TENDER NOTICE
SOLID WASTE MANAGEMENT

Proposals/Bids are invited **through EPADS 2.0** from well-experienced Contractors/Firms having a minimum of **Three (03) years' proven experience in providing similar Solid Waste Management Services** and duly registered with the **relevant Inland Revenue Department/Tax Authorities**, for provision of Solid Waste Management Services within the jurisdiction of Walton Cantonment Board, Lahore.

Interested Contractors/Firms shall submit their bids **electronically through EPADS 2.0** under the **SINGLE STAGE – TWO ENVELOPE** procedure in accordance with Rule 36(b) of the Public Procurement Rules, 2004. The bid shall comprise separate **Technical Proposal** and **Financial Proposal**, which shall be submitted electronically through the respective sections provided on EPADS 2.0.

Bids shall remain valid for a period of one hundred eighty (180) working days from the date of opening of the bid.

A. SCOPE OF WORKS:

1. Collection, transportation and **safe disposal of municipal solid waste at WCB-approved/authorized disposal location(s)** from different sectors of Walton Cantonment Board.
2. Cleaning of roads, nullahs, open areas and removal of horticulture waste, dead animals, debris and other municipal waste from the areas of operation.
3. Maintenance and cleanliness of designated rubbish/waste collection points.
4. Complaint registration, response and resolution services in accordance with the prescribed KPIs and response time.
5. Provision of all required equipment, machinery, vehicles, fuel, manpower, tools, accessories, PPE and all other operational resources necessary for satisfactory execution of the services.
6. **All services shall be provided strictly under the prescribed Performance-Based Service Model and Key Performance Indicators (KPIs).**
7. The contract period shall be **Three (03) years**, extendable further on mutual consent.

B. PERFORMANCE-BASED SERVICE MODEL:

This is an output-based contract. WCB defines the cleanliness standards and KPIs. The contractor shall determine adequate fleet, manpower and operational deployment necessary to achieve the required standards.

No claim for additional payment due to underestimation of waste quantity, fleet requirement or manpower shall be entertained, by doing site survey of the area by himself.

This contract is output-based.
