Unless specified in the PDS, there is no limit on the number of members in a JV.

4.2. An Applicant may apply for Prequalification both individually, and as part of a joint venture, or participate as a subcontractor. If prequalified as a JV only, it will not be permitted to bid for the same contract as an individual entity. Bids submitted in violation of this provision will be rejected.

4.3. An Applicant and any of its affiliates (that directly or indirectly control, are controlled by or are under common control with that entity) may submit its Application for Prequalification either individually, as joint venture or as a sub-contractor among them for the same contract. However, if prequalified only one prequalified Applicant will be allowed to bid for the same contract. All Bids submitted in violation of this provision will be rejected.

4.4. Applicants shall be considered to have a conflict of interest, if they participated as a consultant in the preparation of the design or technical specifications or have been hired or proposed to be hired by the Procuring Agency for execution of subsequent Framework Agreement(s) or Call-off Contract(s). In addition, Applicants may be considered to have a conflict of interest if they have a close business or family relationship with such professional staff of the Procuring Agency (or a recipient of a part of the funds) who:

4.4.1. are directly or indirectly involved in the preparation of the Prequalification Documents or Bidding Documents or specifications of the Framework Agreement or Call-off Contract and/or the Prequalification or Bid evaluation process of such Contract; or

4.4.2. would be involved in the implementation or supervision of such Framework Agreement or Call-off Contract, unless the conflict stemming from such relationship has been resolved throughout the Procurement Process, Bidding process during the execution of the Framework Agreement and/or Call-off Contract.

4.5. An Applicant that has been declared debarred or blacklisted shall be ineligible to be prequalified to bid or enter into any Framework Agreement or Call-off Contract for such period of time and for such type of procurement for which he has been declared debarred or blacklisted. The list of debarred firms and individuals is available at PPRA's website.

4.6. An Applicant shall provide such documentary evidence for determining the eligibility of the Applicant to the reasonable satisfaction of the Procuring Agency.

5. Eligibility (in terms of Nationality)

5.1. Applicants may be ineligible if they are nationals of ineligible countries as indicated in Section V.

B. Contents of the Prequalification Documents

6. Sections of Prequalification Documents

6.1. This set of Prequalification Documents consists of Parts 1 and 2 which comprise all the sections indicated below, and which should be read in conjunction with any Addendum issued in accordance with ITA 8.

PART 1 Prequalification Procedures

6.2. Section I - Instructions to Applicants (ITA)

6.3. Section II - Prequalification Data Sheet (PDS)

6.4. Section III - Qualification Criteria and Requirements

6.5. Section IV - Application Forms

6.6. Section V - Eligible Countries

6.7. Section VI - Fraud and Corruption

PART 2 Supply Requirements

6.8. Section VII - Schedule of Requirements

6.9. The Procuring Agency accepts no responsibility for the completeness of the Prequalification documents, responses to requests for clarification, the minutes of the pre-Application meeting (if any), or Addenda to the Prequalification documents in accordance with ITA 8. In case of any discrepancies, documents issued directly through ePADS shall prevail.

6.10. The Applicant is expected to examine all instructions, forms, and terms in the Prequalification Documents and to furnish with its Application all information or documentation as is required by the Prequalification Documents.

7. Clarification of Prequalification Documents and Pre-Application Meeting

7.1. An Applicant requiring any clarification of the Prequalification Documents shall contact the Procuring Agency in writing through ePADS. The Procuring Agency will respond in writing through ePADS to any request for clarification provided that such request is received no later than three (03) days prior to the deadline for submission of the Applications. The Procuring Agency shall forward a copy of its response to all prospective Applicants through ePADS who have obtained the Prequalification Documents from ePADS, including a description of the inquiry but without identifying its source. If so indicated in the PDS, the Procuring Agency shall also promptly publish its response through ePADS. Should the Procuring Agency deem it necessary to amend the Prequalification Documents as a result of a clarification, it shall do so in accordance with the provisions of ITA 16.2.

7.2. If indicated in the PDS, the Applicant's designated representative is invited at the Applicant's cost to attend a pre-Application meeting through online platform / ePADS as per date and time mentioned in the PDS. During this Pre-Application meeting, prospective Applicants may request clarification of the schedule of requirement, the qualification criteria or any other aspects of the Prequalification Documents.

7.3. Minutes of the Pre-Application meeting, if applicable, including the text of the questions asked by Applicants, including those during the meeting (without identifying the source) and the responses given, together with any responses prepared after the meeting will be transmitted promptly through ePADS to all prospective Applicants who have obtained the Prequalification Documents. Any modification to the Prequalification Documents that may become necessary as a result of the pre-Application meeting shall be made by the Procuring Agency exclusively through the use of an Addendum pursuant to ITA 8 and through ePADS. Non-attendance at the pre-Application meeting will not be a cause for disqualification of an Applicant.

