1

- The Procuring agency or its representative shall have the right to inspect and/or to test the Goods / Repair work to confirm their conformity to the Contract specifications at no extra cost to the Procuring agency. SCC and the Technical Specifications shall specify what inspections and tests the Procuring agency requires and where they are to be conducted. The Procuring agency shall notify the Supplier in writing, in a timely manner, of the identity of any representatives retained for these purposes.

As Per GCC Clause 8.3

- Should any inspected or tested Goods / Repair work fail to conform to the Specifications, the Procuring agency may reject the Goods / Repair work, and the Supplier shall either replace the rejected Goods / Repair work or make alterations necessary to meet specification requirements free of cost to the Procuring agency.

As Per GCC Clause 8.4

- The Procuring agency's right to inspect, test and, where necessary, reject the Goods / Repair work after the Goods / Repair work' arrival in the Procuring agency's country shall in no way be limited or waived by reason of the Goods / Repair work having previously been inspected, tested, and passed by the Procuring agency or its representative prior to the Goods / Repair work' shipment from the country of origin.

As Per GCC Clause 8.5

- Nothing in GCC Clause 8 shall in any way release the Supplier from any warranty or other obligations under this Contract

As Per GCC Clause 8.6

All expenditures of the inspection team of the Department for pre-shipment inspection and testing Of each lot of Goods / Repair work in the country of manufacturing shall be borne by the Supplier in the wake of Other arrangements. This shall include air travel from Pakistan to the place of inspection and Back, hotel stay, inland transportation and daily allowance to cover miscellaneous expenses.

As Per GCC Clause 8.7

Should any inspected or tested equipment or its components assemblies fail to conform to any of The approved benchmark configuration technical specifications as per bid document or any Technical specification as given in the technical literature provide with the bid, the Department May reject these and the manufacturer shall either replace the rejected components, assemblies Or make all alterations free of cost necessary to meet requirements of the approved benchmark Configuration / technical specification.

As Per GCC Clause 8.8

The Purchaser's right to inspect test and where necessary reject the Goods / Repair work after the Goods / Repair work Arrival in Pakistan shall in no way be limited or waived by reason of the Goods / Repair work having previously Been inspected, tested by the Purchaser or their representative prior to the Goods / Repair work shipment from The country of origin.

As Per GCC Clause 8.9

Two copies of all the inspection and test reports and certificates including those for quality control shall be supplied to the Purchaser. All such reports and certificates, as have been witnessed shall be countersigned by the Engineer.

**SIGNATURE AND STAMP
OF SUPPLIER**

4. Packing(GCC Clause 9)

As Per GCC Clause 9.1

- The Supplier shall provide such packing of the Goods / Repair work as is required to prevent their damage or deterioration during transit to their final destination, as indicated in the Contract. The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit, and open storage. Packing case size and weights shall take into consideration, where appropriate, the remoteness of the Goods / Repair work' final destination and the absence of heavy handling facilities at all points in transit

As Per GCC Clause 9.2

- The packing, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the Contract, including additional requirements, if any, specified in SCC, and in any subsequent instructions ordered by the Procuring agency.

-

5. Delivery Documents (GCC Clause 10)

As Per GCC Clause 10.1

- Delivery of the Goods / Repair work shall be made by the Supplier in accordance with the terms specified in the Schedule of Requirements. The details of shipping and/or other documents to be furnished by the Supplier are specified in SCC.

As Per GCC Clause 10.2

- Documents to be submitted by the Supplier are specified in SCC.

6. Insurance(GCC Clause 11)

As Per GCC Clause 11.1

- The Goods / Repair work supplied under the Contract shall be delivered duty paid (DDP) under which risk is transferred to the buyer after having been delivered; hence insurance coverage is seller's responsibility.

7. Transportation(GCC Clause 12) As per GCC Clause 12.1

- The Supplier is required under the Contact to transport the Goods / Repair work and started from the next date and after arrival of Goods / Repair work in the custody of Procuring Agency.

