3.1. **In compliance with Rule 12** of Public Procurement Rules, 2025, the third-party validation committee or firm shall validate all procurements above five hundred million and up to two 2 billion rupees. The third-party validation shall be conducted at specifications, bidding documents preparation, technical (if any) & final evaluation stages.

### 4. **External Bid Evaluation Committee**

4.1. **As per Rule 13 of Public Procurement Rules, 2025**, procurements with an estimated value above two billion rupees shall be opened and evaluated by the Procuring Agency's notified External Bid Evaluation Committee.

### 5. **Opening of Bids**

5.1. The Procuring Agency will open all bids through EPADS, in the presence of bidders' or their representatives who choose to attend, and other parties with a legitimate interest in the bid proceedings at the place, on the date and at the time, specified in the **BDS**. The Bidders' representatives present shall sign attendance sheet as proof of their attendance.

5.2. The bids shall be opened one at a time, and the following read out and recorded: (a) the name of the bidder; (c) the presence of a bid security, if required; and (d) any other details as the procuring agency may consider appropriate.

5.3. No bid will be rejected at the time of bid opening except for bids whose bid security has not been provided to the procuring agency before submission deadline.

5.4. The procuring agency shall prepare minutes of the bid opening. The record of the bid opening shall include, as a minimum: the name of the bidder and the bid price, if applicable.

### 6. **Confidentiality**

6.1. Information relating to the examination, clarification, evaluation and comparison of bids and recommendation of contract award shall not be disclosed to bidders or any other person(s) not officially concerned with such process, until the time of the announcement of the respective evaluation report.

6.2. Any effort by a bidder to influence the procuring agency processing of bids or award decision may result in the rejection of his bid.

## **7. Preliminary Examination of Bids**

7.1. Prior to the detailed evaluation of bids, the procuring agency will determine whether each bid:

7.1.1. meets the eligibility criteria defined in **ITB 3**;

7.1.2. has been prepared as per the format and contents defined by the procuring agency in the bidding document;

7.1.3. is accompanied by the required securities; and

7.1.4. is substantially responsive to the requirements of the bidding document.

7.2. The procuring agency will confirm that the documents and information specified under **ITB 9,10 and 11** have been provided in the bids. If any of these documents or information is missing, or is not provided in accordance with the Instructions to Bidders, the bids shall be rejected.

7.3. If a bid is not substantially responsive, it will be rejected by the procuring agency and may not subsequently be evaluated for complete technical responsiveness.

## **8. Examination of Terms and Conditions, Technical Evaluation**

8.1. The procuring agency shall evaluate the technical aspects of the bids submitted in accordance with **ITB 21**, to confirm that all requirements specified in **Evaluation Criteria, Technical Specifications and Schedule of Requirements**, prescribed in the bidding document have been

met without material deviation or reservation.

8.2. If after the examination of the terms and conditions and the technical evaluation, the procuring agency determines that the bid is not substantially responsive in accordance with **ITB 21**, it shall reject the bids.

## 9. Correction of Errors

9.1. Bids determined to be substantially responsive will be checked for any arithmetic errors. Errors will be corrected as follows: -

9.1.1. if there is a discrepancy between unit prices and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail, and the total price shall be corrected, unless in the opinion of the procuring agency there is an obvious misplacement of the decimal point in the unit price, in which the total price as quoted shall govern and the unit price shall be corrected;

9.1.2. if there is an error in a total corresponding to the addition or subtraction of sub-totals, the sub-totals shall prevail and the total shall be corrected; and

9.1.3. where there is a discrepancy between the amounts in figures and in words, the amount in words will govern.

9.1.4. Where there is discrepancy between grand total of price schedule and amount mentioned on the Forms of bid, the amount referred in Price Schedule shall be treated as correct subject to elimination of other errors.

9.2. The amount stated in the bid will be adjusted by the procuring agency in accordance with the above procedure for the correction of errors and, with the concurrence of the bidder that shall be considered as binding upon the bidder. If the Bidder does not accept the corrected amount, his bid will then be rejected, and the Bid Security may be forfeited or the Bid Securing Declaration may be executed in accordance with **ITB 17**.

11.2. In evaluating the Technical Bids of each Bidder, the Procuring Agency shall apply the evaluation criteria and methodologies specified in the Bid Data Sheet (BDS) and in accordance with the Statement of Requirements and Technical Specifications. No other evaluation criteria or methodologies shall be permitted.

