dit

time of bid opening. In case of failure his bid will be rejected.

X. The tender shall be processed according to "above / below system" based on market rate system. The engineer's estimate is framed on the current MRS 2025 (1st Bi-annual). Tender forms and BOQs must be signed by original contractor.

XI. In case of Solar Project, only those contractors' bids shall be entertained, whose firms have been awarded a specified code of Solar and only approved / Registered Company Solar material will be installed.

XII. The contractors quoting their bids up to a limit of 10% below Engineer estimate shall submit bid security to the extent of 2% of Engineer Estimate only. The contractor quoting their bids more than 10% below up to below on Engineer's Estimate shall submit along with their bids 8% Additional Security of Engineer's Estimated in addition to 2% bid security. If the bid is not accompanied with the required amount of additional security, it will be considered as non-responsive and the 2% bid security shall be forfeited in favour of TMA Karak and second lowest bidder and so on will be considered accordingly. Similarly, a contractor quoting bid more than below shall submit with his bid an additional security on Engineer's Estimated cost equal to the differential amount of submitted bid and Engineer's Estimate along with detailed rate analysis. In case of more than 20% below if the bid is not accompanied by the detailed rate analysis and / or required amount of additional security, the said bid shall be considered as non-responsive. All the securities submitted along with such non-responsive bid shall be forfeited in favour of TMA Karak and the 2nd lowest bidder and so on will be considered accordingly.

Note: Work orders of the aforementioned schemes will be issued to the contractor subject to release / availability of fund.
