**QUALIFICATION CRITERIA FOR LOCAL MANUFACTURERS OF
PE & MS SERVICE LINE MATERIAL ONLY**

Submission of Bid

- The bid must be submitted directly by the manufacturer of the offered items.
- Two or more manufacturers are not allowed to submit bid jointly.

Submission of Samples

- The bidder/manufacturer shall submit samples of the offered item along with the bid for evaluation and testing purposes, as per quantity specified in the Technical Specifications.
- Bids without samples shall not be considered for evaluation.
- All submitted samples must be manufactured by the bidder themselves. However, part(s) can be outsourced subject to final assembly of finished product at bidder's own manufacturing premises.

Testing & Evaluation of Samples

- The submitted samples shall be tested and evaluated against the tendered technical specifications.

Factory Visit & Capacity Assessment

- Upon satisfactory performance of samples, a factory visit shall be carried out by our team; comprising Indenting, QA and Procurement Department, at a notified date and time.
- The visit shall be conducted to assess the manufacturing facilities, production capacity, and quality control systems of the bidder, in line with the Company's defined Terms of Reference (TORs), attached with the tender.
- The bidder shall ensure that their manufacturing unit owned /outsourced is operational and in running condition at the time of visit to demonstrate the production capabilities.

Exemption for Existing Suppliers

- Manufacturers who have already supplied the offered item to SNGPL during the last five (05) years against any Purchase Order (including successful trial order) shall be exempted from the requirements of sample submission and factory visit.

Sales References & Experience

- The above-mentioned Qualification Criteria for local manufacturers of SLM (PE & MS) supersedes the requirements of sales references & experience mentioned elsewhere in the Tender Documents.

 سوئی ناردرن گیس Sui Northern Gas	<u>POST QUALIFICATION TOR / CRITERIA</u> <u>FOR LOCAL MANUFACTURERS FOR SUPPLY OF</u> <u>SERVICE LINE MATERIAL</u>	Document Ref.	TOR-PQ-SLM
		Rev.	00

The objective of this assessment process is to provide an alternate post-qualification methodology for local manufacturers to participate in tender enquiries for supply of service line material. This process ensures that only technically capable, and adequately equipped local manufacturers are qualified for supply of tendered items.

This TOR applies to all local manufacturers participating in tender enquiries, who have not previously supplied the tendered items to the Company during the last five (5) years.

Section 1 — Applicability & Definitions

- **Applicability:** Local manufacturers participating as single entities for provision of Service Line Material (PE & MS).
- **Manufacturer:** The bidding entity that performs final assembly of the offered items at its own facility.
- **Outsourced Component:** Any sub-part (e.g., rubber gaskets, cast/forged parts, fasteners) manufactured by a third party/vendor and being supplied to the bidding manufacturer for final assembly/ production.
- **Final Assembly (Mandatory):** All offered items shall be finally assembled and undergo final inspection at the bidding manufacturer's facility prior to dispatch/ supply to the Company.
- **Written Agreement for Outsourced Components (Mandatory):** The manufacturer shall ensure that any outsourced components used in the final assembly are supplied under a formal written agreement between the manufacturer and the respective vendor, outlining the terms of supply and quality requirements.

Section 2 — Process Overview

1. **Submission of Bid:** Bid must be submitted directly by the local manufacturer.
2. **Submission of Samples:** The bidder/manufacturer shall submit required quantities of samples of offered item(s) as specified in the technical specifications along with their bid.
3. **Testing & Evaluation:** The samples will be tested in the Company's in-house laboratory or from third-party to determine compliance with the required technical specifications.
4. **Factory Visit (Main Site):** In case samples are found compliant to the technical specifications, a factory visit will be arranged by our team to assess the manufacturer's facilities, production capacity, technical capability and quality assurance mechanisms. The manufacturing unit — whether owned and/or including outsourced operations — must be operational and able to demonstrate production.
5. **Outsourced Component Site Visit(s) (If Applicable):** Where critical components are outsourced, the Company will visit the supplier(s)' factories to verify capability, compliance with specifications, and quality controls.
6. **Exemptions:** Manufacturers who supplied the offered item(s) to the Company within the last five (05) years against purchase order(s); including successful trial orders, are exempt from sample submission and factory visit requirements.
7. **Sales References:** Sales reference/experience requirements mentioned elsewhere in the tender documents are superseded by this qualification route/ criteria.
8. **Compliance:** Failure to submit the required samples or to facilitate a factory visit (where applicable) shall result in disqualification of the bid.

Section 3 — Terms of Reference (TORs)

3.1 Objectives

- Verify that the manufacturer can consistently produce and supply items as per Company technical specifications and requirements.
- Confirm that final assembly and final inspection are performed at the bidding manufacturer's facility.
- Assess control over outsourced components, including supplier qualification, traceability, and incoming inspection.

3.2 Assessment Scope (Main Facility)

- Manufacturing & Final Assembly: Dedicated lines/fixtures, work instructions, in-process controls, and final inspection/testing.
- Capacity & Planning: Installed capacity, takt/cycle times, and capacity to meet delivery requirement.
- Quality Management: Inspection procedures, calibration, NCR/CAPA, and product traceability.
- Materials & Traceability: Raw material controls, batch-wise traceability from incoming to finished goods.
- HSE & Workforce: HSE compliance, PPE, training, competency of operators/inspectors; ergonomic & safety measures.
- Documentation: SOPs, control plans, test reports, retention of records.

3.3 Assessment Scope (Outsourced Components)

- A written agreement(s) with the outsourced component(s) vendor(s) along with all details like legal name, complete address, contact numbers, machinery/equipment details.
- Technical Capability: Process capability of the supplier (e.g., molding/compounding for rubber, casting/forging/machining for metal parts; whichever is applicable).
- Compliance Testing: Material verification (e.g., compound tests for gaskets; chemical/mechanical properties for casts/forgings), dimensional inspection and CoC availability.
- Incoming Inspection at Main Facility: Sampling plans, acceptance criteria, test equipment, and disposition for nonconforming parts.
- Traceability: Lot/batch traceability, linkage to finished goods serial/batch numbers, records of rework/scrap.
- Right-to-Inspect: Company's right to visit/assess sub-tier suppliers; cooperation requirements and evidence provision.

3.4 Conduct

- Operational Demonstration: Production lines must be running or capable of live demonstration during visit(s).
- Evidence Collection: Review of documents (POs/MoUs/Quality Agreements, SOPs, inspection reports, calibration records; whichever is applicable).

