**Say No to Corruption**

**Invitation of E-BID**

Pakistan Mineral Development Corporation is an autonomous corporation under the administrative control of Ministry of Energy (Petroleum Division), Government of Pakistan invites electronic bids (Lot-Wise) on Single Stage – Single Envelope Method from the interested Parties/contractors having valid registration with Federal Board of Revenue (FBR)/Respective Revenue Boards for income tax & sales tax and who are on active taxpayer list (Income & Sales Tax) of the Federal Board of Revenue (FBR)/Respective Revenue Boards for “**Supply, Installation, Testing & Commissioning of 15 KVA Hybrid Solar System at PMDC Salt Mines, Jatta/Bahdur Khel, Karak**”

E-Bidding documents containing detailed terms and conditions, method of procurement, bid security, opening of bid, etc. are available electronically and can be downloaded from EPADS-PPRA Website: <https://eprocure.gov.pk> free of cost.

The electronic bids, prepared in accordance with the instructions in the bidding document along with bid money amounting to **Rs.150,000/-** in the shape of demand draft/pay order in the name of Pakistan Mineral Development Corporation on account of bidder must be submitted by using EPAD on or before **16.04.2026 at 11:00 AM**. Tenders will be opened on EPAD on the same date at **11:30 AM** in the presence of participants who may desire to attend the tender opening.

**Note:-**

1. Original Bid Security Instrument Must be submitted to undersigned, before the online submission deadline of the bid; otherwise, respective bid will not be opened.
2. In case of any technical difficulty in using EPADS, prospective bidders may contact PPRA Office, 1<sup>st</sup> Floor, FBC building Sector G-5/2, Islamabad. Contact Number 051-111-137-237.

**Tender Enquiry No. PMDC/PRCO/Solar/JBK  
DUE FOR OPENING ON: 16.04.2026 AT 11.30 AM**

Electronic bids on Single Stage – Single Envelope Method from the interested Parties/contractors having valid registration with Federal Board of Revenue (FBR)/Respective Revenue Boards for income tax & sales tax and who are on active taxpayer list (Income & Sales Tax) of the Federal Board of Revenue (FBR)/Respective Revenue Boards for “Supply, Installation, Testing & Commissioning of 15 KVA Solar System at PMDC Salt Mines, Jatta/Bahdur Khel, Karak” as per BOQ given below:-

Sr. No.	Detail of Works	Unit Rate in PKR (inclusive of all taxes)	Qty.	Total Cost in PKR (inclusive of all taxes)
01	Ground Mounting Structure Hot Dip Galvanized. With C-Channels, Auxiliary Nuts and Bolts, Base Screw, Conti lever Support, Cross Arm Full Set (if required). Suitable to with stand aerodynamic pressure, weight of PVs etc. for life of the project. Complete Civil Works. Minimum 14 gauge with SS nuts bolts.  Complete in all respect or as directed by Engineer.		As required	
02	Inverter 15 KVA, IP – 65, 97% efficiency Built in protection and isolation (Overload, Short circuit, High DC bus voltage, High/low AC voltage, Loss/restoration of AC voltage, High/low grid frequency Insulation resistance monitoring, Internal faults, High internal temperature, Automatic thermal protective control system Minimum 05 years warranty,  Brand : Huawei (latest model/series) or approved Eqv.  Complete in all respect along with auxiliary material, warranty card etc.		01 No.	

03	<p>Bifacial Double Glass Solar Panel 585W and above with MC4 connectors and accessories, N-Type TOPCon. 25 Years of Performance Warranty, 21+% Efficiency. Minimum 10 years warranty,</p> <p>Brand : Jinko (latest model/series) or approved Eqv.</p> <p>Complete in all respect along with auxiliary material, warranty card etc.</p>		30 Nos.	
04	<p>Lithium Battery Pack 100 Amps IP - 20 Wall mounting + Floor Stand Minimum 6000 cycles Over charge/discharge protection, over current/temperature protection, short circuit protection etc. Minimum 05 years warranty,</p> <p>Brand : Sogo (latest model/series) or approved Eqv.</p> <p>Complete in all respect or as directed by Engineer.</p>		02 Nos.	
05	<p>DC Cable (Red/White) 4mmsq Tinned Copper with Multi Strands, Flexible and Double XLPOE Coated with UV Resistant and Fire Retardants Properties 1500V Insulation. Brand : Fast Cables. Each Coil : 90 meters</p> <p>Complete in all respect or as directed by Engineer.</p>		04 Coils	
06	<p>AC Cable (Red/White) 6mmsq Pure Copper (02/04 core), stranded Brand : Fast Cables. Each Coil : 90 meters</p> <p>Complete in all respect or as directed by Engineer.</p>		04 Coils	
07	<p>DC Combiner Box with suitable current rating breakers (6kA), SPDs (40kA), and other protections like surge &amp; lightning. Brand: Chint (breakers, SPDs).</p> <p>Complete in all respect or as directed by Engineer.</p>		As required	