11.3. In case of tie of bids, the bidders shall be provided an opportunity to offer their best and final monetary offer through EPADS. However, in no case the rates shall be higher than the original financial bids.

11.4. The Procuring agency evaluation of a bid will take into account:

11.4.1. the bid price, excluding provisional sums and the provision, if any, for contingencies in the summary bill of quantities, but including day work items, where priced competitively;

11.4.2. price adjustment for correction of arithmetic errors in accordance with **ITB 26**;

11.5. converting the amount resulting from applying (a) and (b) above, if relevant, to a single currency in accordance with **ITB 27**;

11.6. The estimated effect of the price adjustment provisions of the Conditions of Contract, applied over the period of execution of the Contract, shall not be taken into account in bid evaluation.

11.7. If these bidding documents allow bidders to quote separate prices for different lots, and the award to a successful bidder of multiple lots, the methodology of evaluation to determine the lowest evaluated lot combinations in the Form of Bid, is specified in the **BDS**.

## 12. Determination of Most Advantageous Bids

12.1. Selection technique will be adopted for determining the Successful Bid in accordance with the criteria referred in the **BDS** or prescribed in the separate section titled as Evaluation Criteria.

### **13. Abnormally Low Financial Bids**

13.1. Procuring agency may reject a bid if it has determined that the price, in combination with other constituent elements of the bid, is abnormally low in relation to the subject matter of the procurement, such that it raises material concerns on the part of the procuring agency, as to the ability of the bidder to perform the procurement contract satisfactorily for the offered price.

A procuring agency shall not reject a bid as abnormally low under sub-clause (1) above unless the procuring agency -

13.1.1. requested in writing through EPADS from the bidder a written clarification of his bid, including a detailed price analysis of his bid price in relation to the subject matter of the procurement contract, scope, methodology, schedule, allocation of risks and responsibilities and any other requirements of the bidding document; and

13.1.2. having taken account, the information provided by the bidder in response to a request under paragraph (a) and the information included in the bid, the procuring agency determines that the bidder has failed to demonstrate its ability to perform the procurement contract satisfactorily for the offered price.

The procuring agency shall promptly communicate to the bidder concerned its decision to reject the bid, including the reasons for the decision.

**Position:** HIRING OF A TRANSPORTATION FIRM / CONTRACTOR FOR SHIFTING OF APPROXIMATELY 76815.814 M.TONS ( $\pm 15\%$ ) FAQ WHEAT FROM PASSCO ALIPUR ZONE TO PASSCO GODOWNS IN MULTAN AND KHANEWAL ZONES

### Specifications / Requirements:

The Tentative detail of 76815.814 M.Tons ( $\pm 15\%$ ) Quantity of Imported and local wheat to be shifted from PASSCO Alipur zone to PASSCO godowns in Multan and Khanewal zones is attached at Annex B.

## Scope of Work

## 1. Introduction:

PASSCO is working under the administrative control of Government of Pakistan, dealing with procurement and storage of food grains mainly wheat throughout the country. Currently it holds strategic reserves of wheat stocks (indigenous and imported) at National level.

Before the commencement of the rainy season, PASSCO intends to transfer approximately **76,815.814M. Tons** FAQ wheat stocks from PASSCO Alipur Zone to various Godowns located in PASSCO Multan and Khanewal Zones for safe storage. For this purpose, PASSCO intends to hire eligible well reputed Transport/ Logistic /transport contractor/firm for the transportation of FAQ wheat stocks from PASSCO Alipur Zone to different Godowns of PASSCO Multan and Khanewal Zones through a transparent, competitive, and PPRA-compliant procurement process. The Procurement Shall be conducted in accordance with PPRA Rules, 2004 through EPADS 2.0.

## 2. Objective:

The primary objective of this assignment is to ensure the safe preservation and protection of PASSCO wheat stocks from potential flood-related damage experienced during 2025 Floods and keeping in view the looming threats during upcoming rainy season / Floods.

In view of the severe floods experienced in PASSCO Alipur Zone during the previous year, which caused significant damage and losses to wheat stocks, PASSCO intends to have a proactive approach by transferring approximately **76,815.814M. Tons** of FAQ wheat to prevent potential losses resulting to floods / rain from vulnerable storage locations in Alipur Zone to safer Godowns situated in PASSCO Multan and Khanewal Zones.

