18 WORK MATERIAL AND PLANT

- 18.1 All the material and workmanship shall be of the respective kind described, in the contract and in accordance with DE NTC 's instruction and shall be subject to, from time to time, such tests as DE NTC may direct at the place of manufacturer, fabrication or on the site or at all or any such places. The contractor shall provide such assistance, instruments, machines, labors and materials as are normally required for examining, testing any work and the quality, weight, quantity of any material used and shall supply samples of materials before incorporation in the works for testing as may be selected and required by DE NTC.
- 18.2 All samples shall be supplied by contractor at this own cost.
- 18.3 The costs of making all tests specified in the contract shall be borne by the contractor.
- 18.4 When in any certificate (of which the contractor has received payment) the DE NTC has included the value of any unfixed material intended for and / or placed on or adjacent to the works such materials shall become the property of NTC and they shall not be removed, except for use upon the works, without the written authority of the DE NTC. The contractor shall be liable for any loss or damage to such materials.
- 18.5 All plant to be supplied shall be manufactured and all work to be done shall be executed in the manner set out in the contract. Whether the manner of execution is not set out in the contract, works shall be executed in a proper and workman like manner in accordance with recognized good practice. The contractor shall submit

for approval of DE NTC, his detail method statement(s) for the execution of such items of work as may be desired by the DE NTC. Approval of such method statement(s) shall neither relieve the Contractor of his responsibilities under the contract nor form any basis for claiming additional costs.

- 18.6 The Contractor shall give DE NTC full opportunity to examine, measure and test any work on site which is about to be covered up or put out of the view. The contractor shall give due notice to DE NTC whenever any such work is ready for examination, testing or measurement and NTC/ DE NTC shall then, unless notified otherwise, carry out such examination, testing or measurement without any delay.
- 18.7 If DE NTC instructs the Contractor shall then expose any parts of the works. The contractor shall reinstate and make good such parts to the satisfaction of DE NTC/NTC and shall bear its expenses/cost.

19 INSPECTION AND TESTING DURING EXECUTION OR MANUFACTURING

- 19.1 The DE NTC, his Representative and any person authorized by him, shall at all times have access to the works and to the site and to all workshop and places where work is being prepared or where materials are manufactured, article or machinery are being obtained for the works and the contractor shall afford every facility for and every assistance in or in obtaining the right of such access.
- 19.2 The DE NTC shall be entitled during manufacturing or execution to inspect, examine or test the material and workmanship and check the progress of the manufacturing or execution to be delivered under the contract. This shall take place on the contractor premises, site or other places where plant or some parts of the plant is being manufactured and in such case the Contractor shall obtain permission for DE NTC/his representative to carry out such testing, inspection or measurement. No such inspection, testing or measurement shall release the contractor from any obligation under the contract.
- 19.3 The contractor shall provide such assistance, labor, materials, electricity, fuel, stores, apparatus and instruments as may be necessary to carry out the test efficiently.
- 19.4 When plant or part of the plant or the network or any material or part of the network has passed the tests referred in the sub clauses above, The DE NTC/NTC shall furnish to the Contractor a certificate or certify the contractor's testing certificate.
- 19.5 If, as a result of the inspection, examination or testing referred above, DE NTC declares that any Plant or Network or Part of the Plant/Network or any material is defective or otherwise not in accordance with the contract, he may reject such plant or network or part of the plant/network or material and shall notify the contractor immediately and the Contractor shall make the good the effect with full speed. DE NTC shall not reject any plant or network or any part for minor defects which do not affect the commercial operation of such plant or network but the decision to declare service affecting deficiency or otherwise shall rest with DE NTC.

20 REMOVAL OF IMPROPER MATERIAL OR WORK

- 20.1 The DE NTC shall, during the progress of the work have power to order from time to time:

- a. The removal from the site within such time or times as may be specified of any materials which in the opinion of the DE NTC, are not in accordance with the contract.
 - b. The substitution of proper and suitable materials and
 - c. The removal and proper re-execution (notwithstanding any previous test thereof or interim payment there for) of any work which in respect of materials of workmanship is not in the opinion of the Engineer in accordance with the contract.
- 20.2 In case of default on the part of the contractor in carrying out such order, the DE NTC shall be entitled to employ and pay other person to carry out the same and all expenses consequent thereon or incidental thereto, shall be borne by the contractor and shall be recoverable from him by the NTC or may be deducted by NTC from any amounts due or which may become due to contractor.