08	<p>Powder Coated AC Distribution Panel / ACDB with Protection Devices (surge &amp; lightning.) of suitable current rating/size i.e. Main Breaker (6kA), sub-breakers (6kA), SPDs (40kA), load distribution (heavy &amp; light) etc.</p> <p>Brand: Chint (breaker, SPDs)</p> <p>Complete in all respect or as directed by Engineer.</p>		As required	
09	<p>Supply of earthing wire 4mmsq PVC Yellow Green Copper.</p> <p>Complete in all respect or as directed by Engineer.</p>		As required	
10	<p>Supply of Lightning arrestor protection system with 5 feet Height with Copper Arrestor Ball with Multiple Spikes</p> <p>Complete in all respect or as directed by Engineer.</p>		As required	
11	<p>Earthing Pits with Chemical treatment and Copper Rods. With bore hole till water table.</p> <p>Complete in all respect or as directed by Engineer.</p>		As required	
12	<p>Solar Plant Monitoring System / Wi-Fi / LAN Data Logger/Optical Fiber Cable/CAT-IV Cable etc.</p> <p>Complete in all respect or as directed by Engineer.</p>		As required	
13	<p>Cable Trays , Conduits, Trunking, and Cable Management Accessories.</p> <p>Complete in all respect or as directed by Engineer.</p>		As required	
14	<p>Fire Protection accessories and cleaning system mechanism.</p> <p>Complete in all respect or as directed by Engineer.</p>		As required	
14	<p>Installation of PV, Inverters, Civil Works, Electrical Wiring, earthing etc. Testing Commissioning, including the cost of miscellaneous items required for complete installation.</p> <p>Complete in all respect or as desired by Project Manager/Engineer/In-Charge.</p>		01 Job	

	<b>Site visit is required for bid submission.</b>			
15	Complete documentation, warranties, User Manuals, Drawings (as built, SLD), Layout, etc. Complete in all respect or as desired by Project Manager/Engineer/In-Charge.		01 Job	
<b>G. Total in PKR (inclusive of all taxes)</b>				

### TECHNICAL TERMS & CONDITIONS

- A. The bidder shall be registered from PEC (Pakistan Engineering Council) having specialization code **EE-11**.
- B. The bidders are advised to visit and examine the site of the works and its surroundings and to obtain for itself on their own responsibility, all information that may be necessary for preparing the bid and entering in to contract agreement. The cost incurred in visiting the site shall be at the bidders own expense. The bidder will have to examine the area for installation of structure, existing electrical wiring and location of the switch room/Electrical Room.
- C. The Contractor must ensure that the supplied equipment is as per international standards/IEC and is fully operational, new, genuine and performs properly. The supplier shall provide all the necessary shipment details.
- D. The Contractor shall also ensure that the installation and workmanship are of the highest professional quality
- E. The Contractor shall supply, install, test, and commission the complete solar PV system, including but not limited to:
- Solar PV modules, mounting structures, and accessories
  - Hybrid inverter(s) and battery bank(s)
  - AC/DC cabling, isolators, combiner boxes, and protection devices
  - Fire Protection & Cleaning mechanism
  - Monitoring/logging devices and energy meters
  - Earthing (panel to panel, AC side, DC side, battery bank) and lightning protection systems
- F. The Contractor shall ensure that the system is fully functional, tested, and ready for operation at the time of handover.
- G. The Contractor shall provide:
- All necessary manuals, warranty certificates, and test reports