PASSCO aims to minimize the risk of losses arising from floods, rainwater intrusion, moisture, deterioration, pilferage, and other transit or storage-related hazards by ensuring the timely, safe, and efficient transportation of wheat stocks to secure storage facilities before the commencement of the rainy season. The assignment shall be executed through a transparent, competitive, and PPRA-compliant procurement process to ensure operational efficiency, accountability, and value for public resources.

## 3. Scope of Services:

The Transportation Contractor / Firm shall perform, inter alia, the following tasks:

- The scope of transportation shall include loading, transportation, stitching of torn or cut bags, re-filling of any spilled wheat into the respective bags, unloading and proper stacking of wheat bags up to 18 layers in countable form, as well as Weighment charges at both loading and receiving ends, which shall be borne by the contractor/transporter, along with all ancillary and connected services required for safe handling of stocks. The contractor/transporter shall further be responsible for sewing, stitching, and repair of any damaged bags using new sutli/thread at its own cost after refilling the spilled wheat therein, so as to restore the bags and ensure safe, secure, and damage-free transportation of wheat stocks.
- Once the wheat is loaded and taken over by the transporter, the transporter shall be fully responsible for the safe custody and protection of the wheat against rain, theft, pilferage, accident, damage, shortage, and any other transit-related risks until its safe delivery and unloading at the designated receiving center. The transporter shall ensure proper unloading of the wheat and obtain duly acknowledged receipt from the concerned Center Incharge at the receiving end.
- The contractor/transporter shall arrange and provide sufficient covered trucks/vehicles for the timely transportation of wheat stocks. The tentative timeline for shifting the entire quantity of wheat shall be 45 days from the date of signing of the contract. The contractor/transporter shall ensure uninterrupted transportation operations and deployment of adequate vehicles to complete the assignment within the prescribed timeframe. In extreme cases, with proper justification the extension in lifting period can be allowed for further 15 days with the approval of MD Passco.
- The Contractor shall ensure timely clearance of wheat stocks from the designated PASSCO centers in Alipur Zone and shall lift the allocated quantity strictly within the period specified in the respective allocations for delivery to the designated receiving Godowns of PASSCO Multan and Khanewal Zones.
- The Contractor/Transporter shall maintain complete truck-wise details of all consignments transported and shall furnish the same to the concerned Zonal Heads along with the transportation bill, work completion certificate, duly acknowledged STNs, and any other relevant supporting documents as required by PASSCO for verification and processing of payments.

#### **4. Terms and Conditions:**

- The rates shall be quoted as a whole on per metric ton inclusive of POL, all taxes, General Sales Tax (GST)/PST and other applicable taxes and duties, toll taxes, loading, unloading/stacking charges, axle weight issues, Labor Charges and all other related and connected services as defined above. If there is no mention of taxes, the offered / quoted price shall be considered as inclusive of all prevailing taxes/duties. The rates shall be quoted in Pakistani Rupees, for the transportation of wheat from various Centers of PASSCO Alipur Zone to the designated Godowns of PASSCO Multan and Khanewal Zones.
- The rate offered per metric ton shall be applicable for the entire quantity to be transported during the contracted period. Conditional offers or multiple rates shall not be accepted and shall be treated as non-responsive. Such bids shall be straightaway rejected.
- The bidder shall carefully consider the prevailing market conditions, including inflation, fluctuations in fuel prices, and any other factors that may affect performance during the contract period while submitting the Bid. No request for enhancement of rates on account of market fluctuations, inflation, increase in fuel prices, or imposition/variation of any taxes shall be entertained at any stage during the currency of the contract.
- The Contractor shall be bound to transport wheat strictly to the PASSCO Godowns as per the Allocation Letter. In case of any wrong delivery to any other station or unauthorized location, the Contractor shall, at his own risk and cost, be responsible to retrieve and deliver the wheat to the correct destination mentioned in the Allocation Letter. No additional transportation charges or any other compensation shall be payable for such rectification.
- If, upon the expiry of the period specified in the Allocation, the Contractor fails to deliver the allocated quantity of wheat to the designated receiving station, PASSCO or any officer authorized by PASSCO shall have the right to make alternate arrangements for the lifting, transportation, and delivery of the remaining undelivered quantity at the risk and cost of the Contractor. Any additional or extra charges incurred on account of such alternate arrangements shall be recoverable from the defaulting Contractor and may be adjusted from his pending transportation bills and/or security deposit, without prejudice to any other rights or remedies available to PASSCO under the contract or applicable rules. The Contractor shall have no right to question,

dispute, or challenge any alternate arrangements made by PASSCO in the event of his default, nor shall the Contractor raise any objection to any recoveries affected thereunder, which shall be final and binding upon the Contractor.

- In addition, if the Contractor fails to lift the required quantity allocated for a specific destination within the specified period, the PASSCO shall have the right to take the appropriate action including black-listing of the Contractor for a period as deemed appropriate, without prejudice to any other rights or remedies available under the contract or applicable rules.
- If the security deposit of the Contractor is found to be insufficient to cover the transportation charges of the left over quantity, PASSCO shall have the right to withhold and adjust payments from the Contractor's pending transportation bills to the extent necessary to recover such dues, without prejudice to any other rights or remedies available to the PASSCO under the contract or applicable rules.
- The Contractor/Transporter shall ensure timely delivery of loaded wheat to the designated PASSCO Godowns within the stipulated period. In case any truck loaded with wheat is lost in transit, or any shortage in weight or number of jute/PP bags due to negligence of the contractor during transit is ascertained at the receiving end, the Contractor shall be responsible to replace and deliver the short quantity within 10 days of loading. The cost of wheat and other connected items shall be recovered as per the recovery rates with mark-up prescribed/issued by PASSCO from time to time.
- If the Contractor/ Transporter fails to lift the quantity specified in the allocation letter within the stipulated time, PASSCO may impose a penalty equivalent to 0.5% of the freight value per day on the unlifted quantity.
- In case the transportation of the remaining quantity is not resumed within twenty (20) days from the last date specified in the allocation letter, the Agreement shall be liable to cancellation, and the remaining quantity shall be transported at the risk and cost of the Contractor.
- The successful bidder shall be responsible for payment of all applicable taxes, duties, levies, and charges including but not limited to Income Tax, Sales Tax, Toll Tax, Stamp Duty, and any other taxes imposed by the Federal or Provincial Government

from time to time.

- PASSCO reserves the right to reduce or increase the quantity at any stage of the tender, including after the commencement of the contract. Furthermore, PASSCO reserves the right to cancel the shifting of wheat at any time, either in light of Federal Government instructions or at its own discretion, without incurring any liability whatsoever to the prospective bidder(s) or contractor(s).

## **5. Responsibilities of the Contractor:**

The contractor will be responsible to:-

- The contractor shall deploy authorized representatives at both the loading and unloading sites to coordinate with PASSCO staff and ensure timely completion of all required documentation at the originating and destination points.
- The bidder shall quote a rate per Metric Ton for the entire quantity to be shifted, inclusive of all costs and expenses to be incurred in the execution of the contract.
- Ensure provision of adequate transportation for shifting the tentative quantity of **76,815.814 Metric Tons** of wheat from PASSCO Alipur Zone to PASSCO Khanewal and Multan Zones.
- All vehicles shall be weighed at the nearest weighbridges at both loading and unloading points. The contractor shall bear all weighbridge charges at both ends. Preparation and maintenance of proper documentation and records regarding the weighment of wheat at both ends shall be the joint responsibility of the contractor and PASSCO staff at the respective PASSCO centers.
- Submit bills along with all supporting documents to the Commercial Wing, PASSCO Head Office on a weekly basis against transportation services rendered. PASSCO shall process payment of bills at the earliest upon receipt, subject to written confirmation from the S&C Wing and the Field Wing.

- Ensure that stocks are shifted expeditiously and are not unnecessarily delayed at loading points, during transit, or at destination points, so as to avoid any deterioration of wheat stocks. The contractor shall ensure that all wheat stock being transferred is adequately covered with tarpaulins to prevent any adverse effects from weather conditions.
- Deliver the stocks to the designated PASSCO Godowns (within the geographical boundaries of PASSCO zones) under the contractor's own arrangements, without any entitlement to compensation for vehicle replacement, route diversion, or delays arising due to road blockages or vehicle breakdown/casualty.
- Apply for refund of the security deposit after expiry of the operational period of the agreement/contract, supported by NOCs issued by the Field Wing and confirmation by the S&C Wing based on the zones report, and subsequent to payment of the final bill by the PASSCO.

#### **6. PASSCO will be responsible to:-**

- Deploy adequate managerial and supervisory staff at both loading and unloading points to coordinate with the contractor and relevant government departments for the proper receipt and handling of wheat stocks.
- Obtain acknowledgements on STNs from the contractor or his representative at the loading points.
- Ensure strict implementation of the terms and conditions of the contract in letter and spirit without any failure. Any observation, complaint, or instance of non-performance or violation of the agreement by the contractor shall be promptly reported to the designated officer of PASSCO.
- Issue "No Objection Certificate" for the release of security if the performance of contractor is satisfactory.

4.2. Unless terminated earlier pursuant to Clause **GCC 14** hereof, this Contract shall expire at the end of such time period after the Effective Date as specified in the SCC.

## 5. Entire Agreement

5.1. This Contract contains all covenants, stipulations and provisions agreed by the Parties. No agent or representative of either Party has authority to make, and the Parties shall not be bound by or be liable for, any statement, representation, promise or agreement not set forth herein.

## 6. Modification

6.1. Any modification or variation of the terms and conditions of this Contract, including any modification or variation of the scope of the Services, may only be made by written agreement between the Parties. However, each Party shall give due consideration to any modification(s) or variation(s) made by the other Party.

6.2. In cases of any modification(s) or variation(s), the prior written consent of the Procuring Agency is required.

## 7. Force Majeure

### 7.1. Definition

For the purposes of this Contract, "Force Majeure" means an event which is beyond the reasonable control of a Contractor and which makes a Contractor's performance of its obligations under the Contract impossible or so impractical as to be considered impossible under the circumstances.

### 7.2. No Breach of Contract

The failure of a Party to fulfill any of its obligations under the contract shall not be considered to be a breach of, or default under, this Contract in so far as such inability arises from an event of Force Majeure, provided that the Party affected by such an event (a) has taken all reasonable precautions, due care and reasonable alternative measures in order to carry out the terms and conditions of this Contract, and (b) has informed the other Party as soon as possible about the occurrence of such an event.

### 7.3. Extension of Time

Any period within which a Contractor shall, pursuant to this Contract, complete any action or task, shall be extended for a period equal to the time during which such Party was unable to perform such action as a result of Force Majeure.

### 7.4. Payments

During the period of their inability to perform the Services as a result of an event of Force Majeure, the Contractor shall be entitled to continue to be paid under the terms of this Contract, as well as to be reimbursed for additional costs reasonably and necessarily incurred by them during such period for the purposes of the Services and in reactivating the Service after the end of such period.

## 8. Termination

### 8.1. By the Procuring Agency

The Procuring Agency may terminate this Contract in case of the occurrence of any of the events specified in paragraphs (a) through (e) of this Clause. In such an occurrence the Procuring Agency shall give at least thirty (30) calendar days' written notice of termination to the Contractor in case of the events referred to in (a) through (d); at least sixty (60) calendar days' written notice in case of the event referred to in (e);

8.1.1. If the Contractor fails to remedy a failure in the performance of its obligations hereunder, as specified in a notice of suspension;

8.1.2. If the Contractor becomes (or, if the Contractor consists of more than one entity, if any of its members becomes) insolvent or bankrupt or enter into any agreements with their creditors for relief of debt or take advantage of any law for the benefit of debtors or go into liquidation or receivership whether compulsory or voluntary;

8.1.3. If the Contractor fails to comply with any final decision reached as a result of arbitration proceedings;

8.1.4. If, as the result of Force Majeure, the Contractor is unable to perform a material portion of the Services for a period of not less than sixty (60) calendar days;

8.1.5. If the Procuring Agency, in its sole discretion and for any reason whatsoever, decides to terminate this Contract;

### 8.2. By the Contractor

The Contractor may terminate this Contract, by not less than thirty (30) calendar days' written notice to the Procuring Agency, in case of the occurrence of any of the events specified in paragraphs (a) through (d) of this Clause.

8.2.1. If the Procuring Agency fails to pay any money due to the Contractor pursuant to this Contract and not subject to dispute within forty-five (45) calendar days after receiving written notice from the Contractor that such payment is overdue;

8.2.2. If, as the result of Force Majeure, the Contractor is unable to perform a material portion of the Services for a period of not less than sixty (60) calendar days;

8.2.3. If the Procuring Agency fails to comply with any final decision reached as a result of arbitration;

8.2.4. If the Procuring Agency is in material breach of its obligations pursuant to this Contract and has not remedied the same within forty-five (45) days (or such longer period as the Bidder may have subsequently approved in writing) following the receipt by the Procuring Agency of the Contractor's notice specifying such breach.

## C. Obligations of the Contractor
