Confidential Information	20.1 The Procuring Agency and the Supplier shall keep confidential and shall not, without the written consent of the other party hereto, divulge to any third party any documents, data, or other information furnished directly or indirectly by the other party hereto in connection with the Contract, whether such information has been furnished prior to, during or following completion or termination of the Contract. Notwithstanding the

	above, the Supplier may furnish to its Subcontractor such documents, data, and other information it receives from the Procuring Agency to the extent required for the Subcontractor to perform its work under the Contract, in which event the Supplier shall obtain from such Subcontractor an undertaking of confidentiality similar to that imposed on the Supplier. 20.2 The Procuring Agency shall not use such documents, data, and other information received from the Supplier for any purposes unrelated to the contract. Similarly, the Supplier shall not use such documents, data, and other information received from the Procuring Agency for any purpose other than the performance of the Contract. 20.3 The obligation of a party under GCC Sub-Clauses 20.1 and GCC Sub-Clauses 20.2 above, however, shall not apply to information that: 20.4 now or hereafter enters the public domain through no fault of that party; 20.5 can be proven to have been possessed by that party at the time of disclosure and which was not previously obtained, directly or indirectly, from the other party; or 20.6 other wise lawfully becomes available to that party from a third party that has no obligation of confidentiality. 20.7 The above provisions of GCC Clause 20 shall not in any way modify any undertaking of confidentiality given by either of the parties hereto prior to the date of the Contract in respect of the Supply or any part thereof. 20.8 The provisions of GCC Clause 20 shall survive completion or termination, for whatever reason, of the Contract.
21. Subcontracting	21.1 The Supplier shall notify the Procuring Agency in writing of all subcontracts awarded under the Contract if not already specified in the Bid. Such notification, in the original Bid or later shall not relieve the Supplier from any of its obligations, duties, responsibilities, or liability under the Contract. 21.2 Subcontracts shall comply with the provisions of GCC Clause 3 and GCC Clause 7.
22. Specifications and Standards	22.1 Technical Specifications and Drawings 22.2 The Goods and Related Services supplied under this Contract shall conform to the technical specifications and standards more fully described in the Framework Agreement, Schedule 1: Schedule of Requirements, and, when no applicable standard is mentioned, the standard shall be equivalent or superior to the official standards whose application is appropriate to the Goods' country of origin. 22.3 The Supplier shall be entitled to disclaim responsibility for any design, data, drawing, specification or other document, or any modification thereof provided or designed by or on behalf of the Procuring Agency, by giving a notice of such disclaimer to the Procuring Agency. 22.4 Wherever references are made in the Contract to codes and standards in accordance with which it shall be executed, the edition or the revised version of such codes and standards shall be those specified in the Framework Agreement, Schedule 1: Schedule of Requirements. During

	Contract execution, any changes in any such codes and standards shall be applied only after approval by the Procuring Agency and shall be treated in accordance with GCC Clause 33.
23. Packing and Documents	23.1 The Supplier shall provide such packing of the Goods as is required to prevent their damage or deterioration during transit to their final destination, as indicated in the Contract. During transit, the packing shall be sufficient to withstand, without limitation, rough handling and exposure to extreme temperatures, salt and precipitation, and open storage. Packing case size and weights shall take into consideration, where appropriate, the remoteness of the Goods' final destination and the absence of heavy handling facilities at all points in transit. 23.2 The packing, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the Contract, including additional requirements, if any, specified in the SCC, and in any other instructions ordered by the Procuring Agency.
24. Insurance	24.1 Unless otherwise specified in the SCC, the Goods supplied under the Contract shall be fully insured, in a freely convertible currency, from an eligible country, against loss or damage incidental to manufacture or acquisition, transportation, storage, and delivery, in accordance with the applicable Incoterms or in the manner specified in the SCC.