- Training to the Owner on system operation and maintenance
- H. All the works, fittings and accessories that might not have been mentioned specifically in the scope/specification but are necessary for equipment's of the system(s) should be identified during the site visit by bidder and deemed to be included in the cost.
  - I. The Contractor shall connect the complete solar PV system to the existing electrical system of the facility, ensuring proper integration, compatibility, and safe operation in accordance with applicable electrical standards and regulations.
  - J. All necessary electrical wiring from existing electrical distribution box/system to solar system and vice versa shall have to be done by the contractor including supply of all required material.
  - K. DCDB/ACDB shall be provided in between of suitable rating for connection and disconnection of array section.
  - L. The Contractor shall provide complete earthing for the solar PV system including panel-to-panel bonding, DC side earthing, AC equipment earthing, battery bank earthing, and lightning protection, in accordance with applicable IEC standards, ensuring proper installation, testing, and acceptable earth resistance prior to commissioning.
  - M. Any defects or incomplete works identified shall be rectified by the Contractor at no additional cost.
  - N. The structure including solar panels power conditioner/inverter/distribution boards etc and workmanship of the system must be warranted against any manufacturing, design, installation defects for a minimum period of 5 years.
  - O. The contractor shall be responsible to provide onsite trainings to user for operation and Maintenance.
  - P. The contractor/bidder will be responsible to perform or arrange test from 3<sup>rd</sup> part/Govt. labs of different equipment like solar panels, power cable, circuit breakers, earthing, surge arrestors etc to verify electrical characteristics. The supplier has to arranged the equipment to performed tests.
  - Q. During warranty (01 Year), the contractor shall be responsible to provide free replacement of defective parts and maintenance of PV System(s).
  - R. Support Structures shall be manufactured with hot dipped Galvanized Steel angles/channels/supports and structures must be free from corrosion and rust. Care must be taken due to salty environment at our project site.
  - S. To allow regular cleaning of the solar modules. There should be easily accessible for personnel and have enough space to roam about.
  - T. Each panels frame structure shall be so fabricated as to be grouted using rawal bolts in cement concrete foundation with steel frame structure at the site.

- U. Bidders are requested to include detailed specifications, drawings, catalogues, etc. with their offers for the intended work. An operational instruction and maintenance manual should be provided with solar system. The detail diagram(s) of wiring and connection diagrams should be provided with manual.

### GENERAL TERMS AND CONDITION

1. Electronic Bid must be submitted on EPAD on or before **16.04.2026** at **11:00 AM** which will be opened on the same day at **11:30 AM** in the presence of tenderers or their representatives who desire to participate.
2. Bid Money amounting to **Rs.150,000/-** in the form of pay order/demand draft made in the name of Pakistan Mineral Development Corporation on account of bidder from any scheduled bank shall accompany the bid/tender. Tender with less or without bid money (in the form of pay order/demand draft) or pay order/demand draft without the name of bidder shall not be considered.
3. Successful tender will be required to deposit security money @ 10% of the total value and bid money already deposited will be converted into security deposit while balance amount shall have to be deposited to maintain the Security deposit @ 10% of the total value which will be refunded after successful completion of DLP.
4. Tenders will be evaluated on least cost method. Bidders meeting the required all mandatory required documents and relevant experience, will be considered Technical responsive among the technical responsive bidders the contract will be awarded to the bidder offering the lowest evaluated price.
5. The rates should be quoted in PKR and should be inclusive of all applicable/prevaling taxes. Any increase in taxes at any stage shall not be considered.
6. The rates, prices and amounts shall be entered against each item in the Schedule of Prices/BOQ. Any item against which no rate or price is entered by the bidder will not be paid for by the Employer when executed and shall be deemed covered by the rates and prices for other items in the Schedule of Prices.
7. Any component identified non-genuine, copy or refurbished during entire warranty will be rejected instantly and it will be supplier's responsibility to replace that whole or component on supplier cost.
8. OEM/Parts Replacement/Claim with Next Business Day delivery to PMDC Salt Mines Jatta Bahdur Khel, Karak.
9. Complaint/query can be launched via Telephone, Web and email. Technical Support (preferably On-Site) or otherwise over e-mail/phone/web whenever required by the purchaser.
10. Defect liability period (DLP)/warranty is 12 months, which will be start after satisfactory completion of scope of work.
11. **Warranty : one-year free comprehensive onsite warranty, which must include labor, parts replacement and any other related service.**