21 SUSPENSION OF WORK

The contractor shall on the written orders of the Engineer, suspend the progress of the works or any part thereof for such time or times and in such manner as the DE NTC may consider necessary and shall during such suspension period protect and secure the work so far as is necessary in the opinion of the DE NTC. The extra cost (if any) incurred by the contractor in giving effect to such instructions, under this clause shall be borne and paid by the NTC unless such suspension is :-

- (a) otherwise provided for in the contract, or
- (b) necessary for the proper execution of the work or by reason of weather conditions affecting the safety or quality of the contract, or
- (c) necessary for the safety of the works or any part thereof :
- (d) The stores, equipment and the workmanship is substandard or of poor quality.

Provided that the contractor shall not be entitled to recover any such extra cost unless he gives notice in writing of his intention to claim, to the DE NTC within 21 days of the suspension order. The DE NTC shall settle and determine the extra payment to be made to the contractor in respect of such claim as the DE NTC shall consider fair and reasonable.

22 EXTENSION OF TIME FOR COMPLETION

The Contractor may claim an extension of the Time for Completion if the works are delayed by any of the following causes:-

- a. Extra or Additional work ordered in writing by DE NTC.
- b. Exceptional adverse weather conditions, if agreed by DE NTC.
- c. Physical obstructions or conditions which could not have reasonably have foreseen by the contractor.
- d. NTC/ DE NTC's instructions, otherwise than by reason of Contractor's default.
- e. The failure of NTC to fulfill any of his obligations under the contract.
- f. Delayed by any other contractor engaged by NTC/ DE NTC.
- g. Any Suspension of the works under Clause 21 except when due to the Contractor's default.
- h. Force Majeure

The Contractor shall give to DE NTC notice for extension of time within 14 days of the circumstances for such a cause becoming known to the Contractor. The notice shall be followed with full supporting detail. DE NTC will convey such extension if it deemed justified after approval as per NTC procedure.

23 RATE OF PROGRESS

- 23.1 If the rate of progress of the works or any part thereof be at any time in the opinion of the DE NTC is slow, in order to ensure the completion of the works by the prescribed time, the DE NTC shall so notify the contractor in writing and the contractor shall thereupon take such steps as the contractor may think necessary and the DE NTC may approve to expedite progress so as to complete the works by the prescribed time or extended time for completion. The contractor shall execute the work without any break and the progress of the work shall not be conditional with the payment of running bills or bill. However, the NTC shall do its best for early payments to the contractor in the interest of the project, subject to completion of all formalities under the laid down procedures and submission of all necessary documentation by the contractor.
- 23.2 Notwithstanding anything contained herein and in the event of the rate of progress of the works being such that in the opinion of the DE NTC the works cannot be completed by the prescribed time or the extended time. The Engineer may have the works constructed and completed through any other agency either concurrently with or independently of the contractor at the RISK AND COST of the contractor or the DE NTC may supplement the contractor's labor, plant, equipment and materials at the contractor's RISK AND COST. Further, the NTC shall have the power to terminate the contract and withhold payment of the contractor till the whole of the works have been constructed, completed and maintained in the manner laid down in the contract and the contractor shall be responsible for any loss or damage which the NTC may sustain on that account.

24 TEST ON COMPLETION

- 24.1 When the plant or work or part of the network is completed, the contractor shall notify its completion to the DE NTC with detail test reports and other detail as per format agreed upon by NTC and the contractor or a known standard format. DE NTC then shall detail the testing and handing/taking over schedule immediately.
- 24.2 If the works or any Section fails to pass the prescribed test, DE NTC may schedule retesting if in his opinion the deficiencies in the test can be addressed by the contractor in a well-defined time frame or not affecting the commercial operation of the Plant or network. If the plant or section fails again or the DE NTC/NTC considers that the deficiencies in the tests can adversely affect the commercial operation of the plant he may reject the plant or work or section.
- 24.3 As soon as in the opinion of the DE NTC, the works have been substantially completed and satisfactorily passed any final test that may be prescribed under the contract, the DE NTC shall, on receiving a written undertaking by the contractor to finish any outstanding work during period of maintenance, issue a certificate of completion in respect of the works and the period of maintenance of the works shall commence from the date of such a certificate provided that the

DE NTC may give such certificate with respect to any part of the works before the completion of the whole of the works and shall upon the written application of the contractor give such certificate with respect to any substantial part of the works which has been completed to the satisfaction of the DE NTC and occupied or used by the NTC and when any such certificate is given in respect of a part of the works such part shall be considered as completed and the period of maintenance of such part shall commence from the date of such certificate.