8. Incidental Services (GCC Clause 13)As Per GCC Clause 13.1

The Supplier may be required to provide any or all of the following services, including additional Services, if any, specified in SCC:

- (a) : performance or supervision of on-site assembly and/or start-up of the supplied Goods / Repair work;
- (b) : furnishing of tools required for assembly and/or maintenance of the supplied Goods / Repair work;
- (c) : furnishing of a detailed operations and maintenance manual for each appropriate unit of the supplied Goods / Repair work;
- (d) : performance or supervision or maintenance and/or repair of the supplied Goods / Repair work, for a period Of time agreed by the parties, provided that this service shall not relieve the Supplier of any warranty obligations under this Contract; and
- (e) : training of the Procuring agency's personnel, at the Supplier's plant and/or on-site, in Assembly, start-up, operation, maintenance, and/or repair of the supplied Goods / Repair work.

**SIGNATURE AND STAMP
OF SUPPLIER**

9. Spare Parts (GCC Clause 14)
As Per GCC Clause 14.1

(a) : such spare parts as the Procuring agency may elect to purchase from the Supplier, provided that this election shall not relieve the Supplier of any warranty obligations under the Contract; and

(b) : In the event of termination of production of the spare parts:

(i) : advance notification to the Procuring agency of the pending termination, in sufficient Time to permit the Procuring agency to procure needed requirements; and

(ii) : following such termination, furnishing at no cost to the Procuring agency, the Blue prints, drawings, and specifications of the spare parts, if requested.

10. :Warranty (GCC Clause 15)

The warranty shall be 12 months from date of final inspection.

As Per GCC Clause 15.1

- The Supplier warrants that the Goods / Repair work supplied under the Contract are new, unused, of the most recent or current models, and that they incorporate all recent improvements in design and materials unless provided otherwise in the Contract. The Supplier further warrants that all Goods / Repair work supplied under this Contract shall have no defect, arising from design, materials, or workmanship (except when the design and/or material is required by the Procuring agency's specifications) or from any act or omission of the Supplier, that may develop under normal use of the supplied Goods / Repair work in the conditions prevailing in the country of final destination.

As Per GCC Clause 15.2

- This warranty shall remain valid for twelve (12) months after the Goods / Repair work, or any portion thereof as the case may be, have been delivered to and accepted at the final destination indicated in the Contract, or for eighteen (18) months after the date of shipment from the port or place of loading in the source country, whichever period concludes earlier, unless specified otherwise in SCC.

As Per GCC Clause 15.3

- The Procuring agency shall promptly notify the Supplier in writing of any claims arising under this warranty.

As Per GCC Clause 15.4

- Upon receipt of such notice, the Supplier shall, within the period specified in SCC and with all reasonable speed, repair or replace the defective Goods / Repair work or parts thereof, without costs to the Procuring agency.

As Per GCC Clause 15.5

- If the Supplier, having been notified, fails to remedy the defect(s) within the period specified in SCC, within a reasonable period, the Procuring agency may proceed to take such remedial action as may be necessary, at the Supplier's risk and expense and without prejudice to any other rights which the Procuring agency may have against the Supplier under the Contract.

11. Payment (GCC Clause 16)

GCC16.1—The method and conditions of payment to be made to the Supplier under this Contract.

The terms of payment shall be as follow:

100% PAYMENT TERMS

- 40% payment in advance against the bank guarantee.
- 40% payment during satisfactory work done by the SSC.
- 20% payment on completion of 100% repair works and supply of all spare parts after inspection & verification by departmental committee.

The payment shall be made after deduction of all applicable taxes (if applicable), Late Delivery Charges (if any) and any other amount payable by the Supplier. Partial payment against partial supplies shall be allowed, whereas as per clause 16.5 (c) payments against bank guarantees would be released if found necessary.

SIGNATURE AND STAMP
OF SUPPLIER

12 Prices (GCC Clause 17)

As per GCC Clause 17.1

- Prices charged by the Supplier for Goods / Repair work delivered and Services performed under the Contract shall not vary from the prices quoted by the Supplier in its bid, with the exception of any price adjustments authorized in SCC or in the Procuring agency's request for bid validity extension, as the case may be.