8. Amendment of Prequalification Documents

8.1. At any time prior to the deadline for submission of Applications, the Procuring Agency may amend the Prequalification Documents by issuing an Addendum through ePADS.

8.2. Any Addendum issued shall be part of the Prequalification Document and shall be communicated in writing through ePADS to all Applicants who have obtained the Prequalification Documents from the Procuring Agency. The Procuring Agency shall promptly publish the Addendum at the Procuring Agency's web page and ePADS.

Provided that an Applicant who had already submitted their Applications prior to the issuance of any such addendum shall have the right to withdraw his already submitted Application and submit the revised Application prior to the original or extended Application submission deadline through ePADS.

8.3. To give Applicants reasonable time to take an Addendum into account in preparing their Applications, the Procuring Agency may at its discretion, extend the deadline for the submission of Applications in accordance with ITA 16.2:

Provided that the Procuring Agency shall extend the deadline for submission of Applications, if such an addendum is issued within last three (03) days of the Application submission deadline.

C. Preparation of Applications

9. Cost of Applications

9.1. The Applicant shall bear all costs associated with the preparation and submission of its Application. The Procuring Agency will in no case be responsible or liable for those costs, regardless of the conduct or outcome of the Prequalification process.

10. Language of Application

10.1. The Application as well as all correspondence and documents relating to the Prequalification exchanged by the Applicant and the Procuring Agency, shall be written in the language specified in the PDS. Supporting documents and printed literature that are part of the Application may be in

another language, provided they are accompanied by an accurate translation of the relevant passages in the language specified in the PDS, in which case, for purposes of interpretation of the Application, the translation shall govern.

11. Documents Comprising the Application

11.1. The Application shall comprise the following:

11.1.1. **Application Submission Letter**, in accordance with ITA 12.1;

11.1.2. **Eligibility**: documentary evidence establishing the Applicant's eligibility, in accordance with ITA 13.1;

11.1.3. **Qualifications**: documentary evidence establishing the Applicant's qualifications, in accordance with ITA 14; and

11.1.4. any other document required as specified in the PDS.

12. Application Submission Letter

12.1. The Applicant shall complete an Application Submission Letter as provided in Section IV (Application Forms). This Form must be completed without any alteration to its format.

13. Documents Establishing the Eligibility of the Applicant

13.1. To establish its eligibility in accordance with ITA 4, the Applicant shall complete the eligibility declarations in the Application Submission Letter and Form ELI-1.1 (eligibility), included in Section IV (Application Forms).

14. Documents Establishing the Qualifications of the Applicant

14.1. To establish its qualifications to perform the contract(s) in accordance with Section III (**Qualification Criteria and Requirements**), the Applicant shall provide the information requested in the corresponding Information Sheets included in **Section IV (Application Forms)**.

14.2. Wherever an Application Form requires an Applicant to state a monetary amount, Applicants should indicate the Pak Rupee equivalent using the rate of exchange determined as follows:

14.2.1. for turnover or financial data required for each year - Exchange rate prevailing on the last day of the respective calendar year (in which the amounts for that year is to be converted).

14.2.2. value of single contract - Exchange rate prevailing on the date of the contract.

14.3. Exchange rates shall be taken from the publicly available source identified in the PDS. Any error in determining the exchange rates in the Application may be corrected by the Procuring Agency.

14.4. The documentary evidence of the Applicant's qualifications to conclude a Framework Agreement, and/or to perform any Call-off Contract(s) if awarded, shall establish to the Procuring Agency's satisfaction:

14.4.1. that, if required in the BDS, an Applicant that does not manufacture or produce the Goods it offers to supply shall submit the Manufacturer's Authorization using the form included in Section IV A (Bidding Forms) to demonstrate that it has been duly authorized by the manufacturer or producer of the Goods to supply these Goods in the Procuring Agency's Country;

14.4.2. that, if required in the BDS, in case of an Applicant not doing business within Islamic Republic of Pakistan (or the country where the procurement is being made), the Applicant is, or will be, (if awarded the call off contract) represented by an Agent in the country, equipped and able to carry out the Supplier's maintenance, repair, and spare parts stocking obligations in respect of the Goods.

D. Submission of Applications

15. Submission of the Applications through ePADS

15.1. The Bidder shall prepare and submit Bid with due diligence after carefully reading all the terms and condition before submission through ePADS in accordance with the procedures specified in the PDS.

15.2. In case the Applicant is a JV, the Application shall submit an authorized representative of the JV on behalf of the JV and so as to be legally binding on all the members as evidenced by a power of attorney signed by their legally authorized signatories.