- 24.4 The work shall be taken over by NTC when they have been completed in accordance with the Contract and have passed the tests, except in minor respects that do not affect the works for their intended purpose.

25 MAINTENANCE AND DEFECTS LIABILITY PERIOD

- 25.1 The defect liability Period or warranty period of the plant or network or works, except otherwise agreed, shall be one year from the date of taking over Certificate (Provisional Acceptance Certificate). Where any part of the works is taken over separately from the works the Defect Liability Period for that part shall commence from the date it was taken over.
- 25.2 The Contractor shall be responsible for making good any defect in or damage to any part of the works which may appear or occur during the Defect Liability Period and which arises from either: -
- a. Any defective materials, workmanship or design or
 - b. Any act or omission of the Contractor during the Defects Liability Period. The Contractor shall make good the defects or damages as soon as practicable and at his own cost.
- 25.3 The Defects Liability Period for the works shall be extended by a period equal to the period during which the works cannot be used by reason of a defect or damage.
- 25.4 If the Contractor fails to remedy a defect or damage within a reasonable time NTC may fix a final time for remedying such defect or damage. If the contractor fails to do so NTC may: -
- a. Carry out the work at the contractor's risk and cost at a reasonable manner and its cost shall be deducted from the Contract Price.
 - b. If the defect or damage is such that NTC has been deprived substantially the whole of the benefits of the works or the part thereof, NTC may terminate the Contract in respect of such parts of the works which cannot be put in intended use. NTC shall be entitled to recover all sums paid in respect of such parts of the works together with the cost of dismantling the same and clearing the sites and returning the plant to the Contractor or disposing it otherwise.
- 25.5 Until the Final Acceptance Certificate, the contractor shall have access to all parts of the works and to records of the working and performance of the works.
- 25.6 When the Defect Liability Period for the works or any part has expired and the Contractor has fulfilled all his obligations under the Contract for defects in the works or that part, DE NTC shall issue the Defects Liability Certificate.

26 ALTERATIONS, ADDITIONS AND OMISSIONS

26.1 The DE NTC shall make any variation of the form, quality or quantity of works or any part thereof that may in his opinion be necessary and for that purpose or if for any other reason it shall in his opinion be desirable, shall have power to order the contractor to do and the contractor shall do any of the following: -

- (a) Increase or decrease the quantity of any work included in the contract.
- (b) Omit any such work.
- (c) Change the character or quality or kind of any such work.
- (d) Change the levels, lines and dimensions of any part of the works and
- (e) Execute additional work of any kind necessary for the completion of the works.

And no such variation shall in any way vitiate or invalidate the contract but the value (if any) of all such variations shall be taken into account in ascertaining the amount of the contract price.

26.2 No such variation shall be made by the contractor without an order in writing of the DE NTC, provided that no order in writing shall be required for increase or decrease in the quantity of any work such increase or decrease is not the result of an order given under this clause but is the result of the quantities exceeding or being less than those stated in bill of quantities. Provided, also that if for any reason the DE NTC shall consider it desirable to give any such order verbally, the contractor shall comply with such order and any confirmation in writing of such verbal order given by the DE NTC, whether before or after the carrying out of the order, shall be deemed to be an order in writing within the meaning of this clause.

26.3 The contractor may be required to execute additional work beyond the quantities specified in the bill of quantities or extra or substitute items not included therein. For all additional work, payment shall be made on the basis of actual measurement at the minimum rates for such work in the contract. For extra or substitute items, payment shall be made on the basis of actual measurement at the rates derived from those included in the bill of quantities if in the opinion of the DE NTC (which shall be final) such rates are applicable. In case the rates for extra or substitute items cannot be so derived, then reasonable rates shall be fixed by the DE NTC for which the contractor shall submit analysis of rates well in time for approval of the DE NTC before execution of such work. If the DE NTC decides certain items of work or reduce the quantities thereof, the value of the contract shall accordingly be reduced on the basis of actual measurement.

