Note

1. Quotation required for Chinese Origin or Equivalent Generator Sets
2. Generator Sets should be complying international standards ISO-8528.
3. Copy of OEM certificate should be deposited along with bid documents.
4. Technical offers should have following details:-
 - a. Generator Set is being imported as complete build up unit (CBU) or assembled in parts.

- b. Manufacturer name / brand.
 - c. Location of assembling of Generator Set (Firm's Name & Location).
 - d. Delivery timeline.
 - e. Warranty / Guarantee period.
 - f. Certificate – "That the Generator Sets can be synchronized on requirement and their spares/ accessories and parts are easily available in market/ stock".
5. Rate of Generator Set with above mentioned requirement be quoted with all applicable taxes.
6. Following documents will be provided on requirement/ delivery of eqpt:-
- a. Operating Manual
 - b. Maintenance Manual
 - c. Technical Manual
 - d. Repair Manual
 - e. Part Catalogs
7. Payment will be made through concerned Controller of Military Accounts.
8. All Generators will be subject to inspection by inspection agencies.