16. Deadline for Submission of Applications

16.1. Applicants shall be submitted through ePADS no later than the deadline indicated in the PDS.

16.2. If required in accordance with the provisions of ITA 8.3, the Procuring Agency will extend the deadline for the submission of Applications, in which case all rights and obligations of the Procuring Agency and the Applicants subject to the previous deadline shall thereafter be subject to the deadline as extended.

16.3. The deadline will be extended in the same manner as that of original Invitation for Prequalification (or the advertisement) through ePADS.

17. Opening of Applications

17.1. The Procuring Agency shall open all Applications on the date and time specified in the PDS through ePADS. Late Applications shall be treated in accordance with ITA 16.1.

E. Procedures for Evaluation of Applications

18. Confidentiality

18.1. Information relating to the Applications, their evaluation and results of the Prequalification shall not be disclosed to Applicants or any other persons not officially concerned with the Prequalification process until the notification of Prequalification results is made to all Applicants in accordance

with ITA 26 through ePADS.

18.2. From the deadline for submission of Applications to the time of notification of the results of the Prequalification in accordance with ITA 26, any Applicant that wishes to contact the Procuring Agency on any matter related to the Prequalification process may do so only in writing through ePADS.

19. Clarification of Applications

19.1. To assist in the evaluation of Applications, the Procuring Agency may, ask an Applicant for a clarification (including missing documents) of its Application, to be submitted within a stated reasonable period of time. Any request for clarification from the Procuring Agency and all clarifications from the Applicant shall be in writing through ePADS.

19.2. If an Applicant does not provide clarifications and/or documents requested by the date and time set in the Procuring Agency's request for clarification, its Application shall be evaluated based on the information and documents available at the time of evaluation of the Application.

20. Responsiveness of Applications

20.1. The Procuring Agency may reject any Application which is not responsive to the requirements of the Prequalification Documents. In case the information furnished by the Applicant is incomplete or otherwise requires clarification as per ITA 19.1, and the Applicant fails to provide satisfactory clarification and/or missing information within prescribed time, it may result in disqualification of the Applicant.

21. Margin of Preference

21.1. Unless otherwise specified in the PDS, a margin of preference shall not apply in the Bidding process resulting from this Prequalification.

22. Sub-contractors

22.1. Subcontractors' qualification and experience will not be considered for evaluation of the Applicant. The Applicant on its own (without taking into

account the qualification and experience of the Subcontractor) should meet the qualification criteria.

F. Evaluation of Applications and Prequalification of Applicants

23. Evaluation of Applications

23.1. The Procuring Agency shall use the factors, methods, criteria, and requirements defined in Section III, Qualification Criteria and Requirements, to evaluate the qualifications of the Applicants, and no other methods, criteria, or requirements shall be used. The Procuring Agency reserves the right to waive minor deviations from the qualification criteria if they do not materially affect the technical capability and financial resources of an Applicant to perform the contract, however subject to the provisions of ITA 25.

23.2. Subcontractors proposed by the Applicant shall be fully qualified for their parts of the Scope of Supply of the Goods and Allied Services.

23.3. In case of multiple contracts, Applicants should indicate in their Applications the individual contract or combination of contracts in which they are interested. The Procuring Agency shall prequalify each Applicant for the maximum combination of contracts for which the Applicant has thereby indicated its interest and for which the Applicant meets the appropriate aggregate requirements. The Qualification Criteria and Requirements are mentioned in Section III.

23.4. Only the qualifications of the Applicant shall be considered. The qualifications of other related entities such as the Applicant's subsidiaries, parent entities, affiliates, subcontractors or any other firm(s) different from the Applicant shall not be taken into consideration in determining the qualifications of the Applicant.

24. Procuring Agency's Right to Accept or Reject Applications

24.1. The Procuring Agency reserves the right to accept or reject all the Applications, and to annul the Prequalification process at any time, without

thereby incurring any liability to the Applicants. However, the procuring agency shall record its reasons and justifications on ePADS, duly approved by the Principal Accounting Officer or Head of Organization.

25. Prequalification of Applicants

25.1. All Applicants whose Applications substantially meet or exceed the specified qualification requirements will be prequalified by the Procuring Agency.

25.2. An Applicant may be “conditionally prequalified,” that is, qualified subject to the Applicant submitting or correcting certain specified nonmaterial documents or deficiencies to the satisfaction of the Procuring Agency.

25.3. Applicants that are conditionally prequalified will be so informed along with the statement of the condition(s) which must be met to the satisfaction of the Procuring Agency before or at the time of submitting their Bids.

26. Notification of Prequalification

26.1. The Procuring Agency shall notify all Applicants in writing through ePADS indicating the names of those Applicants who have been prequalified or conditionally prequalified. In addition, those Applicants who have been disqualified will be informed separately through ePADS.

26.2. The procuring agency shall communicate to those suppliers or contractors who have not been pre-qualified the reasons for not pre-qualifying them through ePADS.