25. 26. Inspections and Tests	26.1 The Supplier shall at its own expense and at no cost to the Procuring Agency carry out all such tests and/or inspections of the Goods and Related Services as are specified in the Framework Agreement, Schedule 1: Schedule of Requirements, and/or the SCC. 26.2 The inspections and tests may be conducted on the premises of the Supplier or its Subcontractor, at point of delivery, and/or at the Goods' final destination, or in another place in the Procuring Agency's Country as specified in the SCC. Subject to GCC Sub-Clause 26.3, if conducted on the premises of the Supplier or its Subcontractor, all reasonable facilities and assistance, including access to drawings and production data, shall be furnished to the inspectors at no charge to the Procuring Agency. 26.3 The Procuring Agency or its designated representative shall be entitled to attend the tests and/or inspections referred to in GCC Sub-Clause 26.2, provided that the Procuring Agency bear all of its own costs and expenses incurred in connection with such attendance including, but not limited to, all traveling and board and lodging expenses. 26.4 Whenever the Supplier is ready to carry out any such test and inspection, it shall give a reasonable advance notice, including the place and time, to the Procuring Agency. The Supplier shall obtain from any relevant third party or manufacturer any necessary permission or consent to enable the Procuring Agency or its designated representative to attend the test and/or inspection. 26.5 The Procuring Agency may require the Supplier to carry out any test and/or inspection not required by the Contract but deemed necessary to verify that the characteristics and performance of the Goods comply with the technical specifications codes and standards under the Contract, provided that the Supplier's reasonable costs and expenses incurred in the carrying out of such test and/or inspection shall be added to the Contract Price. Further, if such test and/or inspection impedes the progress of manufacturing and/or the Supplier's performance of its other obligations under the Contract, due allowance will be made in respect of the Delivery Dates and Completion Dates and the other obligations so affected. 26.6 The Supplier shall provide the Procuring Agency with a report of the results of any such test and/or inspection. 26.7 The Procuring Agency may reject any Goods or any part thereof that fail to pass any test and/or inspection or do not conform to the specifications. The Supplier shall either rectify or replace such rejected Goods or parts thereof or make alterations necessary to meet the specifications at no cost to the Procuring Agency, and shall repeat the test and/or inspection, at no cost to the Procuring Agency, upon giving a notice pursuant to GCC Sub-Clause 26.4. 26.8 The Supplier agrees that neither the execution of a test and/or inspection of the Goods or any part thereof, nor the attendance by the Procuring Agency or its representative, nor the issue of any report pursuant to GCC Sub-Clause 26.6, shall release the Supplier from any warranties or other obligations under the Contract.
27. Liquidated Damages	27.1 Except as provided under GCC Clause 32, if the Supplier fails to deliver any or all of the Goods by the Date(s) of delivery or perform the Related Services within the period specified in the Contract, the Procuring Agency may without prejudice to all its other remedies under the Contract, deduct from the Contract Price, as liquidated damages, a sum equivalent to the percentage specified in the SCC of the delivered price of the delayed

	Goods or unperformed Services for each week or part thereof of delay until actual delivery or performance, up to a maximum deduction of the percentage specified in those SCC. Once the maximum is reached, the Procuring Agency may terminate the Contract pursuant to GCC Clause 35.
28. Warranty	28.1 The Supplier warrants that all the Goods are new, unused, and of the most recent or current models, and that they incorporate all recent improvements in design and materials, unless provided otherwise in the Contract. 28.2 Subject to GCC Sub-Clause 22.1(b), the Supplier further warrants that the Goods shall be free from defects arising from any act or omission of the Supplier or arising from design, materials, and workmanship, under normal use in the conditions prevailing in the country of final destination. 28.3 Unless otherwise specified in the SCC, the warranty shall remain valid for twelve (12) months after the Goods, or any portion thereof as the case may be, have been delivered to and accepted at the final destination indicated in the SCC, or for eighteen (18) months after the date of shipment from the port or place of loading in the country of origin, whichever period concludes earlier. 28.4 The Procuring Agency shall give notice to the Supplier stating the nature of any such defects together with all available evidence thereof, promptly following the discovery thereof. The Procuring Agency shall afford all reasonable opportunity for the Supplier to inspect such defects. 28.5 Upon receipt of such notice, the Supplier shall, within the period specified in the SCC, expeditiously repair or replace the defective Goods or parts thereof, at no cost to the Procuring Agency. 28.6 If having been notified, the Supplier fails to remedy the defect within the period specified in the SCC, the Procuring Agency may proceed to take within a reasonable period such remedial action as may be necessary, at the Supplier's risk and expense and without prejudice to any other rights which the Procuring Agency may have against the Supplier under the Contract.