Section 4 — Checklist A: Main Facility (Final Assembly Mandatory)

Sr. No.	Evaluation Criteria	Description	Yes/No	Remarks
1.1	Final Assembly & Final Inspection (Mandatory)	Verification that all offered items are finally assembled and undergo final inspection at the bidding manufacturer's facility prior to dispatch.		
1.2	Manufacturing Facilities	Condition, layout, adequacy and suitability of machinery and production line for the offered items.		
1.3	Production Capacity	Ability to meet required volumes within stipulated timeframes.		
1.4	Technical Expertise	Availability of qualified staff, engineers, and skilled labor relevant to the manufacturing process.		
1.5	Quality Control Systems	Existence and effectiveness of QA/QC procedures, testing labs, certifications (where applicable)		
1.6	Materials and Traceability	Raw material controls; batch/lot traceability; counterfeit/material authenticity controls.		
1.7	Incoming Inspection (Outsourced Parts)	Sampling plans; acceptance criteria; records; quarantine of rejects; supplier feedback & corrective actions.		
1.8	Health, Safety & Environment	Compliance with safety standards, use of PPE, and environmental safeguards.		
1.9	Past Performance	Experience in supplying similar products (if any), consistency of performance in other industries. (optional)		
1.10	Documentation & Records	SOPs/work instructions; test reports; retention & retrieval of records.		

Section 5 — Checklist B: Outsourced Component Supplier (Visit If Applicable)

Sr. No.	Evaluation Criteria	Description	Yes/No	Remarks
2.1	Supplier Agreement (Mandatory)	Approved vendor status; written agreement and/ or signed Quality Agreement.		
2.2	Process Capability	Relevant process capability (e.g., rubber compounding & molding; casting/forging/machining); tooling control.		
2.3	Materials & Testing	Material certification (CoC); lab tests (e.g., tensile/elongation/hardness for rubber; chem/mech for metal); dimensional reports, where applicable.		
2.4	In-Process Controls	Work instructions; sampling; gauges; calibration; where applicable.		
2.5	HSE & Workforce	HSE compliance; trained operators; safe conditions.

 - Questionnaire (Annexure-I)
 - Clause by clause commentary on technical specifications (Compliance sheet).
 - Professional Tax Clearance Certificate (clause 29 of Appendix-A).
 - Copy of Sales Tax Registration Certificate.
 - Copy of Income Tax Certificate.
 - Certificate of Full Disclosure and Non-Collusion
 - Price Reasonability Certificate
 - Integrity Pact
 - **Offered Delivery Schedule must be mentioned in the technical bid.**
 - **Original Bid Bond must be submitted in shape of Bank Guarantee/ Pay order as per tender clause # 10 page 3 of General Terms, Appendix-A and SOR Appendix-B. The original bid bond must reach us before closing time/ date of the tender enquiry; failing with bid will not be considered for evaluation.**
 - **Tender Documents Fee Rs. 2,500/- must be submitted in shape of Pay order separately favoring SNGPL.**

Continued Page-2

(2)

ii). **FINANCIAL PROPOSAL:**

- Price term sheet (Appendix-D)
- Questionnaire (Annexure-I)

Your quotation along with requisite documents complete in all respect duly signed/ stamped shall be submitted online through E-PADS (Federal PPRA) on or before 25.03.2026 at 1430 hours and will be opened publicly on the same date at 1500 hours.

It will be the responsibility of the bidder to submit their quotation before the closing time. The Company does not take any responsibility, whatsoever, of submission of bids at E-PADS.

Bids received after the bids opening date and time will not be considered as per PPRA Rules.

It is advised to interested bidders to submit their bids/ quotations online through Federal PPRA E-PADS as well as in hard form through courier or by hand.

NOTE: SUBMISSION OF TENDER IN HARD FORM

The bidders are also required to submit their quotations in the envelope marked as “**TECHNICAL PROPOSAL**” and “**FINANCIAL PROPOSAL**” in bold and legible letters to avoid confusion, and sealed properly.

The original plus copy each of “**TECHNICAL**” and “**FINANCIAL PROPOSAL**” of the bid must be enclosed in duplicate sealed cover. The inner and outer envelope must bear the word “**CONFIDENTIAL**” “**GAS SERVICE TEES ¾” & 1” SIZE**”. Tender Enquiry No. LE-010/26 due for opening on 25.03.2026 and forwarded through courier or by hand at following address;

**GENERAL MANAGER PROCUREMENT, SUI NORTHERN GAS PIPELINES LTD,
GAS HOUSE, 1ST FLOOR, 21-KASHMIR ROAD, LAHORE-PAKISTAN.**

Bids / quotations will be received in this office on or before 25.03.2026 at 1430 hours and will be opened publicly on the same date at 1500 hours at the above-mentioned address. In case of holiday(s) falling on the date of bids opening bids / quotations will be opened at the same time on the next working day. It will be the responsibility of the bidder to deliver the bids before the closing time. The Company does not take any responsibility, whatsoever, of collection of bids from any agency. Bids / Quotations received after the bids opening date and time will not be considered and will be returned.

Initially, only the envelope marked as “**TECHNICAL PROPOSAL**” shall be opened. The envelope marked as “**FINANCIAL PROPOSAL**” shall be retained in the custody of SNGPL without being opened. During the technical evaluation no amendments in the technical proposal shall be permitted. Therefore, bidders are required to submit their offers complete in all respects.

After evaluation of the “**TECHNICAL PROPOSAL**” the company shall within the validity period, publicly open the financial proposals of the technically accepted bidder only at a time, date and venue announced and communicated in advance to all technically acceptable bidders.

The “**FINANCIAL PROPOSALS**” of the bids found technically non-responsive shall be returned unopened to the respective bidders.

Continued Page-3

(3)

2. The quotation submitted through online E-PADS (Federal PPRA) and hard form at above mentioned address shall be the same. In case of any contradiction/ difference, bid submitted through online E-PADS shall be considered for evaluation.
3. Your firm and irrevocable offer in Pak rupees must be based on free delivery at our mentioned specified stores.
4. The delivery must conform to the terms given in the Schedule of Requirement and Delivery (Appendix 'B') and must be strictly adhered to. Earlier delivery will also be acceptable.
5. General Terms attached as Appendix-A, must be taken into consideration before submitting your quotation.
6. Your offer must remain open for a period of 60 days from the closing date of the tender.
7. If you have any doubts as to the meaning of any portion of the specifications or "General Terms", you should when submitting your bid, set out in your covering letter, the interpretation upon which you rely.
8. We reserve the right to increase / decrease the tender quantities or cancel this enquiry in whole or in part before tender opening should our requirement change in the meantime. After tender opening, the quantities may be increased / decreased by 15% of the tender quantities. However, decrease beyond 15% shall be subject to concurrence by the successful bidder.
9. We also reserve the right to have items inspected by a third-party inspector at our own expense.
10. It must be indicated by the bidders in their offers/quotations that their quotation fully conforms to technical specifications and to the terms and conditions of the tender enquiry.
11. Only one authorized representative of bidder will be allowed to attend the public opening of bids, who will be required to submit an authority letter (as per specimen attached as Appendix 'G') in his favor issued by the respective bidders(s) for attending the public opening of bids, failing which he will not be allowed to attend the public opening.
12. Any attempt to obstruct competition by any means including formation of cartels will lead to rejection of your bid. Furthermore, this may also lead to de-listing for your firm from list of approved / pre-qualified manufacturers of the tendered item.
13. If needed be, please contact Mr. Haider Abbas Dy. Chief Officer (Procurement) Ph: # 042-99085026, E-mail: haider.abbas@sngpl.com.pk
14. It is contractor's responsibility to take measures as per General Procedure of HSE in view of the environmental health, safety law and regulations, which is available at www.sngpl.com.pk.
15. Blacklisting and Debarment of bidders and suppliers shall be as per PPRA Rule No.19.
16. Bidders are required to submit their firm and irrevocable offer in Pak Rupees inclusive of all Govt. Taxes, Duties & Levies etc. except Sales Tax, which must be based on free delivery at our specified stores / location. The amount of Sales Tax, where applicable, would be mentioned separately. In case GST is not mentioned separately, it shall be considered that offered bid price is inclusive of GST. However, bidder may be required to provide documentary evidence regarding application or exemption of sales tax as mentioned in bid, if required by us during evaluation of bids or after placement of order / contract. Payment of sales tax shall be made as per prevailing Govt. rules / regulations."

