	attributable to PSO. 2.2 Rate and Cap: LD shall be levied at the rate of Rs. 2,700/- (Rupees Two Thousand Seven Hundred only) per day of delay, per Site, computed from the day immediately following the Scheduled Completion Date of that Site until actual completion/acceptance, subject to a maximum cap of 10% (ten percent) of the Work Order. This cap shall apply independently to each Site and shall not be aggregated across Sites. 2.3 Mode of Recovery: LD amounts, once accrued, may be deducted from any amount payable to the Contractor against invoices raised for that Site, from Security Deposit, without prejudice to PSO's other rights and remedies under the contract, including the right to terminate. 2.4 Nature of LD; No Waiver of Other Remedies: Recovery of LD does not relieve the Contractor of its obligation to complete the work, nor does it act as a cap on any other damages PSO may be entitled to for defects, non-performance, or breach unrelated to delay. The 10% cap under this clause applies only to delay-related LD. 3. EMERGENCY, URGENT & OUT-OF-HOURS WORKS: In the event of unforeseen circumstances requiring overnight conversion of a Site, the Contractor shall, upon instruction from PSO, mobilize the required manpower, equipment, tools, and materials to the Site within 24#48 hours. The Contractor shall ensure that all required materials are arranged, delivered, and installed at the Site within 12#24 hours, or within the timeline specified by PSO, as applicable to the urgency of the work. For each Work Order, not more than 2#3 Sites shall be designated for such overnight conversion, if necessary any urgency arise due to commercial requirement otherwise all sites will be treated as per clause 13a <(>&<)>13b. All such works shall be carried out in accordance with the approved scope, agreed rates, HSE requirements, and applicable PSO procedures. No additional charges shall be payable solely due to the urgent or overnight nature of the work If the Contractor fails to mobilize or

S.No.	Description/Specifications	Location	Unit	Qty	Unit Price Rs.	Amount Rs.
	Any documented violation of Health, Safety & Environment (HSE) guidelines by the Contractor, supported by pictorial/photographic evidence, shall attract a penalty of Rs. 100,000/- for the first instance, and Rs. 200,000/- for each subsequent instance, irrespective of the Site at which the violation occurs. This penalty shall apply each time a violation is observed, at any Site, throughout the duration of this Work Order, i.e., violations shall be counted cumulatively across the entire Work Order and not reset on a per-Site basis. Penalty amounts shall be deducted from the Contractor's invoices. The Contractor shall accordingly ensure that all staff deployed across all Sites strictly comply with PSO Guideline for execution Signage & Monolith Tower. 5.2 Persistent Non-Compliance: Where the Contractor commits a 3rd violation of HSE guidelines, cumulatively across all Sites under this Work Order, the same shall be deemed #Persistent Non-Compliance.# In such event, PSO reserves the right, at its sole discretion, to cancel the Work Order, in whole or in part, without further notice, after issuance of one written #Final Warning# to the Contractor. 5.3 Penalty for Delayed Rectification: Penalty for delayed rectification of any complaint shall be calculated as per the rates and mechanism outlined in Clause 5.1 above. 6. WORK METHOD STATEMENT & RISK ASSESSMENT: 6.1 Preparation and Approval: Before starting signage and graphic works at any Site, the Contractor's authorized representative shall prepare a Work Method Statement (WMS), explaining how the work will be carried out, including the sequence of activities, manpower and equipment to be used. Along with this, the Contractor shall also prepare a Risk Assessment Sheet, listing the possible hazards at that Site and the safety measures to control them. Both documents must be submitted/shared to the respective Divisional Engineer (DE) before commencement of work, and if required contractor is liable to change/modify the document as per the instructions. No work shall commence at any Site without the submission of work method