29. Patent Indemnity	29.1 The Supplier shall, subject to the Procuring Agency's compliance with GCC Sub-Clause 29.2, indemnify and hold harmless the Procuring Agency and its employees and officers from and against any and all suits, actions or administrative proceedings, claims, demands, losses, damages, costs, and expenses of any nature, including attorney's fees and expenses, which the Procuring Agency may suffer as a result of any infringement or alleged infringement of any patent, utility model, registered design, trademark, copyright, or other intellectual property right registered or otherwise existing at the date of the Contract by reason of: 29.2 the installation of the Goods by the Supplier or the use of the Goods in the country where the Site is located; and 29.3 the sale in any country of the products produced by the Goods. 29.4 Such indemnity shall not cover any use of the Goods or any part thereof other than for the purpose indicated by or to be reasonably inferred from the Contract, neither any infringement resulting from the use of the Goods or any part thereof, or any products produced thereby in association or

	combination with any other equipment, plant, or materials not supplied by the Supplier, pursuant to the Contract. 29.5 If any proceedings are brought or any claim is made against the Procuring Agency arising out of the matters referred to in GCC Sub-Clause 29.1, the Procuring Agency shall promptly give the Supplier a notice thereof, and the Supplier may at its own expense and in the Procuring Agency's name conduct such proceedings or claim and any negotiations for the settlement of any such proceedings or claim. 29.6 If the Supplier fails to notify the Procuring Agency within twenty-eight (28) days after receipt of such notice that it intends to conduct any such proceedings or claim, then the Procuring Agency shall be free to conduct the same on its own behalf. 29.7 The Procuring Agency shall, at the Supplier's request, afford all available assistance to the Supplier in conducting such proceedings or claim, and shall be reimbursed by the Supplier for all reasonable expenses incurred in so doing. 29.8 The Procuring Agency shall indemnify and hold harmless the Supplier and its employees, officers, and Subcontractors from and against any and all suits, actions or administrative proceedings, claims, demands, losses, damages, costs, and expenses of any nature, including attorney's fees and expenses, which the Supplier may suffer as a result of any infringement or alleged infringement of any patent, utility model, registered design, trademark, copyright, or other intellectual property right registered or otherwise existing at the date of the Contract arising out of or in connection with any design, data, drawing, specification, or other documents or materials provided or designed by or on behalf of the Procuring Agency.
30. Limitation of Liability	30.1 Except in cases of criminal negligence or willful misconduct, 30.2 the Supplier shall not be liable to the Procuring Agency, whether in contract, tort, or otherwise, for any indirect or consequential loss or damage, loss of use, loss of production, or loss of profits or interest costs, provided that this exclusion shall not apply to any obligation of the Supplier to pay liquidated damages to the Procuring Agency; and 30.3 the aggregate liability of the Supplier to the Procuring Agency, whether under the Contract, in tort or otherwise, shall not exceed 10% of the total Contract Price ,however not less than PKR One million , provided that this limitation shall not apply to the cost of repairing or replacing defective equipment, or to any obligation of the supplier to indemnify the Procuring Agency with respect to patent infringement
31. Change in Laws and Regulations	31.1 Unless otherwise specified in the Contract, if after the date of 7 (seven) days prior to (i) in case of Direct Contracting, the date of issuance of Letter of Award of Call-off contract or (ii) in case of mini-competition, the date of Request for Quotation, any law, regulation, ordinance, order or bylaw having the force of law is enacted, promulgated, abrogated, or changed in the place of the Procuring Agency's Country where the Project Site is located (which shall be deemed to include any change in interpretation or application by the competent authorities) that subsequently affects the Delivery Period and/or the Contract Price, then

	such Delivery Period and/or Contract Price shall be correspondingly increased or decreased, to the extent that the Supplier has thereby been affected in the performance of any of its obligations under the Contract. Notwithstanding the foregoing, such additional or reduced cost shall not be separately paid or credited if the same has already been accounted for in the price adjustment provisions and/or Change in Laws and Regulations, where applicable, in accordance with the Framework Agreement.
