E. BID OPENING AND EVALUATION

IB.16: Bid Opening, Clarification, and Evaluation

- 16.1** The Employer will open the bids, in the presence of bidder's representatives who choose to attend, at the time, date, and location stipulated in the Bidding Data.
- 16.2** The bidder's name, bid prices, any discount, the presence or absence of Bid Security, and such other details as the Employer at its discretion may consider appropriate, will be announced by the Employer at the bid opening. The Employer will record the minutes of the bid opening. Representatives of the bidders who choose to attend shall sign the attendance sheet. Any bid price or discount which is not readout and recorded at bid opening will not be taken into account in the Evaluation of Bid.
- 16.3** To assist in the examination, evaluation, and comparison of Bids the Engineer / Employer may, at its discretion, ask the bidder for a clarification of its Bid. The request for clarification and the response shall be in writing and no change in the price or substance of the Bid shall be sought, offered or permitted.
- 16.4(a)** Prior, to the detailed evaluation, pursuant to sub-clause IB.16.7 to 16.9, the Engineer / Employer will determine the substantial responsiveness of each bid to the Bidding Documents. For purpose of these clauses, a substantially responsive bid is one which conforms to all the terms and conditions of the Bidding Documents without material deviations. It will include to determine the requirements listed in Bidding Data.

(b) Arithmetical errors will be rectified on the following basis:

If there is a discrepancy between the unit price and total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected. If there is a discrepancy between the total bid price entered in Form of Bid and the total shown in Schedule of Prices – Summary, the amount stated in the Form of Bid will be corrected by the Employer in accordance with the corrected schedule of prices.

If the bidder does not accept the corrected amount of Bid, his Bid will be rejected, and his Bid Security forfeited.

16.5 A bid determined as substantially non-responsive will be rejected and will not subsequently be made responsive by the bidder by correction of the non-conformity.

16.6 Any minor informality or non-conformity or irregularity in a Bid which does not constitute a material deviation may be waived by Employer, provided such waiver does not prejudice or affect the relative ranking of any other bidders.

16.7 The Engineer / Employer will evaluate and compare only the bids previously determined to be substantially responsive pursuant to sub-clause IB.16.4 to 16.6 as per requirements given hereunder. Bids will be evaluated for complete scope of works. The prices will be compared on the basis of the Evaluated Bid Price pursuant to sub-clause herein below.

a. Technical Evaluation

It will be examined in detail whether the works offered by the bidder complies with the Technical Provisions of the Bidding Document. For this purpose, the bidder's data submitted with the bid in Schedule B to bid will be compared with technical features / criteria of the works detailed in the technical provisions and Notice inviting tender. Other technical information submitted with the bid regarding the scope of work will also be reviewed.

b. Commercial Evaluation

It will be examined in detail whether the bids comply with the commercial / contractual conditions of the Bidding Documents. It is expected that no material deviation / stipulation shall be taken by the bidders.

16.8 Evaluated Bid Price

In evaluating the bids, the Engineer / Employer will determine for each bid in addition to the Bid Price, the following factors (adjustments) in the manner and to extent indicated below to determine the Evaluated Bid Price.

- (i) Making any correction for arithmetic errors pursuant to sub-clause 16.4 hereof.
- (ii) Making an appropriate price adjustment for any other acceptable variation or deviation.
- (iii) Making an appropriate price adjustment for Deviations in terms of payments (if any and acceptable to the Employer).
- (iv) Discount, if any, offered by the bidder's as also readout and recorded at the time of bid opening.

16.9 Evaluation Methods

Pursuant to sub-clause 16.8, para-ii, and para-iii, following evaluation methods for price adjustments will be followed:

(i) Price Adjustment for Technical Compliance

The cost of making good and deficiency resulting from technical non-compliance will be added to the corrected total bid price for comparison purpose only. The adjustments will be applied taking the highest price quoted by other bidders being evaluated in detail in their original bids for corresponding item. In case of non-availability of price from other bidders, the price will be estimated by the Engineer / Employer.

(ii) Price Adjustment for Commercial Compliance

The cost of making good any deficiency resulting from any quantifiable variations and deviations from the Bid Schedules and Conditions of Contract, as determined by the Engineer / Employer will be added to the corrected total bid price for comparison purpose only. Adjustment for commercial compliance will be added to the corrected total bid prices.

(iii) Price adjustment for Deviation in terms of payments refer to bidding data.

IB.17: Process to be Confidential

17.1 Subject to sub-clause IB.16.3 heretofore, no bidder shall contact Engineer / Employer on any matter relating to its bid from the time of bid opening to the time bid evaluation result is announced by the Employer. The evaluation result shall be announced at least ten (10) days prior to award of contract. The announcement to all bidders will include table(s) comprising read out prices, discounted prices, price adjustments made, final evaluated prices and recommendations against all the bids evaluated.

17.2 Any effort by a bidder to influence Engineer / Employer in the Bid evaluation, Bid comparison or Contract Award decisions may result in the rejection of his bid. Whereas, any bidder feeling aggrieved may lodge a written complaint not later than ten (10) days after the bid evaluation result announcement, however, mere fact of lodging a complaint shall not warrant suspension of procurement process.

F. AWARD OF CONTRACT

IB.18: Post Qualification

18.1 The Employer, at any stage of the bid evaluation, having credible reasons for a prima facie evidence of any defect in suppliers or contractor's capacities, may require the suppliers or contractors to provide information concerning their professional, technical, financial, legal or managerial competence whether already pre-qualified or not; Provided that such qualification shall only be laid down after recording reasons thereof in writing. They shall form part of the records of that bid evaluation report.