12. If the Supplier, having been notified, fails to remedy the defect(s) within the specified period, PMDC may proceed to take such remedial action as may be necessary, at the Supplier's risk and expense.
13. Interpretation of the PMDC regarding the tendered rates in case of any discrepancy regarding unit rates and total amount shall be final.
14. Escalation of cost at any circumstances will not be permitted.
15. The bidder will be responsible to carry out the works as per detailed mentioned in BOQ and the payment to the contractor shall be made on actual work done.
16. No running/interim payment will be applicable.
17. Conditional, optional bid will be rejected.
18. The Project Manager/Engineer may request samples of material to be installed in order to check its quality for approval purpose.
19. The quantity can be increased (upto 15% of the total contracted quantities) or decreased during the period of the contract at the sole discretion of PMDC without any prior notice to contractor.
20. No extra item shall be allowed to be executed without written orders from the concern Project Manager.
21. Concern Project Manager shall reserve the right to add/ delete any item from bill of quantities and the contractor will be responsible to execute any extra item required at site to complete the work and the payment for the same shall be made on mutually agreed rates.
22. No extra payment for water and electricity works etc. shall be claimed by the contractor.
23. The Contractor shall be responsible to make complete arrangements for the transportation/storage/security of the material etc. and the security/stay of his staff/workers.
24. Any damages to PMDC assets, HR of whatsoever nature shall be completely borne by the contractor.
25. Bids should remain valid for a period of 90 days from the date of opening of tenders. In case no specific date of validity is mentioned in the offer, it will be presumed to be valid for a period of 90 days from the date of opening of tender.
26. If the contractor fails to fulfill the contractual obligations of the contract, then the Security deposit will be forfeited.
27. All taxes will be applicable/deducted as per prevailing Government rules.
28. Firm/Contractor should be of sound financial health and shall provide Bank statement covering last 12 months (from the date of submission of bid).
29. Firm/Contractor must provide a list of the construction machinery and equipment available with the tenderer.
30. The tender for the supply / work will be completed / delivered at PMDC Salt Mines, Jatta Bahdur Khel, Karak.

31. Completion time period will be 03 months. In case of delay, LD Charges @ rate 0.10% of total contract value will be applied per day upto 10 % of Total Contract Value.
32. The successful tender will have to execute a contract within the specified time, Payment will be made after satisfactorily completion work as per specifications and on submission of the bill in duplicate along with satisfactory completion certificate/report whereas security deposit will be refunded after expiry of DLP/warranty period.
33. The Firm/Contractor should have 02 years' experience in relevant Project/ work with Govt. departments and other organizations/companies. Proof of relevant experience/work order should be attached. Copy of satisfactory completion/performance is also required.
34. The authorized representative of the bidder/bidding firm will only be allowed to sit in the tender opening on presentation of authority letter from the bidder/bidding firm issued in favor of representative to participate in the specific tender.
35. Firm/Contractor or any its subsidiary firms or of its directors/owners or any their relatives' parents, children, brother, sister) should not be under litigation with PMDC in any local or foreign court law.
36. Firm/Contractor or any its subsidiary firms or of its directors/owners or any their relatives parents, children, brother, sister) should not have any ongoing, under resolved business dispute with PMDC, PMDC shall be sole judge of fulfillment of this requirement.
37. In case of any dispute regarding this purchase order/assignment, the same will be resolved between the relevant parties through negotiations. If negotiations shall fail, then matter will be referred to the Arbitrator. The MD, PMDC will act as sole Arbitrator as per Arbitration Act, 1940. Decision/award of Arbitrator will be final and binding on the both parties.
38. The tenderer/supplier shall appoint a representative at the project and furnish his postal address and contact number to PMDC. Any notice to be served on or document to be signed by the contractor shall be either delivered personally or through the representative and in case it is not possible it shall be treated to have delivered if it has been mailed by registered post on the Postal Address of the representative.
39. PMDC Reserved the right to accept or reject the tender of the tenderer at any time without assigning reasons and cannot be challenged in any court of law.