32. Force Majeure	32.1 The Supplier shall not be liable for forfeiture of its Performance Security, liquidated damages, or termination for default if and to the extent that its delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure. 32.2 For purposes of this Clause, “Force Majeure” means an event or situation beyond the control of the Supplier that is not foreseeable, is unavoidable, and its origin is not due to negligence or lack of care on the part of the Supplier. Such events may include, but not be limited to, acts of the Procuring Agency in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions, and freight embargoes. 32.3 If a Force Majeure situation arises, the Supplier shall promptly notify the Procuring Agency in writing of such condition and the cause thereof. Unless otherwise directed by the Procuring Agency in writing, the Supplier shall continue to perform its obligations under the Contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.
33. Change Orders and Contract Amendments	33.1 The Procuring Agency may at any time order the Supplier through notice in accordance GCC Clause 8, to make changes within the general scope of the Contract in any one or more of the following: 33.2 drawings, designs, or specifications, where Goods to be furnished under the Contract are to be specifically manufactured for the Procuring Agency; 33.3 the method of shipment or packing; 33.4 the place of delivery; and 33.5 the Related Services to be provided by the Supplier. 33.6 If any such change causes an increase or decrease in the cost of, or the time required for, the Supplier’s performance of any provisions under the Contract, an equitable adjustment shall be made in the Contract Price or in the Delivery/Completion schedule, or both, and the Contract shall accordingly be amended. Any claims by the Supplier for adjustment under this Clause must be asserted within twenty-eight (28) days from the date of the Supplier’s receipt of the Procuring Agency’s change order. 33.7 Prices to be charged by the Supplier for any Related Services that might be needed but which were not included in the Contract shall be agreed upon in advance by the parties and shall not exceed the prevailing rates charged to other parties by the Supplier for similar services. 33.8 Value Engineering: The Supplier may prepare, at its own cost, a value engineering proposal at any time during the performance of the contract. The value engineering proposal shall, at a minimum, include the following; 33.9 the proposed change(s), and a description of the difference to the existing contract requirements; 33.10 a full cost/benefit analysis of the proposed change(s) including a

	description and estimate of costs (including whole life cycle costs) the Procuring Agency may incur in implementing the value engineering proposal; and 33.11 a description of any effect(s) of the change on performance/functionality of the Goods, or any Related Services. 33.12 The Procuring Agency may accept the value engineering proposal if the proposal demonstrates benefits that: 33.13 accelerates the delivery period; or 33.14 reduces the Contract Price or the whole life costs to the Procuring Agency; or 33.15 improves the quality, efficiency or sustainability of the Goods; or 33.16 yields any other benefits to the Procuring Agency, 33.17 without compromising the necessary functions of the Goods, or any Related Services. 33.18 If the value engineering proposal is approved by the Procuring Agency and results in: 33.19 a reduction of the Contract Price; the amount to be paid to the Supplier shall be the percentage specified in the SCC of the reduction in the Contract Price; or 33.20 an increase in the Contract Price; but results in a reduction in whole life costs due to any benefit described in GCC Sub-Clause 33.5 (a) to (d) above, the amount to be paid to the Supplier shall be the full increase in the Contract Price. 33.21 Subject to the above, no variation in or modification of the terms of the Contract shall be made except by written amendment signed by the parties.
