E. TENDER OPENING AND EVALUATION

IB.23 Tender Opening

- 23.1 The Regional Director/Project Director, PCRWR will open the tenders, in the presence of tenderers' representatives who choose to attend, at the time, date and location stipulated in the Tendering Data.
- 23.2 (a) The tenderer's name, Tender Prices, any discount, the presence or absence of Tender Security, and such other details as the Employer at its discretion may consider appropriate, will be announced by the Regional Director /Project Director, PCRWR at the tender opening.

(b) Any Tender Price or discount which is not read out and recorded at tender opening will not be taken into account in the evaluation of tender.

IB.24 Process to be Confidential

- 24.1 Subject to Clause IB 25.1 heretofore, no tenderer shall contact the PCRWR on any matter relating to its Tender from the time of the Tender opening to the time the Contract is awarded.
- 24.2 Any effort by a tenderer to influence Regional Director/Project Director PCRWR in the Tender evaluation, Tender comparison or Contract Award decisions may result in the rejection of his Tender.

IB.25 Clarification of Bids

- 25.1 To assist in the examination, evaluation and comparison of Tenders the Regional Director/Project Director, PCRWR may at its discretion ask the tenderer for a clarification of its Tender. The request for clarification and the response shall be in writing and no change in the price or substance of the Tender shall be sought, offered or permitted.

IB.26 Examination of Bids and Determination of Responsiveness

- 26.1 (a) Prior to the detailed evaluation, the Regional Director/Project Director, PCRWR will determine the substantial responsiveness of each tender to the Tender Documents. For purpose of these Clauses, a substantially responsive tender is one which conforms to all the terms and conditions of the Tender Documents without material deviations. It will include determining the requirements listed in Tendering data.

IB.27 Correction of Errors

- 27.1 Arithmetical errors will be rectified on the following basis:

If there is a discrepancy between the unit price and total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected. If there is a discrepancy between the words and figures the amount in words shall prevail. If there is a discrepancy between the Total Tender price entered in Form of Tender and the total shown in Schedule of Prices-Summary, the amount stated in the Form of Tender will be corrected by the PCRWR in accordance with the Corrected Schedule of Prices.

If the tenderer does not accept the corrected amount of Tender, his Tender will be rejected and his Tender Security forfeited.

- 27.2. A Tender determined as substantially non-responsive will be rejected and will not subsequently be made responsive by the tenderer by correction of the non-conformity.
- 27.3 Any minor informality or non-conformity or irregularity in a Tender which does not constitute a material deviation may be waived by the Regional Director/Project Director, PCRWR provided such waiver does not prejudice or affect the relative ranking of any other tenderers.

IB.28 Evaluation and Comparison of Bids

- 28.1 The Tender Evaluation Committee PCRWR will evaluate and compare only the tenders previously determined to be substantially responsive pursuant to Sub-clauses IB 26.1 and 27.2 to 27.3 as per requirements given hereunder. Tenders will be evaluated for complete scope of works. The prices will be compared on the basis of the Evaluated Tender Price pursuant to Sub-Clause 28.2 herein below.

(a) Technical Evaluation

It will be examined in detail whether the items offered by the tenderer complies with the Technical Provisions of the Tender Documents. For this purpose, the tenderer's data submitted will be compared with technical features/criteria of the Tendering Data detailed in the Technical Provisions. Other technical information submitted with the tender regarding the Tendering Data will also be reviewed.

(b) Commercial Evaluation

It will be examined in detail whether the tenders comply with the commercial/contractual conditions of the Tender Documents. It is expected that no major deviation/stipulation shall be taken by the tenderers.

28.2 Evaluated Tender Price

In evaluating the tenders, the Regional Director/ Project Director, PCRWR will determine for each tender in addition to the Tender Price, the following factors (adjustments) in the manner and to the extent indicated below to determine the Evaluated Tender Price:

- (i) Making any correction for errors pursuant to Sub-Clause 26.1 & 27.1 hereof.
- (ii) making an appropriate price adjustment for any other acceptable variation or deviation.
- (iii) Making an appropriate price adjustment for Deviations in terms of Payments (if any and acceptable to Tender Evaluation Committee PCRWR).

28.3 Evaluation Methods

Pursuant to Sub-Clause 28.2, Para (ii), and (iii) following evaluation methods will be followed:

- **Technical soundness (60%)**

- a) Relevant Experience – 40 Marks**

- Proven experience during the last five (05) years in the supply, installation, commissioning, and after-sales support of I.T. equipment, audio-visual & conference systems, laboratory equipment/instruments, laboratory accessories, field survey equipment, furniture, or similar items of comparable nature and complexity.