27. Request for Bids

27.1. Promptly after the notification of the results of the Prequalification, the Procuring Agency will invite the Bids from all the Applicants that have been prequalified through ePADS.

28. Changes in Qualifications of Applicants

28.1. Any change in the structure or formation of an Applicant after being prequalified in accordance with ITA 25 and invited to bid (including, in the case of a JV, any change in the structure or formation of any member thereto) shall be subject to the written approval of the Procuring Agency prior to the deadline for submission of Bids. Such approval shall be denied if:

28.1.1. a prequalified Applicant proposes to associate with a disqualified Applicant or in case of a disqualified joint venture, any of its members;

28.1.2. as a consequence of the change, the Applicant no longer substantially meets the qualification criteria set forth in Section III, Qualification Criteria and Requirements; or

28.1.3. in the opinion of the Procuring Agency, the change may result in a substantial reduction in competition.

28.2. Any such change should be submitted to the Procuring Agency before the date of "Invitation to Bids".

29. Redressal of Grievances

29.1. Procuring agency shall constitute a Grievance Redressal Committee (GRC) and proceed in accordance with the procedure and mechanism defined under Rule-65 of Public Procurement Rules, 2025.

29.2. The GRC shall not have any of the members of Procurement Evaluation Committee. The committee must have one subject specialist depending on the nature of the procurement.

30. Mechanism of Blacklisting

30.1. The procuring agency shall initiate blacklisting or debarment proceedings against any bidder, supplier or contractor in accordance with the mechanism prescribed under Rule-25 of Public Procurement Rules, 2025 read with "Mechanism for Blacklisting Regulations, 2024".

Call-Off / Secondary Procurement Procedure

Brief Description

Brand Name is mandatory for all items. Items quoted without brand name will be disqualified.

Equivalent means Equal in **QUALITY, Brands quoted lower in Quality will be rejected.**

SPECIAL TERMS & CONDITIONS OF FRAMEWORK AGREEMENT

1. Nature and Duration of Framework Agreement

1.1 The procurement shall be undertaken through a **Closed Framework Agreement** in accordance with the applicable provisions of the Public Procurement Rules, 2004, relevant PPRA regulations/guidelines and the National Standard Procurement Document for Procurement of Goods through Closed Framework Agreements.

1.2 The Framework Agreement shall establish the applicable specifications, terms and conditions and agreed unit prices for the items covered under the Agreement.

1.3 The Framework Agreement shall remain valid for a period of **one (01) year** from the date specified in the Agreement, unless otherwise provided in accordance with applicable PPRA provisions.

1.4 The Framework Agreement shall not constitute a commitment by ISMO to purchase the entire estimated quantity or value mentioned in the bidding documents.

2. Estimated Quantities

2.1 The quantities indicated in the Schedule of Requirements/Price Schedule are **estimated quantities based on anticipated requirements** and are provided for procurement planning and bid evaluation purposes.

2.2 Actual quantities shall be determined according to the operational requirements of ISMO during the validity of the Framework Agreement.

2.3 ISMO reserves the right, in accordance with the Framework Agreement and applicable procurement rules, to **increase, decrease, vary or completely omit any item or quantity** depending upon actual requirements, availability of funds and operational needs.

2.4 The supplier shall have no claim for compensation, loss of profit, damages or any other financial claim merely because the estimated quantity of an item is reduced, not ordered or completely omitted.

3. Call-Off Orders

3.1 Supplies shall be procured through **Call-Off Orders** issued by ISMO from time to time during the validity of the Framework Agreement. Call-Off Orders shall be placed according to the actual requirements of ISMO and within the terms, conditions, specifications and agreed prices of the Framework Agreement.

3.2 ISMO shall not be under any obligation to place a minimum quantity or minimum value of Call-Off Orders unless specifically stated otherwise in the Framework Agreement.

4. Delivery Period

4.1 Unless otherwise specified in the Call-Off Order, the supplier shall deliver the required items within **seven (07) calendar days** from the date of issuance/receipt of the Call-Off Order.

4.2 ISMO may specify a shorter delivery period for urgent requirements where such requirement is indicated in the Call-Off Order.

4.3 For routine requirements, ISMO may prescribe an appropriate delivery schedule in the Call-Off Order.

4.4 The supplier shall ensure complete, safe and timely delivery at the designated ISMO location.

4.5 No additional transportation, loading, unloading or delivery charges shall be payable unless expressly provided in the bidding documents/Call-Off Order.

5. Emergency/Urgent Requirements

5.1 In case of urgent operational requirements, ISMO may require delivery within **24-72 hours**, depending upon the nature of the requirement.

