The significance of CDAS campaign
extends far beyond the physical removal
of illegal structures. Every kanal of state
land recovered represents a valuable
public asset that can be restored to its
legally designated purpose rather than
being privately occupied, rented out or
commercially exploited. The recovery
of land worth billions of rupees in ma-
jor operations in Saidpur, the Diplomatic
Enclave/Muslim Colony area and other
parts of Islamabad demonstrates the
scale of the challenge as well as the im-
portance of sustained enforcement.