- b) Qualified Technical Personnel / Manpower – 20 Marks**

- Availability of qualified and experienced technical personnel for the installation, commissioning, calibration (where applicable), testing, configuration, and after-sales support of the quoted equipment, including I.T. engineers, AV technicians, laboratory

equipment specialists, electricians, and other relevant technical staff.

c) Equipment / Tools / Resources – 10 Marks

Availability of adequate tools, testing and calibration equipment (where applicable), transportation, installation equipment, and other technical resources necessary for the successful delivery, installation, commissioning, and maintenance of the quoted equipment.

d) Compliance with Technical Specifications & Certifications – 30 Marks

Compliance of the offered equipment with the prescribed technical specifications and submission of complete technical literature, brochures, OEM certifications/authorizations (where applicable), warranty commitments, and other relevant quality certifications demonstrating conformity with the bidding requirements.

• **Financial (40%)**

- a. Lowest price submitted:100 marks
- b. 2nd lowest price submitted: 90 marks
- c. 3rd lowest price submitted:80 marks
- d. Further lowest bidder will be ranked with 10 less marks in descending order

The tenderer/ bidder will provide past performance of the last **5 years** along with supporting documents (work orders and performance/completion certificates) and current commitments for technical scrutiny.

(i) Price Adjustment for Technical Compliance

The cost of making good any deficiency resulting from technical noncompliance will be added to the Corrected Total Tender Price for comparison purposes only. The adjustments will be applied taking the highest price quoted by other tenderers being evaluated in detail in their original Tenders for corresponding item. In case of non-availability of price from other tenderers, the price will be estimated by Project Director.

(ii) Price Adjustment for Commercial Compliance

The cost of making good any deficiency resulting from any quantifiable variations and deviations from the Tender Schedules and Conditions of Contract, as determined by Project Director will be added to the Corrected Total

Tender Price for comparison purpose only. Adjustment for commercial compliance will be added to the Corrected Total Tender Prices.

- (iii) Price Adjustment for Deviation in Terms: If Payments Refer to Tendering Data

F. AWARD OF CONTRACT

IB.29 Award Criteria

- 29.1 Subject to Sub-clause IB 30 and IB.34, the Regional Director/Project Director, PCRWR will award the Contract to the tenderer whose tender has been determined to be substantially responsive to the Tender Documents fulfilling all technical specification and who has offered the lowest evaluated Tender Price, provided that such tenderer has been determined to be qualified to satisfactory perform the Contract in accordance with the provisions of Clause IB.3 and qualify pursuant to Sub-Clause IB 29.2.
- 29.2 In the absence of pre-qualification, the Regional Director/Project Director, PCRWR will determine to its satisfaction whether the substantially responsive, fulfilling technical requirements and is the lowest evaluated tenderer is qualified to satisfactorily perform the Contract.
- 29.3 The determination will take into account the tenderer's financial and technical capabilities. It will be based upon an examination of the documentary evidence of the tenderer's qualifications submitted under Clause IB.11, as well as such other information as the Regional Director/ Project Director PCRWR deems necessary and appropriate

IB.30 Employer's Right to accept any Bid and to reject any or all Bids

- 30.1 Notwithstanding Sub-clause IB.29 the Regional Director/ Project Director PCRWR reserves the right to accept or reject any tender, and to annul the tendering process and reject all tenders, at any time prior to award of Contract, without thereby incurring any liability to the affected tenderers or any obligation to inform the affected tenderers of the grounds for the PCRWR action.

IB.31 Notification of Award

- 31.1 Prior to expiration of the period of tender validity prescribed by the PCRWR, the PCRWR will notify the successful tenderer in writing ("Letter of Acceptance") that *his/her* tender has been accepted.

IB.32 Performance Security

- 32.1 The successful tenderer shall furnish to the PCRWR a Performance Security in the form and the amount stipulated in the Conditions of Contract within a period of 14 days after the receipt of Acceptance.
- 32.2 Failure of the successful tenderer to comply with the requirements of Sub-

clauses IB 32.1 & IB 33 or clause IB.35 shall constitute sufficient grounds for the annulment of the award and forfeiture of the Tender Security.

IB.33 Signing of Contract Agreement

- 33.1 Within 14 days from the date of furnishing of acceptable Performance Security under the Conditions of Contract, the PCRWR will send the successful tenderer the Form of Contract Agreement provided in the Tender Documents, incorporating all agreements between the parties.

IB.34 General Performance of the Bidders

The Employer reserves the right to obtain information regarding performance of the bidders on their previously awarded contracts/works. The Employer may in case of consistent poor performance of any Bidder as reported by the employers of the previously awarded contracts, interalia, reject his/her bid and/or refer the case to the Pakistan Engineering Council (PEC). Upon such reference, PEC in accordance with its rules, procedures and relevant laws of the land take such action as may be deemed appropriate under the circumstances of the case including black listing of such Bidder and debarring him from participation in future bidding for similar works.