5.2 The supplier shall make reasonable arrangements to meet such requirements at the agreed framework prices.

5.3 Failure to meet an urgent delivery requirement without valid justification may be considered while assessing supplier performance and may attract applicable contractual remedies.

6. Brand, Make and Equivalent Products

6.1 Where a brand, make or model is mentioned in the specifications, it shall be read in accordance with the bidding documents and applicable PPRA requirements.

6.2 Where permitted, bidders may quote an **equivalent brand/product** provided that it **meets or exceeds** the specified technical, functional, performance and quality requirements.

6.3 The bidder shall clearly state the **manufacturer, brand, make/model and country of origin**, of the product being offered.

6.4 ISMO reserves the right to determine whether a proposed alternative is technically and functionally equivalent based on the specifications given in the bidding documents.

6.5 **Mere similarity in appearance or general description shall not constitute equivalence.**

7. Genuine, Authentic and Quality Products

7.1 All products supplied shall be **new, genuine, unused and of the required quality**.

7.2 The following shall not be accepted:

- a. Counterfeit products;
- b. Spurious products;
- c. Fake or imitation products;
- d Used or refurbished products, unless specifically permitted;
- e. Damaged or defective products;
- f. Expired products;
- g. Products materially inferior to the quoted/approved specification; or
- h. Unauthorized substitutions.

7.3 ISMO reserves the right to verify the genuineness and conformity of supplied products.

8. Samples and Approval

8.1 ISMO may require samples of selected items before award, before issuance of Call-Off Orders or before acceptance of supplies, as specified in the bidding documents.

8.2 Where a sample is approved, the supplier shall supply products conforming to the approved sample and specified technical requirements.

9. Inspection and Acceptance

9.1 All supplies shall be subject to inspection and verification by ISMO.

9.2 ISMO may inspect the quantity, quality, specifications, brand, make, model, packaging and condition of the supplied items.

9.3 Acceptance of goods shall be subject to satisfactory inspection and confirmation that the supplies conform to the relevant Call-Off Order.

9.4 ISMO may, where necessary, arrange testing of products through an appropriate laboratory/agency.

9.5 Any item failing inspection or testing shall be rejected.

10. Replacement of Rejected Items

10.1 Any rejected item shall be removed and replaced by the supplier **at its own cost and risk**.

10.2 Unless otherwise specified, rejected items shall be replaced within **three (03) working days** of notification by ISMO.

10.3 Replacement of rejected goods shall not entitle the supplier to any additional payment.

10.4 Repeated supply of defective, substandard or non-conforming goods shall be treated as poor performance and may result in further contractual action.

11. Unauthorized Substitution

11.1 The supplier shall not change the approved brand, make, model, specification or product without prior written approval of ISMO.

11.2 Any unauthorized substitution may result in rejection of the supply and may constitute a breach of the Framework Agreement.

12. Shelf Life and Expiry

12.1 All products having a shelf life shall have adequate remaining shelf life at the time of delivery.

12.2 Food, refreshment, cleaning, chemical or other consumable products shall comply with applicable health, safety, quality and statutory requirements.

12.3 Expired, damaged or unfit products shall not be accepted.

12.4 ISMO may specify minimum remaining shelf-life requirements for particular items in the Schedule of Requirements or Call-Off Order.

13. Price and Price Firmness

13.1 Since the procurement is through a **Closed Framework Agreement**, the agreed prices shall be binding for the duration of the Framework Agreement, subject only to any price adjustment mechanism expressly permitted and incorporated in the bidding documents and Framework Agreement.

13.2 The supplier shall not demand an increase in the agreed price merely because its procurement, transportation, exchange-rate or other costs have increased, except where adjustment is expressly permitted under the Framework Agreement.

13.3 No price adjustment shall be admissible merely on account of ordinary market fluctuations.

14. Price Adjustment Due to Exceptional Volatility

14.1 Where the applicable PPRA framework permits price adjustment due to abnormal/exceptional price volatility, any request for adjustment shall be dealt with strictly in accordance with the applicable PPRA provisions and the mechanism specified in the bidding documents.

14.2 The supplier shall provide documentary evidence supporting any such request.

14.3 ISMO shall have the right to verify the claimed increase against applicable market/national or international price indicators and other reliable sources before considering any adjustment.

15. Payment

15.1 Payment shall be made only against actual quantities supplied, inspected and accepted by ISMO under an authorized Call-Off Order.

15.2 The supplier shall submit the invoice along with the required supporting documents, including delivery challan, inspection/acceptance documents and any other documents specified by ISMO.

15.3 Payment shall be processed in accordance with ISMO's applicable financial procedures and the payment terms specified in the Framework Agreement/Call-Off Order.

15.4 Applicable taxes shall be deducted at source in accordance with prevailing laws.

16. Taxes and Statutory Compliance

16.1 The supplier shall be responsible for compliance with all applicable taxation, registration and statutory requirements.