Yours faithfully,
SUI NORTHERN GAS PIPELINES LIMITED

SCHEDULE OF REQUIREMENT/DELIVERY

TENDER ENQUIRY NO. LE-010/26

The approximate total requirement of "GAS SERVICE TEES ¾" & 1" SIZE" and delivery required is as under:

SR. #.	Description	Qty. Nos.	Bid Bond Valuing (Rs.)	Delivery Required
1.	Gas Service Tee ¾" Dia (Detailed Technical Specification / Drawing is attached as Appendix- 'C' 02 Pages)	87,000	4,122,000/-	Delivery required 33,500 per month starting 30 days after receipt of purchase order at our SNGPL Gulberg Stores, Gurumanget Road, Lahore
2.	Gas Service Tee 1" Dia (Detailed Technical Specification / Drawing is attached as Appendix- 'C' 02 Pages)	3,500	484,000/-	2,500 Nos. per month starting 30 days starting after receipt of purchase order at our SNGPL Gulberg Stores, Gurumanget Road, Lahore
Total Rs.			4,606,000/-	

Mandatory Requirement of Samples: -

- ❖ Provided the samples must comply with all clauses of the technical specifications / drawings of the tender enquiry. In case sample received with bid is not found in conformance of the tender specifications, no chance will be given to submit any improved samples.
- ❖ In order to ensure improvement and consistency in quality of the locally manufactured Gas Service Tees ¾" & 1" dia must note that after testing of any lot by our Material Inspection Shop, Lahore, if rejection on account of any major fault / defect / deficiency in quality / performance of material composition is observed to be above 10%, SNGPL will be entitled to recover material testing charges of the whole lot @ Rs.3/- per piece, which will be deducted from the payment due from SNGPL.

Notes: -

1.	Bidder must conform to the specified tender terms.
2.	During the course of evaluation, if any clarification is required from bidder, the timeline for submission of response must be adhered to, failing which the bid may not be considered for further processing.
3.	The bidders are required to quote their prices strictly as stipulated in the clauses 3(a) to 3(b) below. Any bid received without indicating unit price for delivery at our specified Stores / location other required breakdown of prices will be considered as non-responsive.
3(A)	Please quote your firm and irrevocable prices(s) for free delivery at our specified Stores / location including all Government taxes / duties, transportation, unloading, stacking at above mentioned Stores but Excluding of sales tax on the end product offered by you. Sales tax on finished product offered by you. Sales tax on finished goods may be reimbursed to you on the basis of documentary evidence for being paid the sales tax to relevant Government authorities.
3(B)	Please indicate separately break up of your quoted prices as per clause 3(a) above giving cost of raw materials (including all duties, taxes, sales tax) and Sales Tax payable on the end finished products, if any should be indicated separately with documentary evidence.
4.	Please note that the following Price Reasonability Certificate must be submitted along with your quotation as per Appendix "L": "Certified that the prices quoted against subject Tender Enquiry are not more than the prices charged from any other purchase organization and in case of any discrepancy the tenderer / bidder hereby undertakes to refund the price charged in excess."
5.	Free delivery at our specified store including all Taxes / Duties included in your quoted prices duly supported by documentary evidence.
6.	The bidders are required to provide complete details of orders in hand with them along with delivery period start to end and of tenders against which bidder / manufacturer has already participated against tenders of different organizations including SNGPL. Pursuant to above, the bidder should demonstrate the compliance to the delivery schedule stated in the present tender enquiry by a bar chart showing the delivery of orders in hand and that of the present tender enquiry. Any departure from this clause may make the bid liable to rejection.
7.	PACKING: -
i)	The material should be packed suitably for safe transportation / handling / storage etc.
ii)	Every piece should carry your distinguishing mark.

8.	INSPECTION: -
i)	It is prime responsibility of 3 rd party inspection firm to carry out 100% inspection of material strictly as per specifications of SNGPL and ensure that no faulty material is dispatched to our store location as SNGPL accept the material meeting the specifications only. In case the material inspected & cleared by 3 rd party inspector(s) against inspection order is subsequently rejected or not found acceptable by SNGPL during in-house inspection due as its non-conformance to the specifications or any inherent defect in material, SNGPL will deduct twice the relevant inspection charges as penalty from bill(s) of 3 rd party inspection firm if overall rejection ratio is more than 5% of total quantity inspected by SNGPL. No such penalty of double deduction will be charged from 3 rd party inspection firm for overall rejection up to 5% of total quantity inspected by SNGPL. Therefore, the 3 rd party inspection firm shall continue 100% inspection of material at manufacturer/ supplier's premises until complete ordered quantity is accepted during in-house inspection/ testing by SNGPL. No extra inspection charges shall be paid by SNGPL for re-testing of quantities found rejected by SNGPL during in-house inspection.
ii)	Please note that inspection charges pertaining to quantity rejected by third party inspectors shall be deducted from your bills. As such it will be the responsibility of the successful bidder to ensure that the quantity offered for testing / inspection to our appointed third-party inspectors meets the specifications stipulated in the tender documents. Clause to this effect shall also be included in the purchase order placed on the successful bidder.
iii)	The inspection order will stand expired after 70 days of original delivery time period of the purchase order. The inspection order's validity is further extendable with mutual consent of both SNGPL & 3 rd party inspection firm on same terms. However, after expiry of inspection order the manufacturer shall pay the inspection charges to the 3 rd party inspection firm to be appointed by SNGPL as per new inspection order or extended inspection order. The manufacturer must ensure to deliver the complete acceptable quantity within stipulated delivery period of the purchase order as per terms & conditions thereof. The extension in validity of inspection order; where required, does not mean to revise the original delivery period of the purchase order."
iv)	It is responsibility of manufacturer to develop and maintain their in-house QA/QC system at their manufacturing premises to ensure and certify that the material is being manufactured as per SNGPL's specifications. Third party inspection firm deputed by SNGPL at manufacturer's premises will authenticate the certificate of the QA/QC of manufacturer along with all other responsibilities as per inspection order. Therefore, the testing charges & transportation charges of samples for carrying out physical testing, chemical testing/ analysis and metallographic or any other prescribed test as per SNGPL's specifications of required material/item for which testing facility is not available at manufacturer's premises shall be paid / borne at actual by the manufacturer. However, SNGPL can arrange any test(s) or repeat the test(s) from outside lab(s) of the raw material/ final product as the case may be.
9.	The Company reserves the right to reject any bid received from any bidder who have defaulted the supply fulfillment contractual obligations etc. with respect to supply / services against previous purchase order(s) placed on them.
10.	Only those manufacturers can participate in this tender enquiry who in the absolute discretion of SNGPL are eligible to do so.
11.	Material should be supplied as per our specification, sub-standard / defective material will have to be replaced by you on 'NO CHARGE BASIS' even after our acceptance.
12.	Bidders are required to complete "Appendix-I" (Questionnaire Form) attached with the tender enquiry and return it with their quotation.
13.	The Company reserves the right to extend the opening date of tender enquiry without assigning any reason and to accept or to reject any offer without assigning any reasons.
14.	In case goods supplied by you are found sub-standard at any stage, you will be required to replace at your own cost within 7-days of receipt of written letter from us to that effect.
15.	Your offer should be accompanied by a copy of valid Sales Tax Registration, NTN and Professional Tax clearance certificate in your name, failing which the offer will not be considered for evaluation.
16.	Sales Tax will be paid to you on submission of documentary evidence.
17.	Conditional bids are liable for rejection. For example, but not limited to: -
(i)	Rate of exchange fluctuation, Partial Order acceptance, Govt. Duties & Taxes etc.
(ii)	Bidder must conform to the specified tender terms.

