Allam Iqbal Open University is one the largest education institution of the country which has been established by the Government of Pakistan through Act of Parliament in May 1974. It is catering the educational needs and requirements of students across Pakistan through distance learning mean. During all these past years, the University has more than fulfilled this promise. It has opened educational opportunities for the working people and has provided access to the females at their doorsteps. The AIU, through its system of Distance Education has, thus, provided educational opportunities to these housebound girls and women.

The University for the purpose of Rules of Business, has been placed under the Administrative Control of Ministry of Federal Education & Professional Training, however, it enjoys an autonomous, having its Executive Council who is empowered to draw the policies, rules, regulations and procedures for the functions & operations of the University. On average, it enrolls more than one million students in a year. More than 2000 courses are being offered. It has the largest network of regional offices, having foot steps in 54 cities/regions, across the country.

The University has allocated funds for the procurement of various activities planned during the financial year 2025/26 and is intending that part of the proceeds of those funds will be used to cover eligible payments under the contract resulting from the hiring of consulting firm for Detailed Engineering Design and Construction Supervision of the following packages:
