Project Director Const:
MEPCO Multan
(For SBD)

		ii) does not accept the correction of errors pursuant to ITB 23; or b) in the case of a successful bidder fails: i) to sign the contract in accordance with ITB 32; or ii) to furnish Performance Guarantee in accordance with ITB 33.
	14.6	The bid security shall be valid for a period specified in BDS . Bids with shorter bid security validity period shall be rejected straight away.
15. Alternative Bids by Bidders	15.1	Alternatives will not be considered, unless specifically allowed for in the BDS .
16. Withdrawal, Substitution, and Modification of Bids	16.1	Before Bids submission deadline, any bidder may withdraw, substitute, or modify his bid after it has been submitted.
17. Format and Signing of Bids	17.1	The bidder shall prepare and submit his bid with due diligence after carefully reading all the terms and conditions before submission through EPADS.
	17.2	Any interlineations, erasures, or overwriting shall be valid only if they are signed by the person(s) signing the forms of bid.
D. Submission of Bids		
18. Submission of Bids through EPADS before Deadline	18.1	The Technical and Financial Bids as the case may be, shall be submitted in the due portion of the EPADS, before bid submission deadline. The bid submission option shall be automatically disabled once the deadline is over.
	18.2	The Procuring Agency may, under exceptional circumstances and at its discretion, extend the deadline for the submission of bids by amending the Bidding Documents in accordance with ITB 8. In such a case, all rights and obligations of the Procuring Agency and the Bidders that were previously subject to the original deadline shall thereafter be subject to the revised deadline.
E. Opening and Evaluation of Bids		
19. Opening of Bids	19.1	The Procuring Agency will open all bids through EPADS, in the presence of bidders' or their representatives who choose to attend, and other parties with a legitimate interest in the bid proceedings at the place, on the date and at the time, specified in the BDS . The Bidders' representatives present shall sign attendance sheet as proof of their attendance.
	19.2	The bids shall be opened one at a time, and the following read out and recorded: (a) the name of the bidder; (c) the presence of a bid

 Project Director Const:
 MEPCO Multan
 (For SBD)

		security, if required; and (d) any other details as the procuring agency may consider appropriate.
	19.3	No bid will be rejected at the time of bid opening except for bids whose bid security has not been provided to the procuring agency before submission deadline.
	19.4	The procuring agency shall prepare minutes of the bid opening. The record of the bid opening shall include, as a minimum: the name of the bidder and the bid price, if applicable.
20. Confidentiality	20.1	Information relating to the examination, clarification, evaluation and comparison of bids and recommendation of contract award shall not be disclosed to bidders or any other person(s) not officially concerned with such process, until the time of the announcement of the respective evaluation report.
	20.2	Any effort by a bidder to influence the procuring agency processing of bids or award decision may result in the rejection of his bid.
21. Preliminary Examination of Bids	21.1	Prior to the detailed evaluation of bids, the procuring agency will determine whether each bid: a) meets the eligibility criteria defined in ITB 3; b) has been prepared as per the format and contents defined by the procuring agency in the bidding document; c) is accompanied by the required securities; and d) is substantially responsive to the requirements of the bidding document.
	21.2	The procuring agency will confirm that the documents and information specified under ITB 7,8 and 9 have been provided in the bids. If any of these documents or information is missing, or is not provided in accordance with the Instructions to Bidders, the bids shall be rejected.
	21.3	If a bid is not substantially responsive, it will be rejected by the procuring agency and may not subsequently be evaluated for complete technical responsiveness.
22. Examination of Terms and Conditions, Technical Evaluation	22.1	The procuring agency shall evaluate the technical aspects of the bids submitted in accordance with ITB 21 , to confirm that all requirements specified in Section V - Evaluation Criteria, Technical Specifications and Schedule of Requirements , prescribed in the bidding document have been met without material deviation or reservation.
	22.2	If after the examination of the terms and conditions and the technical evaluation, the procuring agency determines that the bid is not substantially responsive in accordance with ITB 21 , it shall reject the bids.

 Project Director Const:
 MEPCO Multan
 (For SBD)

23. Correction of Errors	23.1	Bids determined to be substantially responsive will be checked for any arithmetic errors. Errors will be corrected as follows: - a) if there is a discrepancy between unit prices and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail, and the total price shall be corrected, unless in the opinion of the procuring agency there is an obvious misplacement of the decimal point in the unit price, in which the total price as quoted shall govern and the unit price shall be corrected; b) if there is an error in a total corresponding to the addition or subtraction of sub-totals, the sub-totals shall prevail and the total shall be corrected; and c) where there is a discrepancy between the amounts in figures and in words, the amount in words will govern. d) Where there is discrepancy between grand total of price schedule and amount mentioned on the Forms of bid, the amount referred in Price Schedule shall be treated as correct subject to elimination of other errors.
	23.2	The amount stated in the bid will be adjusted by the procuring agency in accordance with the above procedure for the correction of errors and, with the concurrence of the bidder that shall be considered as binding upon the bidder. If the Bidder does not accept the corrected amount, his bid will then be rejected, and the Bid Security may be forfeited or the Bid Securing Declaration may be executed in accordance with ITB 14.
24. Conversion to Single Currency	24.1	To facilitate evaluation and comparison, the procuring agency will convert all bid prices expressed in the amount in various currencies in which the bid prices are payable. For the purposes of comparison of bids quoted in different currencies, the price shall be converted into a single currency specified in the bidding document. The rate of exchange shall be the selling rate prevailing on the date of opening of financial bids specified in the bidding document, in accordance with weighted average customer exchange rates list issued by the State Bank of Pakistan on that day.
25. Evaluation of Bids	25.1	The procuring agency shall evaluate and compare only those bids determined to be substantially responsive, pursuant to ITB 21.
	25.2	In evaluating the Technical Bids of each Bidder, the Procuring Agency shall apply the evaluation criteria and methodologies specified in the Bid Data Sheet (BDS) and in accordance with the