18.	Conditional bids are liable for rejection. For example, but not limited to: - Rate of exchange fluctuation, Partial order acceptance, Govt. duties & taxes etc.
19.	Bidder in their quotation write the prices in figures as well as in words. In case of any dispute between unit price, and total price, the unit price shall prevail.
20.	Discount, if any, should be boldly shown under the prices. Discount, if conditional or not read at the time of bid opening shall not considered during bid evaluation.
21.	We reserve the right to increase/decrease the quantities or cancel this enquiry in whole or in part before tender opening should our requirement change in the meantime. After tender opening, the quantities may be increase / decrease by 15% of tender quantities. However, decrease beyond 15% shall be subject to concurrence by the successful bidder.
22.	Your deliveries are liable to be tested / physically inspected by us and if you fail to supply the material according to our specifications we reserve the right to cancel the purchase order.
23.	Bids will be evaluated and accepted for above offered quantity. No bid will be acceptable for less than the quantity specified above in the schedule of requirement.
24.	Please note that only firm and irrevocable offer will be considered for evaluation and acceptance, and no offer which contains any conditions such as the quoted price linked with foreign exchange rates, custom duty and transportation etc. will not be considered for acceptance.
25.	Please indicate clearly your reservations if any, to the terms and conditions of the tender enquiry, on the quotation.
26.	It is contractor's responsibility to take measures as per General Procedure of HSE in view of the environmental health, safety law and regulations, which is available at www.sngpl.com.pk .
27.	The bidder is required to be on Active Taxpayer List of FBR for obtaining tender documents and quoting bid against tender enquiry.
28.	The following documents / information must be provided along with the bid: - ➤ Name of the bidder. ➤ Type of ownership i.e. Proprietor / Partnership / Private Limited Company / Public Limited Company. Following relevant papers must be provided in respective cases: - ➤ Copy of NIC in case of single proprietor / Copy of Partnership deed in case of partnership / Copy of Article of Association for Private / Public Limited Companies. ➤ Date of establishment of business concern. ➤ GST Number along with copy of certificate. ➤ National Tax Number along with copy of certificate. ➤ Professional Tax Clearance Certificate (2025-26)
29.	Please provide your firm's official E-mail ID & Website (if any) Contact Numbers in your bid for correspondence. ➤ E-Mail ID. Website. Contact Numbers.
30.	The bidder is required to provide below mentioned details in their bids failing which their online payment as per FBR directive may delay for the want of mandatory details.

Sr. No.	Name of Supplier	Account Name	IBAN Account Number	Account Number	Account Title / Name	Bank Name	Branch Name	Branch Code

1. Scope & Purpose

This specification covers the design, materials, welding, inspection, testing and documentation requirements for stub-on type Gas Service Tees (3/4" and 1") intended for welding onto API 5L Grade B feeder mains operating at a Maximum Allowable Operating Pressure (MAOP) of 150 psig. The tees shall be suitable for hot tapping operations using Mueller E5 or D5 drilling machines (or equivalent). Dimensions shall strictly conform to Drawing No. M-332 dated 24-03-2009.

2. Intended Application

Used for making service connections on distribution mains under full line pressure. The design shall permit the following operations under full line pressure:

- Drill the main
- Insert completion plug
- Extract completion plug
- Shut off service using rubber shut-off tool to permit re-welding of tee connection.

3. Applicable Standards

ASME B31.8, API 5L, ASTM A105, ASME B1.20.1, EN 10204, EN 1982 and Drawing No. M-332 dated 24.03.2009.

4. Environmental & Operating Conditions

Maximum working pressure 150 psig; Test pressure 225 psig.

5. Functional Requirements

Must permit drilling, insertion/extraction of plug, and shut-off under live gas. The service tee shall be designed such that, when welded to API 5L Grade B line pipe in accordance with ASME B31.8, the branch connection can satisfy the reinforcement requirements of ASME B31.8 for openings in piping.

6. Design & Construction Requirements

The dimensions of the Service Tee components shall be made in accordance with Drawing No. M-332 dated 24.03.2009.

The Service Tee shall comprise the following parts:

Body: Forged carbon steel conforming to ASTM A105; Bevel End 30°, +5°, -0°.

Plug: Copper alloy conforming to EN 1982 Grade CC491K (or equivalent).

Cap: Cast iron conforming to ASTM A126 Class B. Cap shall withstand MAOP conditions and mechanical handling during installation.

All threaded portions (boss, plug, cap) shall conform to ASME B1.20.1 (NPT).

Thread pitch and geometry shall match Drawing M-332 dated 24-03-2009.

7. Inspection & Testing Requirements

Leakage test shall be done without sealant. Visual inspection and dimensional verification shall be carried out at in-house inspection lab.

8. Documentation Requirements

Drawings, technical literature/brochure & test certificates with delivery as per EN 10204 Type 3.1 including material test reports (MTR), chemical composition, mechanical properties and hydrostatic test confirmation.

Document No.	SNGPL-SPFC-GST1
Rev #	02
Rev. Date	30-JAN-2026
Pages	Page 2 of 2

9. Marking & Traceability Requirements

Permanent marking of size and manufacturer name/trademark.