34. Extensions of Time	34.1 If at any time during performance of the Contract, the Supplier or its subcontractors should encounter conditions impeding timely delivery of the Goods or completion of Related Services pursuant to GCC Clause 13, the Supplier shall promptly notify the Procuring Agency in writing of the delay, its likely duration, and its cause. As soon as practicable after receipt of the Supplier's notice, the Procuring Agency shall evaluate the situation and may at its discretion extend the Supplier's time for performance, in which case the extension shall be ratified by the parties by amendment of the Contract. 34.2 Except in case of Force Majeure, as provided under GCC Clause 32, a delay by the Supplier in the performance of its Delivery and Completion obligations shall render the Supplier liable to the imposition of liquidated damages pursuant to GCC Clause 27, unless an extension of time is agreed upon, pursuant to GCC Sub-Clause 34.1.
35. Termination	35.1 Termination for Default

	35.2 The Procuring Agency, without prejudice to any other remedy for breach of Contract, by written notice of default sent to the Supplier, may terminate the Contract in whole or in part: 35.3 if the Supplier fails to deliver any or all of the Goods within the period specified in the Contract, or within any extension thereof granted by the Procuring Agency pursuant to GCC Clause 34; 35.4 if the Supplier fails to perform any other obligation under the Contract; or 35.5 if the Supplier, in the judgment of the Procuring Agency has engaged in Fraud and Corruption, as set forth in the Appendix to these GCC, in competing for or in executing the Contract. 35.6 In the event the Procuring Agency terminates the Contract in whole or in part, pursuant to GCC Sub-Clause 35.1(a), the Procuring Agency may procure, upon such terms and in such manner as it deems appropriate, Goods or Related Services similar to those undelivered or not performed, and the Supplier shall be liable to the Procuring Agency for any additional costs for such similar Goods or Related Services. However, the Supplier shall continue performance of the Contract to the extent not terminated. 35.7 Termination for Insolvency. 35.8 The Procuring Agency may at any time terminate the Contract by giving notice to the Supplier if the Supplier becomes bankrupt or otherwise insolvent. In such event, termination will be without compensation to the Supplier, provided that such termination will not prejudice or affect any right of action or remedy that has accrued or will accrue thereafter to the Procuring Agency 35.9 Termination for Convenience. 35.10 The Procuring Agency, by notice sent to the Supplier, may terminate the Contract, in whole or in part, at any time for its convenience. The notice of termination shall specify that termination is for the Procuring Agency's convenience, the extent to which performance of the Supplier under the Contract is terminated, and the date upon which such termination becomes effective. 35.11 The Goods that are complete and ready for shipment within twenty-eight (28) days after the Supplier's receipt of notice of termination shall be accepted by the Procuring Agency at the Contract terms and prices. For the remaining Goods, the Procuring Agency may elect: 35.12 to have any portion completed and delivered at the Contract terms and prices; and/or 35.13 to cancel the remainder and pay to the Supplier an agreed amount for partially completed Goods and Related Services and for materials and parts previously procured by the Supplier.
36. Assignment	36.1 Neither the Procuring Agency nor the Supplier shall assign, in whole or in part, their obligations under this Contract, except with prior written

	consent of the other party.
37. Export Restriction	37.1 Notwithstanding any obligation under the Contract to complete all export formalities, any export restrictions attributable to the Procuring Agency, to the country of the Procuring Agency, or to the use of the products/goods, systems or Related Services to be supplied, which arise from trade regulations from a country supplying those products/goods, systems or services, and which substantially impede the Supplier from meeting its obligations under the Contract, shall release the Supplier from the obligation to provide deliveries or services, always provided, however, that the Supplier can demonstrate to the satisfaction of the Procuring Agency that it has completed all formalities in a timely manner, including applying for permits, authorizations and licenses necessary for the export of the products/goods, systems or services under the terms of the Contract. Termination of the Contract on this basis shall be for the Procuring Agency's convenience pursuant to GCC Sub-Clause 35.3.