16.2 Prices shall be quoted in accordance with the bidding document and shall clearly identify applicable taxes and duties.

16.3 ISMO shall deduct applicable withholding taxes from payments in accordance with prevailing law.

17. Performance Security

17.1 The successful bidder shall furnish Performance Security, where required, in the amount and form specified in the bidding documents and Framework Agreement.

17.2 Performance Security shall remain valid for the period specified in the Framework Agreement and shall be enforceable in accordance with its terms.

17.3 Any failure to furnish the required Performance Security within the prescribed period may result in action in accordance with the bidding documents and applicable PPRA provisions.

18. Liquidated Damages for Delay

18.1 In case of delay in delivery attributable to the supplier, ISMO may impose liquidated damages at the rate specified in the Framework Agreement/Call-Off Order, subject to the maximum limit prescribed therein.

18.2 Liquidated damages shall not relieve the supplier from its obligation to complete the delivery.

18.3 Where delay continues beyond the permissible period, ISMO may exercise its other contractual rights, including cancellation of the relevant Call-Off Order and/or termination of the Framework Agreement, as applicable.

19. No Minimum Purchase Guarantee

19.1 ISMO does not guarantee any minimum quantity, minimum expenditure or minimum number of Call-Off Orders during the Framework Agreement period.

20. Supplier Performance Evaluation

20.1 ISMO may periodically evaluate suppliers on the basis of:

- Timely delivery;
- Quality and conformity;
- Completeness of supply;
- Responsiveness;
- Replacement of rejected goods;
- Compliance with Call-Off Orders;
- Accuracy of documentation;
- Product genuineness;
- Customer service; and
- Compliance with contractual obligations.

20.2 Persistent poor performance may result in appropriate contractual action in accordance with the Framework Agreement and applicable PPRA provisions

21. Counterfeit, Spurious or Fraudulent Supplies

21.1 Supply of counterfeit, spurious, fake or deliberately misrepresented products shall constitute a material breach of the Framework Agreement.

21.2 ISMO may reject such supplies and initiate appropriate contractual, legal and regulatory action, including recovery of losses, termination and proceedings for debarment/blacklisting where warranted under applicable law and PPRA provisions.

21.3 Any misrepresentation concerning brand, manufacturer, specifications, country of origin, warranty or authenticity may similarly constitute a material breach

22. Integrity and Ethical Conduct

22.1 The supplier shall comply with all applicable provisions relating to corrupt and fraudulent practices.

22.2 The supplier shall not offer, solicit or provide any improper financial or other benefit to any employee, representative or official of ISMO in connection with the procurement.

22.3 Any established corrupt, fraudulent, collusive or coercive practice shall be dealt with in accordance with applicable PPRA provisions and the Framework Agreement.

23. Blacklisting/Debarment

23.1 ISMO may initiate appropriate proceedings against a supplier in accordance with applicable PPRA rules where the supplier is found involved in corrupt or fraudulent practices, material misrepresentation, serious performance failure, supply of counterfeit goods or other conduct warranting debarment.

24. Termination

24.1 ISMO may terminate the Framework Agreement or relevant Call-Off Order in accordance with the terms of the Agreement where the supplier:

- a. Fails to perform its contractual obligations;
- b. Persistently delays delivery;
- c. Repeatedly supplies non-conforming goods;
- d. Supplies counterfeit/spurious goods;
- e. Provides materially false or misleading information;
- f. Engages in corrupt or fraudulent practices; or
- g. Becomes otherwise liable for termination under the Framework Agreement.

25. Cancellation of Call-Off Order

25.1 Where a supplier fails to deliver within the prescribed period or otherwise materially breaches a Call-Off Order, ISMO may cancel the outstanding Call-Off Order in accordance with the Framework Agreement.

25.2 Such cancellation shall be without prejudice to any other rights or remedies available to ISMO under the contract or applicable law.

26. Force Majeure

26.1 Neither party shall be liable for failure to perform an obligation to the extent such failure results from a force majeure event recognized under the Framework Agreement.

26.2 The affected party shall promptly notify the other party and provide reasonable evidence of the event and its effect on performance.

27. Dispute Resolution

27.1 Any dispute arising out of or in connection with the Framework Agreement shall first be addressed through the mechanism specified in the Agreement.

27.2 Where the dispute cannot be resolved amicably, it shall be referred to arbitration or other dispute-resolution mechanism prescribed in the Framework Agreement and consistent with applicable laws of Pakistan.

28. No Automatic Renewal

28.1 The Framework Agreement shall expire upon completion of its approved validity period.

28.2 There shall be no automatic renewal or extension of the Framework Agreement.

28.3 Any extension, if legally permissible, shall be made only in accordance with applicable PPRA provisions and with approval of the Competent Authority.