10. Packing, Transport & Storage Requirements

25 Nos. pieces of 3/4" Tees and 15 Nos. Pieces of 1" Tees in 1 box. Packing suitable to prevent damage during handling, transport, and storage.

11. Deviations & Compliance

Clause-by-clause commentary against technical specifications.

12. Sample

- Bidders who have not supplied Gas Service Tees to the Company against any purchase order during the last 5 years shall submit 10 Nos. samples of Gas Service Tees along with the bid. Provided samples must comply with all clauses of technical specifications.
- The bidders who have already supplied successfully Gas Service Tees to the Company during the last 5 years against previous purchase orders, including trial order, are exempted from submission of samples.

GENERAL TERMS

1. LANGUAGE

The ruling language of this tender is English.

2. PRICES

- 2.1 Bidders are required to submit their firm and irrevocable offer in Pak Rupees, which must be based on free delivery at our specified stores /location.
- 2.2 Prices should be quoted on Price Terms Sheet on Appendix “D”. Bid for lesser quantities than specified in the tender shall not be accepted.

3. STANDARDS

- 3.1 Where National/International standards are specified, material meeting other authoritative standards which ensure an equal or higher quality than the standards mentioned will also be acceptable.
- 3.2 Where definitions are given in terms of specific National/International standards those should be taken as a very close approximation of the requirements to be met.
- 3.3 In each case where reference is made to any specific National/International standards, ensuring equal or higher quality will also be acceptable. In case your offer conforms to Standards other than specified in the tender enquiry, you are required to submit along with your bid, one copy each of those standards in English, and evidence that the standards used are recognized and authoritative standards which ensure equal or higher quality. In case you do not submit the required evidence and copy of the standards, then your offer may not be considered.
- 3.4 In case the bidder is not able to fully comply with the technical specifications of tender enquiry, he must indicate his reservations in the offer and submit complete specifications/literature of the items he is offering. Bids will be disqualified if relevant technical literature/specifications are not attached to the offer.

4. CLARIFICATION OF BID

- 4.1 Quotations should not have any over-writings. Corrections if any, must be made by deleting and re-writing. All such deletions/cuttings must be authenticated by additional signatures. Quotations carrying over-writing are likely to be disregarded.
- 4.2 No bidder will be permitted to alter his bid after the bids have been opened, but clarifications not altering the substance of the bid may be solicited and/or accepted. No bidder will be asked or required to alter the substance of his bid.

- 4.3 It is the intention of Sui Northern Gas Pipelines Limited, to deal directly with manufacturers of the items required.
- 4.4 All deviations from or exceptions to, or qualifications of specifications shall be clearly stated separately in the proposals.
- 4.5 The manufacturers should offer only one product against each item, in conformity with the specifications stipulated in the tender documents.

5. REJECTION OF BIDS.

- 5.1 Sui Northern Gas Pipelines Limited reserves the right to reject any or all bids which do not meet the intent of the specifications or where there is evidence of lack of competition or where the lowest bid exceeds the cost estimated by an amount which in the opinion of Sui Northern Gas Pipelines Limited is sufficient to justify such a cause.
- 5.2 The Company does not bind itself to accept the lowest or any particular bid or any part of a bid, nor will be responsible to pay the expenses or losses which may be incurred by any tenderer/ bidder in the preparation of his bid.

6. EVALUATION OF BIDS

- 6.1 For the purposes of determining the lowest evaluated bid, facts other than price such as guaranteed delivery period, reliability and efficiency of material, availability of service and spare parts and creditability of bidders will be taken into consideration.
- 6.2 Every bidder is required to submit only one proposal / option against of one tender documents set. Alternate / second option / proposal can be submitted by procuring new tender documents set with submission of separate bid bond. Submission of more than one options / offers against purchase of one tender document set by submitting one bid bond will lead to disqualification / rejection of the whole bid. No further chance / clarification to withdraw additional offer / option will be provided.
- 6.3 Bids will be evaluated on item-wise basis, unless and until mentioned otherwise. However, in case, after evaluation, the tendered quantities are splitted between two or more bidders and chunk of any supplier(s) is too small to cover administrative cost on further processing of the purchase order, pre-shipment inspection cost etc, as determined by the procuring agency, order of such item(s) will be placed on next lowest available responsive bid winning / securing orderable quantities.

7. CANVASSING

Canvassing by any bidder at any stage of the tender evaluation is strictly prohibited. Any infringement will lead to disqualification.

8. AWARD OF CONTRACT

It is the intention to award a contract to the bidder whose bid has been determined to be the lowest evaluated technically acceptable bid and who meets the approximate standard of capability and financial responsibility subject to our reservation as mentioned at clause 6 above.

9. VALIDITY OF BIDS

- 9.1 Your offer must remain valid for a period of **60 days** from closing date of the tender. Bids received with shorter validity may be considered non-responsive.
- 9.2 The buyer/purchaser may, however, request for extension of validity of bids without any change in quoted price and other terms and conditions. The bidder (s) may refuse to extend validity of their bid beyond their quoted validity.

10. BID SECURITY

- 10.1 Every bidder shall furnish as part of its bid, bid security (in original), in the amount as mentioned in **SOR** (schedule of Requirement) in the form of a Bank Draft / Pay Order or a bond (Bid Bond) issued by a scheduled Bank of Pakistan on a non-judicial stamp paper (as per specimen enclosed as Appendix 'E') valid for **30 days** beyond the validity of bid/ quotation from the date of bid opening or extended validity of bid. This will serve as a guarantee of acceptance of purchase order in case his bid turns out to be the lowest evaluated bid.
- 10.2 Any Bid, which is not accompanied by the requisite bid security (in original), would be treated as without bid security and will not be read out at the time of tender opening and will be considered as non-responsive. No Telefax advice regarding issuance of Bid Bond received from bidder / Bank will be considered sufficient in lieu of actual Bid Bond. Bids received alongwith bid security in the amount of less than required amount shall be treated as non-responsive.
- 10.3 This bid bond will serve as guarantee in case bidder subsequently either withdraw, or unilaterally modify, vary or alter his bid after opening of the bids and before expiry of bid validity period, or fail to accept our purchase order, placed on them within the validity of their bid or its extended validity in case his bid turns out to be the lowest evaluated bid. Bid Bond will be retained until SNGPL enters into an Agreement or until 90 days after bid opening date, whichever is later.
- 10.4 The cost of the above bonds shall be borne by the Bidder.
- 10.5 The bid security may be forfeited: -
 - a) If any bidder withdraws its bid, during the period of bid validity specified by the bidder in his bid or extended period of validity of their bid/quotation.
 - b) In the case of successful bidder, if the bidder fails: -
 - i) To sign the Contract/Purchase Order or
 - ii) To furnish Performance/Warranty Bond Guarantee.