IB.35 Integrity Pact

The Bidder shall sign and stamp the Integrity Pact provided to Bid in the Bidding Documents for all Federal Government procurement contracts exceeding Rupees ten million. Failure to provide such Integrity Pact shall make the bidder non-responsive.

IB.36 Instructions not Part of Contract

- Demonstrate satisfactory operation of all I.T., laboratory, conference, audio-visual, and field equipment before the inspection committee.
- Replace any item found defective, damaged, incomplete, or not conforming to the approved specifications without any additional cost.
- Obtain acceptance from the Procuring Agency after successful inspection, testing, and commissioning.

4. Documentation and Training

- Provide user manuals, installation manuals, warranty certificates, software licenses (where applicable), brochures, calibration certificates, and other relevant documentation.
- Conduct on-site operational training for the designated officials of PCRWR on the proper use, operation, routine maintenance, and basic troubleshooting of the supplied equipment.
- Submit complete handover documentation including inventory, installation reports, configuration details, and warranty information.

5. Warranty and After-Sales Support

- Provide a comprehensive manufacturer's warranty as specified in the bidding documents for all supplied items.
- Repair or replace any defective equipment, accessories, or components during the warranty period without any additional cost to the Procuring Agency.
- Provide timely technical support, troubleshooting, software updates (where applicable), and after-sales services throughout the warranty period.
- Ensure availability of spare parts and qualified technical personnel during the warranty period.

6. Safety, Quality and Compliance

- Follow all applicable safety regulations and standard engineering practices during transportation, installation, and commissioning.
- Ensure safe handling of electrical, laboratory, and field survey equipment to prevent damage to equipment or facilities.
- Comply with all applicable local laws, regulations, and internationally accepted quality and safety standards.
- The Procuring Agency reserves the right to inspect, verify, test, or reject any equipment that does not conform to the required specifications or contractual requirements.

7. General Requirements

- The bidder shall provide all labour, tools, testing equipment, transportation, supervision, and incidental services necessary for the successful completion of the contract.
- Any accessory, fitting, cable, connector, mounting hardware, software, or consumable essential for the proper functioning of the equipment, though not specifically mentioned in the BOQ, shall be deemed to be included in the quoted price.
- The bidder shall be responsible for rectifying any defects arising from improper installation, workmanship, or material supplied during the warranty period without any additional financial liability to the Procuring Agency.

Please Note:

Bidders must clearly mention the **Make, Model, Manufacturer's Name, and Country of Origin** of each quoted item in their Technical Proposal. The Procuring Agency may require submission of original brochures, technical literature, datasheets, or manufacturer's authorization, wherever applicable, for the purpose of technical evaluation. Failure to provide the required information may render the bid **non-responsive**.

..... [name of Contractor] hereby declares that it has not obtained or induced the procurement of any contract, right, interest, privilege or other obligation or benefit from Government of Pakistan (GoP) or any administrative subdivision or agency thereof or any other entity owned or controlled by GoP through any corrupt business practice.

Without limiting the generality of the foregoing, I represents and warrants that it has fully declared the brokerage, commission, fees etc. paid or payable to anyone and not given or agreed to give and shall not give or agree to give to anyone within or outside Pakistan either directly or indirectly through any natural or juridical person, including its affiliate, agent, associate, broker, consultant, director, promoter, shareholder, sponsor or subsidiary, any commission, gratification, bribe, finder's fee or kickback, whether described as consultation fee or otherwise, with the object of obtaining or inducing the procurement of a contract, right, interest, privilege or other obligation or benefit in whatsoever form from GoP, except that which has been expressly declared pursuant hereto.

I certify that it has made and will make full disclosure of all agreements and arrangements with all persons in respect of or related to the transaction with GoP and has not taken any action or will not take any action to circumvent the above declaration, representation or warranty.

I accept full responsibility and strict liability for making any false declaration, not making full disclosure, misrepresenting facts or taking any action likely to defeat the purpose of this declaration, representation and warranty. It agrees that any contract, right, interest, privilege or other obligation or benefit obtained or procured as aforesaid shall, without prejudice to any other rights and remedies available to GoP under any law, contract or other instrument, be voidable at the option of GoP.

Notwithstanding any rights and remedies exercised by GoP in this regard, [name of Supplier] agrees to indemnify GoP for any loss or damage incurred by it on account of its corrupt business practices and further pay compensation to GoP in an amount equivalent to ten times the sum of any commission, gratification, bribe, finder's fee or kickback given by [name of Supplier] as aforesaid for the purpose of obtaining or inducing the procurement of any contract, right, interest, privilege or other obligation or benefit in whatsoever form from GoP.