13 Changes Orders (GCC Clause 18) As per GCC Clause 18.1

1. The Procuring agency may at any time, by a written order given to the Supplier pursuant to GCC Clause 31, make changes within the general scope of the Contract in any one or more of the following:
 - (a) : Drawings, designs, or specifications, where Goods / Repair work to be furnished under the Contract are to be specifically manufactured for the Procuring agency;
 - (b) : The method of shipment or packing;
 - (c) : The place of delivery; and/or
 - (d) : The Services to be provided by the Supplier.

As per GCC Clause 18.2

2. If any such change causes an increase or decrease in the cost of, or the time required for, the Supplier's performance of any provisions under the Contract, an equitable adjustment shall be made in the Contract Price or delivery schedule, or both, and the Contract shall accordingly be amended. Any claims by the Supplier for adjustment under this clause must be asserted within thirty (30) days from the date of the Supplier's receipt of the Procuring agency's change order.

14 Liquidated Damages (GCC Clause 23)

GCC 23.1—Applicable rate:

0.5 percent per week with Maximum deduction of 10% of the contract price.

As per GCC Clause 23.1

- Subject to GCC Clause 25, if the Supplier fails to deliver any or all of the Goods / Repair work or to perform the Services within the period(s) specified in the Contract, the Procuring agency shall, without prejudice to its other remedies under the Contract, deduct from the Contract Price, as liquidated damages, a sum equivalent to the percentage specified in SCC of the delivered price of the delayed Goods / Repair work or unperformed Services for each week or part hereof of delay until actual delivery or performance, up to a maximum deduction of the percentage specified in SCC. Once the maximum is reached, the Procuring agency may consider termination of the Contract pursuant to GCC Clause 24.

15 Termination for Default (GCC Clause 24) As per GCC Clause 24.1

1. The Procuring agency, without prejudice to any other remedy for breach of Contract, by written notice of default sent to the Supplier, may terminate this Contract in whole or in part:
 - (a) : if the Supplier fails to deliver any or all of the Goods / Repair work within the period(s) specified in the Contract, or within any extension thereof granted by the Procuring agency pursuant to GCC Clause 22; or
 - (b) : if the Supplier fails to perform any other obligation(s) under the Contract.
 - (c) : if the Supplier, in the judgment of the Procuring agency has engaged in Corrupt or fraudulent practices in competing for or in executing the Contract. For the purpose of this clause:
"Corrupt practice" means the offering, giving, receiving or soliciting of value to influence the action of a public official in the procurement process or in contract execution.
"Fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Borrower, and includes collusive practice among Bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the Borrower of the benefits of free and open competition. **As per GCC Clause 24.2**
2. In the event the Procuring agency terminates the Contract in whole or in part, pursuant to GCC Clause 24.1, the Procuring agency may procure, upon such terms and in such manner as it deems appropriate, Goods / Repair work or Services similar to those undelivered, and the Supplier shall be liable to the Procuring agency for any excess costs for such similar Goods / Repair work or Services. However, the Supplier shall continue performance of the Contract to the extent not terminated.

**SIGNATURE AND STAMP
OF SUPPLIER**

16 Force Majeure(GCC Clause25) As per GCC Clause 25.2

1. For purposes of this clause, “Force Majeure” means an event beyond the control of the Supplier and not involving the Supplier’s fault or negligence and not foreseeable. Such events may include, but are not restricted to, acts of the Procuring agency in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions, and freight embargoes.

As per GCC Clause 25.3

2. If a Force Majeure situation arises, the Supplier shall promptly notify the Procuring agency in writing of such condition and the cause thereof. Unless otherwise directed by the Procuring agency in writing, the Supplier shall continue to perform its obligations under the Contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.

17 Resolution of Disputes (GCC Clause 28)

GCC 28.3—The dispute resolution mechanism to be applied pursuant to GCC Clause 28.2 shall be as follows: In the case of a dispute between the Procuring agency and the Supplier, the dispute shall be referred to adjudication or arbitration in accordance with the laws of the Procuring agency’s country.

18 Governing Language(GCC Clause29)

GCC29.1—TheGoverning Language shall be English

19 Applicable Law (GCCClause30)

GCC 30.1-The Contract shall be interpreted in accordance with the laws of Islamic Republic of Pakistan which includes the following legislation:

The Employment of Children (ECA) Act 1991.
The Bonded Labour System (Abolition) Act of 1992.
The Factories Act 1934.
The Income Tax & Sale Tax Law.