11. PERFORMANCE/WARRANTY BOND GUARANTEE

- 11.1.1 **PERFORMANCE SECURITY:** (as per draft Appendix- 'F'). **Within 30 days** after the receipt of Purchase Order, the supplier shall furnish Performance/Warranty Bond Guarantee in the form of Bank Guarantee issued by a scheduled Bank in Pakistan, to the purchaser in the amount of **10%** (ten percent) of the total net value of the contract (excluding taxes).

Performance Security may also be provided in shape of **Pay Order/ Bank Draft/CDR favoring SNGPL** along with an undertaking on non-judicial stamp paper for Rs.100/- that “the supplier/bidder accepts tender enquiry/purchase order terms including Performance/warranty bond guarantee, Late delivery charges, termination of contract etc. and shall comply these term & conditions.

- a) The proceeds of the Performance Security shall be payable to the purchaser as compensation, in whole or in part, for supplier’s failure to complete its obligations under the contract, on pro-rata basis to the extent of contract (amount) not performed, in addition to other claims, if any as mention in the tender documents.
- b) This will serve as Performance Bond to guarantee timely and complete delivery of the material as per delivery schedule.

Subsequently, this will serve as Warranty Bond as per clause 11.2 given below: -

11.1.2 The Performance/Warranty Bond Guarantee, if provided within the given time period of **30 days**, shall remain valid for a period of **not less than 6 months**, after the last portion of the goods and / or services have been delivered to the final destination indicated in the contract. In case Performance/Warranty Bond Guarantee is not received within given time period of 30 days, the validity period of **06 months** will be increased to **09 months** after the last portion of the goods and services are delivered to the final destination. In case, the Performance/Warranty Bond Guarantee is not received within 60 days, the relevant clauses of the tender / purchase order will be invoked, contract will be terminated and submitted bid bond will be forfeited.

11.1.3 Pursuant to above, after initial period of **30 days**, a notice will be served to supplier for submission of Performance/Warranty Bond Guarantee within next 10 days. In case of adherence to the notice, the period of Performance/Warranty Bond Guarantee will be as per stipulation of clause 11.1.2. In case the supplier fails to submit Performance/Warranty Bond Guarantee even after 10 days of notice, final notice will be issued to submit Performance/Warranty Bond Guarantee within next 20 days (overall not later than 60 days of receipt of the purchase order). In case of failure, purchase order will be terminated and bid bond will be forfeited.

11.2 WARRANTY

11.2.1 The supplier warrants that the goods and services supplied under the contract shall conform to the specifications provided in this tender enquiry. The supplier also warrants that the good and services supplied under the contract are new, unused, of the most recent improvements in design and material unless provided other-wise in the contract. The supplier further warrants that the goods and services supplied under this contract shall have no defects arising from the design, materials or workmanship (except in-so-far as the design or material is required by the purchaser’s specifications) or from any act of omission of the supplier, that may develop under normal use of the supplied goods in the condition’s usage at final destination.

11.2.2 The purchaser shall promptly notify the supplier in writing of any claim arising under this warranty. Upon receipt of such notice, the supplier shall, with all reasonable speed (but not later than original delivery period), replace the defective goods or parts thereof, without costs to the purchaser.

If the supplier having been notified, fails to replace the defective goods and pay all costs/expenses and damages within a given time period, the purchaser may proceed to take such remedial action as may be necessary, at the supplier's risk and expense and without prejudice to any other rights which the purchaser may have against the supplier under the contract, including partial or complete forfeiture of the Performance/warranty Bond Guarantee.

11.2.3 In case any material has been wrongly / short supplied, found being not in conformity with the specifications provided in the tender enquiry / purchase order, either on account of inferior quality, defective workmanship, faulty design, faulty packing or short received, the supplier apart from the short supplies, faulty or defective material, will undertake to replace the item(s) free of charge and shall also pay all cost/expenses and damages incurred by SNGPL due to breach of warranty including extra duties and taxes paid by SNGPL on account of payment of such duties/taxes for the second/or more time of free placement(s). Full cost of replacement shall mean the cost of locating the failure cutting out, removal of faulty material, supply and insertion of new material, coating & wrapping, hydrostatic test, back filling and commissioning etc. whichever is applicable to such an eventuality.

11.2.4 The defective item(s) will be handed over by SNGPL to the supplier's authorized representative at our site/location.

11.2.5 Supplier's total liability in this respect shall not be limited to the extent of the Performance/Warranty Bond Guarantee.

11.2.6 Nothing contained herein shall be construed to limit the suppliers' obligations and liabilities with regard to the performance of the contract /purchase order.

11.2.7 The Performance/Warranty Bond Guarantee will be discharged by the Purchaser as soon as possible following the date of completion of the supplier's Performance obligations, including any warranty obligations under the contract.

12. LATE DELIVERY AND OTHER CLAIM(S) / CHARGES

12.1 Time shall be essence of the contract/purchase order and it will include a clause on Late Delivery Charges. This interalia will state that if the materials, as given in the order have not been delivered on time and as per stipulations in the contract except on account of Force Majeure, Sui Northern Gas Pipelines Limited (SNGPL) shall be entitled to recover **1%** of the total value (excluding sales tax) of the delayed part of material for each week of delay, by way of Late Delivery Charges subject to a maximum of **10%** of the total value (excluding sales tax) of the delayed part of the material. The period for calculation of Late Delivery Charges shall be reckoned in number of days for which the material was delayed.

- 12.2 All the supplies after expiry of scheduled delivery period will be subject to clause mentioned above and does not require any additional noting / marking / comments on delivery challans etc. at the time of receipt of delayed supplies.
- 12.3 The payment of such Late Delivery Charges shall not relieve the supplier from performing and fulfilling its obligations under the contract nor will the corresponding rights and entitlements of Sui Northern Gas Pipelines Limited be affected or reduced in any manner.
- 12.4 Whenever Late Delivery Charges or any other claim become payable, SNGPL, in its sole discretion shall quantify the same as per tender terms and serve a written notice upon the supplier requiring immediate payment thereof. If the supplier fails to remit payment within the given time period as mentioned in the notice, to be served under any mode of communication i.e. E Mail, Fax, Courier, registered postal cover etc., SNGPL will become entitled to recover the same forthwith by calling upon the complete Performance/warranty Bond Guarantee. The amount over and above the SNGPL's claim will be returned to the bank, on supplier's account, after completion of contract performance period.
- 12.5 In case of a contract on turnkey basis or the material covered in the contract is a compact unit consisting of more than one item(s) / part(s) or the delayed part of supply / services, in any way, affects the overall completion, utilization or functionality of the whole item / work, the L/D charges will be worked out on whole unit(s).