18.2 The determination will take into account the bidder's financial and technical capabilities. It will be based upon an examination of the documentary evidence of the bidder's qualifications submitted under clause IB.11, as well as such other information required in the Bidding Documents.

IB.19: Award Criteria & Employer Right

19.1 Subject to sub-clause IB.19.2, the Employer will award the Contract to the bidder whose bid has been determined to be substantially responsive to the Bidding Documents and who has offered the lowest evaluated Bid Price, provided that such bidder has been determined to be qualified to satisfactory perform the Contract in accordance with the provisions of Clause IB.18.

19.2 Notwithstanding sub-clause IB.19.1, the Employer reserves the right to accept or reject any bid, and to annul the bidding process and reject all bids, at any time prior to award of contract, without thereby incurring any liability to the affected bidders or any obligation to inform the affected bidders of the grounds for the Employer's action except that the grounds for its rejection of all bids shall upon request be communicated, to any bidder who submitted a bid, without justification of the grounds. Notice of the rejection of all the bids shall be given promptly to all the bidders.

IB.20: Notification of Award and Signing of Contract Agreement

20.1 Prior to expiration of the period of bid validity prescribed by the Employer, the Employer will notify the successful bidder in writing (Letter of Acceptance) that his bid has been accepted.

20.2 Within fourteen (14) days from the date of furnishing of acceptable performance security under the conditions of contract, the Employer will send the successful bidder the form of contract agreement provided in the Bidding Documents, incorporating all agreements between the parties.

20.3 The formal agreement between the Employer and the successful bidder shall be executed within seven (07) days of the receipt of Form of Contract Agreement by the successful bidder from the Employer.

IB.21: Performance Security

21.1 The successful bidder shall furnish to the Employer a Performance Security in the form of Bank Guarantee (10% of Contract Amount) from any scheduled Bank of Pakistan or "AA" rating Insurance Company, as a guarantee for satisfactory performance of the contract and the amount stipulated in the Conditions of Contract within a period of fourteen (14) days after the receipt of the Letter of Acceptance.

21.2 Failure of the successful bidder to comply with the requirements of sub-clauses IB.20.2 & 20.3 or 21.1 or Clause IB.22 shall constitute sufficient grounds for the annulment of the award and forfeiture of the Bid Security.

IB.22: Integrity Pact

The bidder shall sign and stamp the Form of the Integrity pact provided at Schedule-F to Bid in the bidding documents for all Federal Government procurement contracts exceeding Rupees ten (10) million. Failure to provide such integrity pact shall make the bid non-responsive.

The contractor shall provide the Engineer / Employer with evidence that any required policy is in force and that the premiums have been paid.

14.2 Default

If the contractor fails to effect or keep in force any of the insurances referred to in the previous sub-clause, or fails to provide satisfactory evidence, policies or receipts, the Employer may, without prejudice to any other right or remedy, effect insurance for the cover relevant to such as a default and pay the premiums due and recover the same plus a sum in percentage given in the contract data from any other amounts due to the contractor.

15. RESOLUTION OF DISPUTES

15.1 Engineer's Decision

If a dispute of any kind whatsoever arises between the Employer and the Contractor in connection with the works, the matter in dispute shall, in the first place, be referred in writing to the Engineer, with a copy to the other party. Such reference shall state that it is made pursuant to this clause. No later than the twenty eight (28) days after the day on which he received such reference, the Engineer shall give notice of his decision to the Employer and the Contractor.

Unless the contract has already been repudiated or terminated, the contractor shall, in every case, continue to proceed with the work with all due diligence, and the contractor and the employer shall give effect forthwith to every such decision of the Engineer unless and until the same shall be revised, as hereinafter provided in an arbitral award.

15.2 Notice of Dissatisfaction

If a party is dissatisfied with the decision of the Engineer or if no decision is given within the time set out in sub-clause 15.1 here above, the Party may give notice of dissatisfaction referring to this sub-clause within fourteen (14) days of receipt of the decision or the expiry of the time for the decision. If no notice of dissatisfaction is given within the specified time, the decision shall be final and binding on the parties. If notice of dissatisfaction is given within the specified time, the decision shall be binding on the parties who shall give effect to it without delay unless and until the decision of the Engineer is revised by an arbitrator.

15.3 Arbitration

A dispute which has been the subject of a notice of dissatisfaction shall be finally settled as per provisions of Arbitration Act 1940 (Act No. X of 1940) and Rules made there under and any statutory modification thereto. Any hearing shall be held at the place specified in the Contract Data and in the language referred to in sub-clause 1.5.

16. INTEGRITY PACT

If the contractor, or any of his sub-contractors, agents, or servants is found to have violated or involved in violation of the Integrity Pact signed by the contractor as Schedule-F to his bid, then the Employer shall entitled to:

- a) Recover from the contractor an amount equivalent to ten times the sum of any commission, gratification, bribe, finder's fee or kickbacks given by the Contractor or any of his sub-contractors, agents, or servants;
- b) Terminate the Contract, and;
- c) Recover from the contractor any loss or damage to the Employer as a result of such termination or of any other corrupt business practices of the contractor or any of his sub-contractors, agents, or servants.

On termination of the Contract under sub-para (b) of this sub-clause, the contractor shall demobilize from the site leaving behind contractor's equipment which the Employer instructs, in the termination notice, to be used for the completion of the works at the risk and cost of the contractor. Payment upon such termination shall be made under sub-clause 12.4, in accordance with sub-para (c) thereof, after having deducted the amounts due to the Employer under sub-para (a) and (c) of this sub-clause.