Evaluation of Bids: Bids shall be evaluated as per criteria given in the bid data sheet First Technical Evaluation would be made only, the Financial Proposal of technically responsive bid would be evaluated, the financial Proposal of technically non-responsive bids would be returned un-opened.

12 Notices (GCC Clause31)

GCC31.1—procuring agency’s address for notice purposes:

Director General, Agricultural Engineering Sindh, 2ndFloor, Block “C” Shahbaz Building Hyderabad.

13 Taxes & Duties(GCCClause32)

As per clause 32.1

1. Supplier shall be entirely responsible for all taxes, duties, license fees, etc., incurred until delivery of the contracted Goods / Repair work to the Procuring agency.

**SIGNATURE AND STAMP
OF SUPPLIER**

Section IV. Schedule of Requirements

Schedule of Requirements / Technical Specification

The delivery schedule expressed as weeks / months stipulates hereafter a delivery date which is the date of delivery required.

REPAIR OF BULLDOZERS FORSD-13& SD-16 (SHANTUI BULLDOZER) & PROCUREMENT OF SPARE PARTS

Part – A

Section VI. Sample Forms

Notes on the Sample Forms

The Bidder shall complete and submit with its bid the Bid Form and Price Schedules pursuant to ITB Clause 9 and in accordance with the requirements included in the bidding Documents.

When requested in the Bid Data Sheet, the Bidder should provide the Bid Security, either in the form included hereafter or in another form acceptable to the Procuring agency, pursuant to ITB Clause 15.3.

Technical Evaluation Form, to be attached with TECHNICAL Proposal
Bid Form, Price Schedule form and Bid Security forms

.

The Contract Form, when it is finalized at the time of contract award, should incorporate any corrections or modifications to the accepted bid resulting from price corrections pursuant to ITB Clause 17.3 and GCC Clause 17, acceptable deviations (e.g., payment schedule pursuant to ITB Clause 25.4 (c), spare parts pursuant to ITB Clause 25.4 (d), or quantity variations pursuant to ITB Clause 29. The Price Schedule and Schedule of Requirements deemed to form part of the contract should be modified accordingly.

The Performance Security and Bank Guarantee for Advance payment forms should not be completed by the bidders at the time of their bid preparation only the successful Bidder will be required to provide performance security and bank guarantee for advance payment in accordance with one of the forms indicated herein or in another form acceptable to the procuring agency and pursuant to GCC Clause 7.3 and SCC 11, respectively.

The Manufacturer's Authorization form should be completed by the Manufacturer, as appropriate, pursuant to ITB Clause 13.3 (a).