13. FORCE MAJEURE

- 13.1 Notwithstanding any provision to the contrary contained for damages or be deemed in default of the provisions of the contract/purchase order for failure to perform or delay in the performance of obligations assumed by such party pursuant hereto in-so-far as the said affected party can clearly establish that its performance has been prevented or delayed by Force Majeure. The term "Force Majeure" as employed herein shall mean acts of Government in their sovereign capacity, riots, strikes, lock outs, fire occurring in the supplier's establishment, political disturbances, mobilization, wars, unprecedented flood, storms hurricanes or other acts of God.
- 13.2 If a party wishes to claim relief of by reasons of Force Majeure, it shall within ten days of its occurrence serve written notice of occurrence of such a Force Majeure on the other party through registered posts. The two parties shall consult each other and agree upon the measures to be taken. As soon as the Force Majeure ends, the affected party shall promptly resume performance of its obligations under the agreements and intimate the other party about this.

14. TERMINATION OF CONTRACT

- 14.1 In case a contract/purchase order is placed on the basis of this tender enquiry Sui Northern may, without prejudice to any other remedy for breach of contract, by written notice of default sent to the supplier terminate the contract in whole or in part.

- a. If the supplier fails to deliver any or all of the goods within the time period(s) specified in the Contract/order, or any extension thereof granted by Sui Northern.
 - b. If the supplier fails to perform any other obligation(s) under contract/order or
 - c. If the supplier, in either of the above circumstance, does not cure its failure within a period of **30 days** after receipt of the default notice from Sui Northern.
15. In the event, Sui Northern terminates the contract in whole or in part pursuant to para 14 Sui Northern may procure, upon such terms and in such manner as it deems appropriate goods similar to those undelivered, and the supplier shall be liable to Sui Northern for any excess cost for such contract to the extent not terminated.
16. Your material/goods are liable to be technically/physically inspected by us and if you fail to supply the material/goods according to our specifications, we reserve the right to cancel our purchase order on you.
17. Complete technical literature/relevant brochure of the goods offered should be accompanied with the offer, failing which the bid is liable to rejection. Technical catalogue/literature are necessarily required in support of the quoted specifications. In case the accompanying literature does not support the specifications as quoted in the bid, it would be liable to rejection.
18. In case the supplier fails to supply the goods within stipulated period and seeks extension from the Company and that in the event of extension granted by the Company in completion of the supply of goods, in case the existing tax including excise duty is either increased or new tax is imposed by the government during the extended period delayed delivery by the bidder, payment thereof will be the sole liability of the seller and the Company shall not be liable to pay any such amount to the supplier/seller on account of imposition of new duty custom, excise or tax or increase in existing rate of duty custom, excise or taxes.
19. While tendering your quotation, the present trend in the rate of material/goods in the market should be kept in mind. No request for increase in price due to market fluctuations in the cost of material/goods will be entertained.
20. In case of an order on you, you will be required to execute the order strictly in accordance with the terms and conditions of the order. In case any of the terms and conditions of the order are violated we will have the right to cancel the Purchase Order or part thereof as necessary.
21. **POST QUALIFICATION**
 - 21.1 In the absence of prequalification, the purchaser shall determine to its satisfaction based upon an examination of the documentary evidence of manufacturer's financial, technical and production capabilities submitted by the bidders along with its bid. Pursuant to the following as well as any other information as the purchaser may deem necessary and appropriate: -

- a) That, in the case of bidder offering to supply imported goods under the contract which the bidder did not manufacture or otherwise produce, the bidder has been duly authorized by the goods manufacture or produce to supply the goods in the purchaser's country.
- 21.2 The purchaser shall determine to its satisfaction whether the supplier/manufacturer selected as having submitted the responsive bid is qualified and has the capability and resources to satisfactorily perform the contract.
- 21.3 The bidder will provide the names and addresses with names of contacts including Email Addresses telex/telex numbers of the Oils and Gas Companies to whom the tendered product has been sold in size- able quantity during the last five years. Simply submitting a list of customers to whom the manufacturer has been supplying various goods, will not meet the intent and purpose of this requirements. This information must form a part of bid, and the bidders are not encouraged to submit any of this information subsequently after public opening of the bids.

The bidder shall provide documentary evidence of their having been in the line of manufacturing the offered items for the past five (5) years.

- 21.4 However, bidders quoting an item or material of a manufacturer, which has been successfully supplied during last 05 Years to SNGPL w.r.t. brand / model # / make / country of origin / manufacturing, against any of previous purchase order, or has been declared technically responsive after meeting Post Qualification Terms against any of SNGPL tender enquiry during the last 05 years of the tender enquiry date, are exempt from clause 21.3. A proof of eligibility (i.e. copy of SNGPL's purchase order or technical responsive letter) however has to be attached with the bid instead. Without any proof, the bid will be considered deficient to clause 21.3.
- 22 Quotations from bidders, who are determined to have previously in Sui Northern's judgement committed default in respect of any of its obligation against any of our previous contracts on them will not be entertained.
- 23 An affirmative determination will be a pre-requisite for award of the contract to the bidder. A negative determination will result in rejection of the bidder's bid, in which event, the purchaser will proceed to the next lowest evaluated bid to make a similar determination of that bidder's capabilities to perform satisfactorily.
- 24 In case of purchase order on you and subject to above, if the purchase order on you or part thereof is cancelled, we shall have the right to make purchase from other source at your risk and cost and difference if any will be recovered from you.

25. PAYMENT

- 25.1 Payment of your bills will be made by our Accounts Department within 30 days' time after satisfactory completions of the delivery and submission of Bills as given in the purchase order.

25.2 Supplier's bill in duplicate accompanied by a receipted copy of Delivery Challan should be submitted within 30 days of the date of delivery of the material. Any delay in submitting the bills will result in corresponding delay in payment.

OR

25.3 Payment will be made against inland L/C on 30 days deferred payment basis. In such an event, bank charges pertaining to the L/C will be borne by seller/supplier/beneficiary.

25.4 Government taxes as per prevailing rules will be deducted from supplier bills, as required vide Gazette Notification No.15 INCOME TAX) deduction of Tax at source. If you are exempted from deduction of advance tax, you may state so and enclose a photocopy of any such Valid Tax Exemption Certificate.

25.5 In case the local suppliers desire payment through inland Letter of Credit they should so state in their respective bid. In that case, all bank charges relating thereto would be borne by the suppliers.

25.6 In case a supplier who can deliver material 30 days before scheduled delivery, will be paid within 15 days (instead of 30 days as per order). If delivery is made 60 days before schedule, payment will be made within 07 days (instead of 30 days).

25.7 SNGPL as withholding agent, as per Sales Tax Special Procedure (withholding) Rules 2007, shall deduct the amount of sales tax shown in the sales tax invoice issued by the supplier and make payment of the balance amount as per prevailing rules/ laws.

26. DEVIATION IN PAYMENT SCHEDULE

The general conditions of contract indicate the payment schedule offered by the purchaser, if a bid deviates from the schedule and if such deviation is considered acceptable to the purchaser, the bid will be evaluated by calculating interest earned for any earlier payments involved in the terms outlined in the bid as compared to those stipulated in his invitation, at a rate of **14 percent** per annum. In case after adding such interest, a supplier turns out to be the lowest bidder and order is eventually placed on them, payment will be made to them within the period quoted by them and on which interest is worked out as above.

