TABLE OF CONTENTS

<u>S.NO.</u>	<u>DESCRIPTION</u>	<u>ANNEXURE</u>
1.	Terms and Conditions	A
2.	Scope of Work and Services	B
3.	Performa for Rates & terms of payment	C

## TERMS AND CONDITIONS

- 1- Contract will be awarded to experienced, eligible Contractor(s) and having past experience of execution of similar works after scrutiny and evaluation of the documents and offer submitted by them.
- 2- The Contractor will have to mobilize at site within six (06) days from the date of issuance of work order.
- 3- All Tools/ Tackles, Cranes, Lifters etc. for Unloading, Erection/ Installation, Testing & Commissioning and Load Test / Inspection at site as per client acceptance test procedure (ATP) are to be arranged by the Contractor.
- 4- The Contractor will have to complete the job as per schedule, to be mutually agreed.
- 5- For any delay beyond the stipulated schedule or any extended period, the Contractor will be charged liquidated damages @ 1.0% of Contract price per week of delay up to a maximum of 10% of the Contract value. If the Contractor fails to commence the work or breach the Agreement or suspends the progress of work for a period of more than one week, HMC will have the right to impose penalty on the Contractor as deemed appropriate or remove the Contractor from site and to complete the remaining work at his risk and cost.
- 6- Contractor shall follow the Drawings and instruction of HMC's Site In charge/ Engineer, issued from time to time during execution of work with regard to Erection/ Installation, site work, programs and completion etc. as per terms & conditions of the Contract, failure of which shall be considered breach of the Contract.

If the Contractor feels that the reasons of delay are beyond his control such as late deliveries of equipment/ materials from HMC, he will inform the same to HMC well in time, in writing to obtain Extension in completion from HMC. Contractor will not claim any extra/additional work.

- 7- The Contractor will arrange proper insurance cover for his workers, tools & tackles and surrounding building & equipment etc. and will indemnify HMC from all losses due to action of his or his staff engaged at the site during the Erection/ Installation & Commissioning period.
- 8- Tools / tackles and machinery deployed by the Contractor at the site will be considered as Performance Bond in lieu of submission of 10% Performance Bond.
- 9- The Contractor will guarantee and warrantee that the work of Erection/ Installation performed by him shall conform to the specifications and engineering standards. In case, any defects developed/ observed in the equipment due to bad fabrication / Installation or workmanship, the same shall be made good promptly by the Contractor, at his cost. The warranty shall be 12 months commencing from the date of Commissioning of Cranes and issuance of certificate by the Client to this effect.
- 10- For any dispute between HMC & the Contractor before or after the Award of the Contract, the decision of the Managing Director of HMC shall be considered final and binding upon both the parties, without reference to any court of law.
- 11- Contractor will arrange power, boarding/lodging, transportation etc of his staff and workers at site, at his own cost. Further, any other material required for completion of site work of crane will be the contractor responsibility.
13. Power Supplies will be provided by the client.

# HEAVY MECHANICAL COMPLEX

GOVERNMENT OF PAKISTAN

14. All tools tackles - consumable material like welding electrodes, gases, grinding disc etc. and handling equipment, required for Unloading, Erection/ Installation & Commissioning including Load Test will be arranged by the Contractor.
15. The Contractor will be responsible for Unloading and safe custody of equipment during Erection work and also up to final acceptance/ issuance of Certificate by the Client.
16. The Contractor will obtain satisfactory Completion Certificate from the Client for release of final payment to HMC.
17. If the Contractor fails to complete the work within stipulated time period, then HMC management reserves the rights to terminate the Contract and to complete the balance work at the risk and cost of the Contractor.
18. The Contractor will arrange necessary equipment for his workers as per health/ safety and environment (HSE) rules and work, accordingly. They will have to follow strictly the safety instructions issued by Client/HMC from time to time during execution of work. Contractor will be responsible for all losses occurred due to non-performance of safety measures etc.
19. The Contractor shall not be entitled to any claims for escalation in costs or compensation for idle time under any circumstances during the execution of the work. The quoted price shall remain firm and final throughout the contract period.