SCHEDULE OF QUALIFICATION OF BIDDERS

TECHNICAL EVALUATION CRITERIA

PROCUREMENT OF BULLDOZER SPARE PARTS AND REPAIR / MAINTENANCE SERVICES

Sr.No.	Information to be supplied	Yes/no
1.	An original and latest undertaking / affidavit on Rs. 500/- Judicial E-Stamp paper that, the bidder and its employees have never been blacklisted by any government, semi government, autonomous or state-owned organization & their cases regarding blacklisting are not under trial by any court of law, nor any inquiry initiated in any agency across the country. De-listed firm will be allowed the all documents / particulars / information furnished are true and correct, if any information found incorrect / misleading the procuring agency reserves the right to reject the bid.	
2.	Registration with PECC-2 and having relevant code ME07 (V).	
3.	Registration with Income Tax (The name of bidder must be in ATL List (2025-26).	
4.	Registration with Sindh Revenue Board (The name of bidder must be in ATL List (2025-26).	
5.	Registration with General Sales Tax (The name of bidder must be in ATL List (2025-26).	
6.	Turnover indicating 2000.00 million (Bank Statement of last three years Indicating required turnover in one year).	
7.	Certificate of bank showing credit worthiness of at least 15% (average balance per year for the last 5 years) of the estimated cost of work along with bank statement must be provided separately of each year starting from 1 st July to 30 th June for last 5 years and recent bank certificate must be attached showing available balance.	
8.	Details of qualified technical staff with CVs.	
9.	Bid Security (Rs.50.0 Million).	
10.	Compatibility repair work with Shantui SD-13 & SD-16 Bulldozers.	
11.	Manufacturer catalogue, technical data sheet and supporting technical literature.	
12.	Quality, dimensions, material and functional conformity of offered spare parts.	
13.	RELEVANT SUPPLY EXPERIENCE – LAST THREE (03) YEARS	
13.1.	Experience of supply of bulldozer/heavy earth-moving machinery spare parts and repair work during the last three years.	
13.2.	Number and value of similar completed supply contracts.	
13.3.	Satisfactory Completion / Performance Certificates of similar contracts.	
14.	RELEVANT REPAIR & MAINTENANCE EXPERIENCE – LAST THREE (03) YEARS	
14.1.	Experience in repair and maintenance of Shantui or equivalent bulldozers/heavy earth-moving machinery.	
14.2.	Experience in major repair/overhauling of heavy machinery.	
14.3.	Satisfactory Completion / Performance Certificates of similar repair contracts.	
15.	WORKSHOP FACILITY & PROXIMITY TO PROCURING AGENCY	
15.1.	Own/authorized fully functional workshop located nearby/in close proximity to the Procuring Agency/Agricultural Engineering Workshops.	

15.2	Adequate covered workshop area and dedicated repair/overhauling bays for heavy machinery.	
15.3	Heavy-duty lifting/handling equipment, hydraulic tools, compressors and other essential workshop equipment.	
15.4	Welding, cutting, fabrication and mechanical repair facilities.	
15.5	Diagnostic, testing and specialized tools required for bulldozer repair.	
15.6	Availability of spare-parts storage/warehouse facility within or associated with the workshop.	
16	PHYSICAL VERIFICATION / INSPECTION OF WORKSHOP	
16.1	Physical verification of declared workshop and repair facilities.	
16.2	Verification of machinery, tools, equipment and testing/diagnostic facilities.	
16.3	Verification of spare-parts stock/storage and technical resources.	
16.4	Verification of qualified technical staff and actual operational capability.	
17	AVAILABILITY / READY STOCK OF SPARE PARTS	
17.1	Availability of required spare parts in ready stock.	
17.2	Proper warehouse/storage and inventory management facility.	
17.3	Documentary stock statement and ability to arrange urgent/replacement parts.	
18	OEM / GENUINE SPARE PARTS & TRACEABILITY	
18.1	OEM/manufacturer or authorized distributor/dealer evidence.	
18.2	Manufacturer, country of origin and product identification/markings.	
18.3	Import/purchase documents and traceability of offered spare parts.	
18.4	Authenticity and quality assurance of offered spare parts.	
19	QUALIFIED TECHNICAL MANPOWER	
19.1	Availability of qualified mechanics/technicians.	
19.2	Relevant heavy-machinery repair experience of technical staff.	
19.3	CVs, qualifications and experience certificates of technical staff.	
20	SAMPLE / PHYSICAL EXAMINATION OF SPARE PARTS	
20.1	Verification of Part Number, size and dimensions.	
20.2	Material, workmanship and physical quality.	
20.3	Manufacturer marking, identification and traceability.	
20.4	Compatibility and functional suitability.	
20.5	Overall conformity with Procuring Agency's technical specifications.	
21	WARRANTY & AFTER-SALES SERVICE (weightage will be given to maximum period)	
21.1	Warranty period for supplied spare parts.	
21.2	Replacement of defective/non-conforming spare parts.	
21.3	Breakdown response and after-sales technical support.	
22	DELIVERY & EMERGENCY RESPONSE CAPABILITY	
22.1	Ability to deliver spare parts within stipulated delivery schedule.	
22.2	Emergency/urgent supply capability.	
22.3	Availability of mobile/field repair support for breakdowns.	
23	PAST PERFORMANCE	
23.1	Satisfactory performance in similar supply/repair contracts.	
23.2	Timely completion/delivery of previous similar contracts.	
23.3	No documented serious contractual default/poor performance.	

Note:

- The bidder shall submit documentary evidence against each applicable criterion separately and clearly indexed with the Technical Proposal.
- Self-prepared statements alone shall not be treated as conclusive evidence where an independent documentary record is specifically required.

- All submitted documents shall be legible, valid and verifiable.
- The Procuring Agency/Technical Evaluation Committee may verify the authenticity of submitted documents from the issuing organization, manufacturer, client or other relevant source.
- The bidder shall provide full cooperation during physical inspection of the declared workshop, warehouse, machinery, equipment, spare-parts stock and technical manpower.
- The bidder shall not claim favour for any facility, experience, stock, manpower or authorization for which the required documentary evidence has not been provided.
- The workshop declared in the Technical Proposal shall be the same workshop made available for physical verification.
- The workshop shall be located nearby/in close proximity to the Procuring Agency/Agricultural Engineering Workshops to ensure prompt inspection, repair, maintenance and emergency breakdown response.
- Any material discrepancy between the information submitted in the Technical Proposal and the facility/documents physically verified may be dealt with strictly in accordance with the bidding documents and applicable procurement rules.
- The Technical Evaluation Committee shall evaluate all bidders uniformly and strictly against the criteria and documentary requirements specified in the bidding documents.

GENERAL SPECIFICATIONS

(1) Basic conditions for specifications:

Each Goods / Repair work shall have structures, functions and appropriate furnishings adequately conforming to the environment of the country where they are to be used and to the specifications required.

(2) Standard and workmanship

All the Goods / Repair work shall be new and manufactured to the best workmanship and in conformity with the International Standards, Japan Industrial Standard (JIS) or equivalent standards of the member countries of the Organization of Economic Cooperation & Development (OECD).

FORM OF PROOF OF AFTER-SALES SERVICE

To whom it may concern

This is to certify that our firm is well able to service the Goods / Repair work through its duly certified branch office(s) or liaison office(s) or After-Sales Agent(s), which are equipped with the necessary parts, service and repair facilities. The firm shall furnish existing facilities available with all human and technical resources after Sales Service, Workshop, warehouse etc.

NOTIFICATION

No.13(347)SO(DEV:)/CRC(Engg): In supersession of this department's Notification No.13(347)SO(DEV:)/CRC(Engg:) dated 16-10-2025 (FY 2025-26); The Agriculture, Supply & Prices Department is pleased to re-constitute a '**Complaint Redressal Committee**' as per the Rule-31 of SPPRA Rule-2010 (Amended 2019) to ensure timely resolution of grievances regarding the ADP / Non-ADP schemes (Financial Year 2026-27) of Agricultural Engineering Wing with the following Composition & TORs:-

I- Composition:

		Chairman
1.	Director General, Agricultural Engineering Sindh, Hyderabad.	
2.	Representative of Accountant General Sindh Karachi.	Member
3.	Independent Professional Mr. Imtiaz Hussain Solangi, Conservator of Forests, Afforestation Circle, Hyderabad.	Member

II- Terms of References (TORs):

Prohibit the procurement committee from acting and deciding in a manner, inconsistent with these rules and regulations.
Annul in whole or in part, any unauthorized act or decision of the procurement committee, and provided while re-issuing tenders, the Procuring Agency may change the specifications and other contents of bidding documents, as deemed appropriate.
Recommend to the Head of Department that the case be declared a mis-procurement if material violation of Act, Rules Regulations, Orders, Instructions or any other law relating to public procurement, has been established.
Reverse any decision of the procurement committee or substitute its own decision for such a decision, provided that the complaint redressal committee shall not make any decision to award the contract.
The complaint redressal committee shall announce its decision within seven (07) days and intimate the same to the bidder and the Authority within three (03) working days. If the committee fails to arrive at the decision within seven days, the complaint shall stand transferred to the Review Committee which shall dispose of the complaint in accordance with the procedure laid down in Rule-32, if the aggrieved bidder files the review appeal within ten (10) days.

Contd..P/2..

..P/2..

•	The Procuring Agency shall award the contract after the decision of the complaint redressal committee.
•	Mere fact of lodging of a complaint shall not warrant suspension of the procurement proceedings.
•	Provided that in case of failure of the complaint redressal committee to decide the complaint, the Procuring Agency shall not award the contract.