 Project Director Const:
 MEPCO Multan
 (For SBD)

		Statement of Requirements and Technical Specifications. No other evaluation criteria or methodologies shall be permitted.
26. Determination of Most Advantageous Bids	26.1	Selection technique will be adopted for determining the most advantageous bid in accordance with the criteria referred in the BDS or prescribed in the separate section titled as Evaluation Criteria.
27. Abnormally Low Financial Bids	27.1	Procuring agency may reject a bid if it has determined that the price, in combination with other constituent elements of the bid, is abnormally low in relation to the subject matter of the procurement, such that it raises material concerns on the part of the procuring agency, as to the ability of the bidder to perform the procurement contract satisfactorily for the offered price. A procuring agency shall not reject a bid as abnormally low under sub-clause (1) above unless the procuring agency – (a) requested in writing through EPADS from the bidder a written clarification of his bid, including a detailed price analysis of his bid price in relation to the subject matter of the procurement contract, scope, methodology, schedule, allocation of risks and responsibilities and any other requirements of the bidding document; and (b) having taken account, the information provided by the bidder in response to a request under paragraph (a) and the information included in the bid, the procuring agency determines that the bidder has failed to demonstrate its ability to perform the procurement contract satisfactorily for the offered price. The procuring agency shall promptly communicate to the bidder concerned its decision to reject the bid, including the reasons for the decision.

F. Award of Contract

28. Criteria of Award	28.1	The procuring agency will award the Contract to the bidder whose bid has been determined to be substantially responsive to the bidding document and who has been declared as Most Advantageous Bidder.

C. Obligations of the Contractor

15. General	15.1 Standard of Performance i. The Contractor shall perform the Services and carry out the Services with all due diligence, efficiency and economy, in accordance with generally accepted professional standards and practices, and shall observe sound management practices, and employ appropriate technology and safe and effective equipment, machinery, materials and methods. The Contractor shall always act, in respect of any matter relating to this Contract or to the Services, as a faithful adviser to the Procuring Agency, and shall at all times support and safeguard the Procuring Agency's legitimate interests in any dealings with the third parties; ii. The Contractor shall employ and provide such qualified and experienced Experts and Sub-Contractors as are required to carry out the Services. 15.2 Law Applicable to Services The Contractor shall perform the Services in accordance with the Contract and in accordance with the Law of Pakistan and shall take all practicable steps to ensure that any of its Experts and Sub-Bidders, comply with the Applicable Law.
16. Conflict of Interests	16.1 Contractor Not to Benefit from Commissions and Discounts The remuneration of the Contractor shall constitute the Contractor's sole remuneration in connection with this Contract or the Services, and the Contractor shall not accept for their own benefit any trade commission, discount, or similar payment in connection with activities pursuant to this Contract or to the Services or in the discharge of their obligations under the Contract, and the Contractor shall use their best efforts to ensure that the Personnel, any Subcontractors, and agents of either of them similarly shall not receive any such additional remuneration. 16.2 Contractor and Affiliates Not to be Otherwise Interested in Project The Contractor agree that, during the term of this Contract and after its termination, the Contractor and its affiliates, as well as any Subcontractor and any of its affiliates, shall be disqualified from providing Services (other than the Services and any

	continuation thereof) for any project resulting from or closely related to the Services. 16.3 Prohibition of Conflicting Activities Neither the Bidder nor its Subcontractors nor the Personnel shall engage, either directly or indirectly, in any of the following activities: (a) during the term of this Contract, any business or professional activities in the Government's country which would conflict with the activities assigned to them under this Contract; (b) during the term of this Contract, neither the Contractor nor their Subcontractors shall hire public employees in active duty or on any type of leave, to perform any activity under this Contract; (c) after the termination of this Contract, such other activities as may be specified in the SCC.
17. Insurance to be Taken Out by the Contractor	17.1 The Contractor(a) shall take out and maintain, and shall cause any Subcontractors to take out and maintain, at its (or the Sub-contractors', as the case may be) own cost but on terms and conditions approved by the Procuring Agency, insurance against the risks, and for the coverage, as shall be specified in the SCC; and (b) at the Procuring Agency's request, shall provide evidence to the Procuring Agency showing that such insurance has been taken out and maintained and that the current premiums have been paid.
18. Contractor's Actions Requiring Procuring Agency's Prior Approval	18.1 The Contractor shall obtain the Procuring Agency's prior approval in writing before taking any of the following actions: (a) appointing such members of the Personnel not provided by the Contractor; (b) changing the Program of activities; and (c) any other action that may be specified in the SCC.
19. Reporting Obligations	19.1 The Contractor shall submit to the Procuring Agency the reports and documents in the numbers, and within the periods as prescribed by the Procuring Agency.
20. Liquidated Damages	20.1 Payments of Liquidated Damages The Contractor shall pay liquidated damages to the Procuring Agency at the rate per day stated in the SCC for each day that the Completion Date is later than the Intended Completion Date. The amount of liquidated damages shall not exceed the amount specified in the SCC. The Procuring Agency may