29. Compliance with PPRA and Applicable Laws

29.1 The procurement and Framework Agreement shall be governed by the **Public Procurement Rules, 2004**, applicable PPRA regulations, guidelines, standard procurement documents and other applicable laws and regulations.

29.2 In case of any inconsistency between these Special Terms & Conditions and the applicable PPRA Rules or mandatory provisions of the National Standard Procurement Document, the **PPRA Rules and mandatory provisions shall prevail**.

29.3 Matters not specifically covered herein shall be dealt with in accordance with the bidding documents, Framework Agreement and applicable PPRA provisions.

30. ISMO's Right to Protect Public Interest

30.1 ISMO reserves the right to take such actions as are expressly available to it under the bidding documents, Framework Agreement, PPRA Rules and applicable law to protect public funds, ensure value for money, maintain quality and ensure continuity

of essential supplies.

30.2 Nothing contained in these Special Terms & Conditions shall be construed as authorizing ISMO to act contrary to the applicable PPRA Rules or the approved procurement documents.

10.1 Any rejected item shall be removed and replaced by the supplier **at its own cost and risk**.

10.2 Unless otherwise specified, rejected items shall be replaced within **three (03) working days** of notification by ISMO.

10.3 Replacement of rejected goods shall not entitle the supplier to any additional payment.

10.4 Repeated supply of defective, substandard or non-conforming goods shall be treated as poor performance and may result in further contractual action.

11. Unauthorized Substitution

11.1 The supplier shall not change the approved brand, make, model, specification or product without prior written approval of ISMO.

11.2 Any unauthorized substitution may result in rejection of the supply and may constitute a breach of the Framework Agreement.

12. Shelf Life and Expiry

12.1 All products having a shelf life shall have adequate remaining shelf life at the time of delivery.

12.2 Food, refreshment, cleaning, chemical or other consumable products shall comply with applicable health, safety, quality and statutory requirements.

12.3 Expired, damaged or unfit products shall not be accepted.

12.4 ISMO may specify minimum remaining shelf-life requirements for particular items in the Schedule of Requirements or Call-Off Order.

13. Price and Price Firmness

13.1 Since the procurement is through a **Closed Framework Agreement**, the agreed prices shall be binding for the duration of the Framework Agreement, subject only to any price adjustment mechanism expressly permitted and incorporated in the bidding documents and Framework Agreement.

13.2 The supplier shall not demand an increase in the agreed price merely because its procurement, transportation, exchange-rate or other costs have increased, except where adjustment is expressly permitted under the Framework Agreement.

13.3 No price adjustment shall be admissible merely on account of ordinary market fluctuations.

14. Price Adjustment Due to Exceptional Volatility

14.1 Where the applicable PPRA framework permits price adjustment due to abnormal/exceptional price volatility, any request for adjustment shall be dealt with strictly in accordance with the applicable PPRA provisions and the mechanism specified in the bidding documents.

14.2 The supplier shall provide documentary evidence supporting any such request.

14.3 ISMO shall have the right to verify the claimed increase against applicable market/national or international price indicators and other reliable sources before considering any adjustment.

15. Payment

15.1 Payment shall be made only against actual quantities supplied, inspected and accepted by ISMO under an authorized Call-Off Order.

15.2 The supplier shall submit the invoice along with the required supporting documents, including delivery challan, inspection/acceptance documents and any other documents specified by ISMO.

15.3 Payment shall be processed in accordance with ISMO's applicable financial procedures and the payment terms specified in the Framework Agreement/Call-Off Order.

15.4 Applicable taxes shall be deducted at source in accordance with prevailing laws.

16. Taxes and Statutory Compliance

16.1 The supplier shall be responsible for compliance with all applicable taxation, registration and statutory requirements.

16.2 Prices shall be quoted in accordance with the bidding document and shall clearly identify applicable taxes and duties.

16.3 ISMO shall deduct applicable withholding taxes from payments in accordance with prevailing law.

17. Performance Security

17.1 The successful bidder shall furnish Performance Security, where required, in the amount and form specified in the bidding documents and Framework Agreement.

17.2 Performance Security shall remain valid for the period specified in the Framework Agreement and shall be enforceable in accordance with its terms.

17.3 Any failure to furnish the required Performance Security within the prescribed period may result in action in accordance with the bidding documents and applicable PPRA provisions.

18. Liquidated Damages for Delay

18.1 In case of delay in delivery attributable to the supplier, ISMO may impose liquidated damages at the rate specified in the Framework Agreement/Call-Off Order, subject to the maximum limit prescribed therein.

18.2 Liquidated damages shall not relieve the supplier from its obligation to complete the delivery.

18.3 Where delay continues beyond the permissible period, ISMO may exercise its other contractual rights, including cancellation of the relevant Call-Off Order and/or termination of the Framework Agreement, as applicable.

