### **General Terms and Conditions of the Contract**

1. The tenders should examine carefully the General and Special Conditions of Contract and Specification supplied herewith. He should visit and inspect the site at his own responsibility and at his own expense and obtain all the information, which may be necessary for purpose of making a tender.
2. The contractors quoting their bids up to a limit of 10% below Engineer estimate shall submit bid security @ 2% only of Engineer Estimate.
3. The contractors quoting their bids more than 10% below upto 20% below on Engineers' Estimate shall submit along with their bids 8% Additional Security of Engineer's Estimated cost in addition to 2% bid security. If the bid is not accompanied with the required amount of additional security then it will be considered as non-responsive and the 2% bid security shall be forfeited in favour of the University and the second lowest bidder and so on will be considered accordingly.
4. Similarly, a contractor quoting bid more than 20% below shall submit with his bid an additional security on Engineer's Estimated cost equal to the differential amount of submitted bid and Engineers' Estimate along with detailed rate analysis. In case of more than 20% below bids, if the bid is not accompanied by the detailed rate analysis and / or required amount of additional security, then the said bid shall be considered as non-responsive. All the securities submitted along with such non-responsive bid shall be forfeited in favour of Government and the 2nd lowest bidder and so on will be considered accordingly.
5. In case detailed rate analysis submitted with the bids is, in view of the Procuring Entity, not convincing, the Head of the Procuring Entity may declare such bid as non-responsive without any forfeiture of bid securities and record reasons thereof.
6. The procuring entity may offer the contract to next lowest bidder after due diligence in the context of financial difference between such two bids or may advertise procurement opportunity afresh.
7. After commencements of work by the successful bidder, the procuring entity may replace the Additional Security with a bank guarantee of the same amount from the scheduled bank; if the already deposited security is not in the form of bank guarantee.

---

**CONTRACTOR'S SIGNATURE**

---

**DIRECTOR WORKS SIGNATURE**

8. The Additional Security shall be released to the contractor in four installments i.e. 1 st installment of 25% to be released upon completion of 25% of the project, 2 nd installment of 25% to be released upon completion of 50% of the project, 3 rd installment of 25% to be released upon completion of 75% of the project and the 4 th installment of 25% to be released after 100% completion of the project
9. The bids received late shall not be considered.
10. In case bids become tie, the award of contract shall be decided through a fax toss which shall be binding and final.
11. The bidders are at liberty to seek any clarification or further information from the office of the undersigned as desired.
12. All federal and provincial duties/ stamp duty/ taxes will be recoverable as per directives of the government issued from time to time.
13. If any documents submitted along with bid documents found false/ bogus, the registration of the contractor/ firm shall be stand cancelled/ blacklisted.
14. Any disfiguring/ overwriting manipulation in the tender shall be liable to rejection.
15. If any documents submitted along with bid documents found false/ bogus, the registration of the contractor/ firm shall be stand cancelled/ blacklisted.
16. Any disfiguring/ overwriting manipulation in the tender shall be liable to rejection.
17. Only the first two figures after decimal of the rate will be considered for evaluation of the bid.
18. Tender documents/ BOQ can be submitted up to 11:00am on 16-02-2026.
19. The tender documents duly completed and each page signed by the Contractor shall be received and opened by the Director Works, AWKUM in the presence of the Convener and members of the works committee.

The Contractor who,

- (i) Withdraws or modifies his Tender.
- (ii) Does not actually start the work within **07 (Seven)** days of the issue of letter of acceptance, shall lose his Earnest Money and the same shall be forfeited in favor of the University.

20. The work will conform to lay down standard specification. The work not conforming to the standard specifications will be demolished by the Contractor. No claim in this regard will be entertained for payment.