27. ARBITRATION/RESOLUTION OF DISPUTES

27.1 Any difference of dispute arising out of or in connection with the contract between the Purchaser and the Supplier which cannot be amicably resolved shall be referred to **Arbitration in Lahore**, Pakistan, to two Arbitrators, one to be appointed by each party of such difference/dispute. In case of the judgment of the said Arbitrator being at variance, the matter shall be referred to an "Umpire", who shall be appointed by both the said Arbitrators. The Umpire shall be retired judge of a High Court or the Supreme Court of Pakistan. Such Arbitrators and Umpire shall together proceed to adjudicate the dispute in accordance with the Arbitration Act, 1940, as amended from time to time.

- 27.2 Prior to the exercising of any right by the purchaser or supplier to terminate the contract under the conditions stipulated above, a written notice shall be required to be given to the other party specifying such default(s) and calling for submission of an explanation within seven (7) days of receipt of such notice. If such explanation is not furnished within the stipulated time or if so furnished, is found to be unsatisfactory, and the default(s) continues, the contract be terminated with notice to the other party before outerring upon the reference.
- 27.3 The agreement shall be governed by Pakistan Law and the arbitration language shall be English.
- 27.4 During the course of arbitration, the supplier shall not suspend the performance of his responsibilities and obligations under the Contract unless authorized by the purchaser in writing to do so.
28. The supplier or contractor who, in the sole opinion of the Company (SNGPL) committed default is performing part of his obligations under the contract awarded to him by the Company, in addition to other penalties likely to be imposed against him in terms thereof, shall also disentitle him to participate in the tender enquiry of similar goods issued by the Company for at least one year from the determination of such default by the Company on the part of the Supplier or Contractor.

29. INTEGRITY PACT

The bidders are required to read the text of Integrity Pact attached with tender documents (Appendix-H) and confirm their concurrence of execution of the same in case order having value Rs. 10 Million or above is placed on them. This mandatory requirement under PPRA Rules 2004.

In case of placement of Purchase order having value Rs.10 Million or above, the bidders are required to sign Integrity Pact as per specimen attached. Payment to the suppliers will be released only after signing the said integrity pact.

30. Every bidder is required to attach receipt of cost of tender documents with his offer.
31. In case of any Pre-bid query, the Clarification should be sought 07 days prior to the tender opening date.

1	2	3	4	5	6	7	8	9	10

CERTIFICATE OF FULL DISCLOSURE AND NON-COLLUSION

We, _____, a company/firm registered under the laws of Pakistan and having registered office at _____ hereby declare, confirm and as follows:

1. We have neither offered, given, received or solicited anything of value to influence the actions of any and all parties involved in the procurement process nor misrepresented or concealed any facts in order to influence the procurement process or accomplish the award of contract; nor have we been part of any corrupt or collusive practices prior to or after bid submission which might restrict, reduce or prevent free and open competition, and fair and transparent award of contract.
2. We neither had at the time of submitting the bid nor presently have any relationship, association or link with another bidder nor have we been involved in any arrangement or understanding that directly or indirectly restricted, reduced or prevented free and open competition or a fair and transparent award of contract; and we have made all the disclosures that may be necessary in this regard and nothing has been withheld or concealed from SNGPL.
3. At any stage of the procurement process or after award of the contract, SNGPL may, having evidence of any misrepresentation, inaccuracy, inconsistency or non-conformity in the disclosures, data or other information provided by us, withdraw the letter of award or terminate the contract at our sole cost and expense, and without any liability on the part of SNGPL.
4. This certificate shall form integral part of the contract documents and we shall remain bound by it at all material times.

(DEPONENT)

Verification:

Verified on oath that the contents of this Certificate are true to the best of our understanding, knowledge and belief and nothing has been concealed or misstated herein above.

(DEPONENT)

MANNER AND MECHANISM TO BLACKLISTING/ CROSS DEBARRING OF SUPPLIER OR CONTRACTOR

As per PPRA Rule No. 19, following is mechanism to blacklist supplier/ contractor: -

Proceedings for blacklisting: -

- a) General Manager (Procurement) on his own accord or on receipt of information or a complaint shall, after examining the material placed before him shall determine whether it is necessary and appropriate to initiate formal black listing proceedings.
- b) In case General Manager (Procurement) decides to initiate blacklisting proceedings, the case shall be forwarded to the committee duly approved by management from time to time for initiating blacklisting proceedings.
- c) The bidder/ supplier shall be formally intimated in writing by the committee about the nature of complaint/ matter/ default/ fraudulent & corrupt practices as defined in PPRA Rule and initiate the blacklisting/ cross debar proceedings.
- d) The bidder/supplier shall be intimated by giving a fifteen (15) days' notice through courier services, registered post or fax or email and, shall be provided an opportunity of furnishing detailed response either through written representation or personal hearing or both.

If blacklisting proceedings are to be initiated due to supplier's failure to meet the contractual obligations, then the bidder/ supplier shall be given a chance to invoke Arbitration before start of formal blacklisting proceedings.

In case, the supplier/ bidder does not opt for Arbitration within time given, then, notice for blacklisting shall be served accordingly to initiate the proceedings.

- e) In case the bidder/supplier fails to furnish his defense / representation within 15 days of 1st notice of blacklisting, a reminder shall be sent giving another opportunity to furnish the reply within 7 days.
- f) If the bidder/ supplier fails to submit his reply even after 2nd notice or fails to furnish the tenable justification of charges framed against him, the committee may proceed further in this regard on the basis of information, record and material available before him.
- g) The committee shall complete its proceedings within 30 days from the date of first notice given pursuant to paragraph (c) above.

Findings & Decisions:

- a) The Committee after finalizing his proceedings shall record his findings in writing and decide one of the following measures and GM (Procurement) shall obtain approval of the management for implementation:
 - i. Blacklisting and henceforth cross debarred for participation in any public procurement for the period up to **10 years** if corrupt and fraudulent practices as defined in PPRA Rule has been established;
 - ii. Blacklisting and henceforth cross debarred for participation in respective category of public procurement if the bidder/ supplier fails to perform his contractual obligations as per terms of the tender enquiry/ contract and within the specified time. Such blacklisting period shall not be more than **3 years** or,

TENDER ENQUIRY NO. LE-_____ /2

- iii. Blacklisting and henceforth cross debarred for participation in respective category of public procurement for a period up to **6 months** if bidder/ supplier alters his bid/ withdraws his bid/ does not accept the contract or does not abide with bid security declaration.

- b) General Manager (Procurement) shall communicate in writing to the PPRA and respective bidder/supplier his decision containing grounds for such action of blacklisting.

Appeal: -

The bidder/ supplier may file appeal against the decision of the committee before PPRA as per conditions/ mechanism defined in PPRA Rules.