19. No Minimum Purchase Guarantee

19.1 ISMO does not guarantee any minimum quantity, minimum expenditure or minimum number of Call-Off Orders during the Framework Agreement period.

20. Supplier Performance Evaluation

20.1 ISMO may periodically evaluate suppliers on the basis of:

- Timely delivery;
- Quality and conformity;
- Completeness of supply;
- Responsiveness;
- Replacement of rejected goods;
- Compliance with Call-Off Orders;
- Accuracy of documentation;
- Product genuineness;
- Customer service; and
- Compliance with contractual obligations.

20.2 Persistent poor performance may result in appropriate contractual action in accordance with the Framework Agreement and applicable PPRA provisions

21. Counterfeit, Spurious or Fraudulent Supplies

21.1 Supply of counterfeit, spurious, fake or deliberately misrepresented products shall constitute a material breach of the Framework Agreement.

21.2 ISMO may reject such supplies and initiate appropriate contractual, legal and regulatory action, including recovery of losses, termination and proceedings for debarment/blacklisting where warranted under applicable law and PPRA provisions.

21.3 Any misrepresentation concerning brand, manufacturer, specifications, country of origin, warranty or authenticity may similarly constitute a material breach

22. Integrity and Ethical Conduct

22.1 The supplier shall comply with all applicable provisions relating to corrupt and fraudulent practices.

22.2 The supplier shall not offer, solicit or provide any improper financial or other benefit to any employee, representative or official of ISMO in connection with the procurement.

22.3 Any established corrupt, fraudulent, collusive or coercive practice shall be dealt with in accordance with applicable PPRA provisions and the Framework Agreement.

23. Blacklisting/Debarment

23.1 ISMO may initiate appropriate proceedings against a supplier in accordance with applicable PPRA rules where the supplier is found involved in corrupt or fraudulent practices, material misrepresentation, serious performance failure, supply of counterfeit goods or other conduct warranting debarment.

24. Termination

24.1 ISMO may terminate the Framework Agreement or relevant Call-Off Order in accordance with the terms of the Agreement where the supplier:

- a. Fails to perform its contractual obligations;
- b. Persistently delays delivery;
- c. Repeatedly supplies non-conforming goods;
- d. Supplies counterfeit/spurious goods;
- e. Provides materially false or misleading information;
- f. Engages in corrupt or fraudulent practices; or
- g. Becomes otherwise liable for termination under the Framework Agreement.

25. Cancellation of Call-Off Order

25.1 Where a supplier fails to deliver within the prescribed period or otherwise materially breaches a Call-Off Order, ISMO may cancel the outstanding Call-Off Order in accordance with the Framework Agreement.

25.2 Such cancellation shall be without prejudice to any other rights or remedies available to ISMO under the contract or applicable law.

26. Force Majeure

26.1 Neither party shall be liable for failure to perform an obligation to the extent such failure results from a force majeure event recognized under the Framework Agreement.

26.2 The affected party shall promptly notify the other party and provide reasonable evidence of the event and its effect on performance.

27. Dispute Resolution

27.1 Any dispute arising out of or in connection with the Framework Agreement shall first be addressed through the mechanism specified in the Agreement.

27.2 Where the dispute cannot be resolved amicably, it shall be referred to arbitration or other dispute-resolution mechanism prescribed in the Framework Agreement and consistent with applicable laws of Pakistan.

28. No Automatic Renewal

28.1 The Framework Agreement shall expire upon completion of its approved validity period.

28.2 There shall be no automatic renewal or extension of the Framework Agreement.

28.3 Any extension, if legally permissible, shall be made only in accordance with applicable PPRA provisions and with approval of the Competent Authority.

29. Compliance with PPRA and Applicable Laws

29.1 The procurement and Framework Agreement shall be governed by the **Public Procurement Rules, 2004**, applicable PPRA regulations, guidelines, standard procurement documents and other applicable laws and regulations.

29.2 In case of any inconsistency between these Special Terms & Conditions and the applicable PPRA Rules or mandatory provisions of the National Standard Procurement Document, the **PPRA Rules and mandatory provisions shall prevail**.

29.3 Matters not specifically covered herein shall be dealt with in accordance with the bidding documents, Framework Agreement and applicable PPRA provisions.

30. ISMO's Right to Protect Public Interest

30.1 ISMO reserves the right to take such actions as are expressly available to it under the bidding documents, Framework Agreement, PPRA Rules and applicable law to protect public funds, ensure value for money, maintain quality and ensure continuity of essential supplies.

30.2 Nothing contained in these Special Terms & Conditions shall be construed as authorizing ISMO to act contrary to the applicable PPRA Rules or the approved procurement documents.