26.4 The contractor shall submit, to the DE NTC, giving full and detailed particulars of all claims for any additional expense to which the contractor may consider himself entitled and of all extra or additional work ordered by the DE NTC, which he has executed and no claim for payment for any such work will be considered which has not been before the completion of work.

- 26.5 The Contractor shall also be entitled to be paid: -
- a. The cost of any partial execution of the works rendered useless by any such variations, and
 - b. The cost of making necessary alteration to work or plant already delivered or in the course of delivery or of any work done that has to be altered in consequence of such variation, and
 - c. Any additional costs incurred by the Contractor by the disruption of the progress of the works as detailed in the program, and
 - d. The net effect of the Contractor 's Finance Cost, including Interest caused by the variation.

27 PROPERTY IN MATERIAL AND PLANT

- 27.1 Plant, temporary works and material to be provided in pursuant to the Contract shall become the property of the NTC when Plant, works and material delivered to the site, and the Contractor shall not remove any part thereof without the written permission of DE NTC.
- 27.2 The NTC shall not at any time be liable for the loss of or injury to any of the said plant, temporary works or materials.

28 CERTIFICATION AND PAYMENT

- 28.1 The Terms of payment shall be as stated in the Preamble to conditions of Contract.
- 28.2 If at any time any payment would fall due for Works or portion of works and, if there shall be any defect in portion of such works in respect of which such payment is proposed, NTC may retain the whole or any portion of such payment and the sum retained so shall be paid to the Contractor after the said defect is removed.
- 28.3 The contractor shall submit to DE NTC or his representative, during the execution of the works, on-account bills signed by the contractor showing the quantities and values of the permanent work done on site as soon as measurements have been recorded.
- 28.4 The rates and prices in such on-account bills shall be in accordance with these in the priced bill of quantities so far rates and prices are applicable and on the approved rates and price for other items of work.
- 28.5 The quantities in such on-account bills shall be in accordance with the agreed measurement recorded by the representative of DE NTC.
- 28.6 The contractor will be paid on the certificate of the DE NTC, the estimated contract value of the permanent executed and in the addition such amount as the DE NTC may consider fair and reasonable for any temporary works for which separate amount are provided in the bill of quantities.
- 28.7 No certificate other than the Provisional Acceptance Certificate referred to in clause # 38 hereof shall be deemed to constitute approval of any work or other matter in respect of which it is issued or shall be taken as admission of the

performance of the contract or any part thereof or of the accuracy of any claim or demand made by the contractor or of additional or varied work having been ordered by the Engineer nor shall any other certificate conclude or prejudice any of the powers of the Engineer.

- 28.8 The contract shall not be considered as complete until Final Acceptance Certificate has been signed by the DE NTC and completed and maintained to his satisfaction. The Final Acceptance Certificate shall be given by the DE NTC after the expiry of the period of maintenance (or if different periods of maintenance shall become applicable to different parts of the works, the expiration of the latest such period) and full effect shall be given to this clause notwithstanding any previous entry on the works or the taking possession working or using thereof by NTC. The security deposit of the contractor shall be refunded after the Final Acceptance Certificate has been issued by the DE NTC after deducting any sums which may become due from contractor in terms of provision of clause # 33.4 & 33.5 hereof.
- 28.9 When the DE NTC has granted a certificate or certificates of completion for the whole of the works hereof and when the NTC has ascertained the estimated final sum due to the contractor, the NTC shall after allowing for the amount of all previous on-account bills and certificates and after allowing for all other payments due from the contractor to the NTC pay to the contractor such a sum out of the balance so calculated as remaining due to the contractor.
- 28.10 Unless otherwise agreed between the NTC and the contractor all payments, NTC will pay the payment for each certificate within 21 x days of issuance of such certificate.

29 MEASUREMENT

- 29.1 The quantities set out in the bill of quantities are the estimated quantities of work but they are not to be taken as the actual and correct quantities of the work to be executed by the contractor in fulfillment of his obligations under the contract.
- 29.2 The DE NTC shall accept, as otherwise stated, ascertain and determine by measurement the value of work done in accordance with the contract. He shall when he requires any part or parts of the work to be measured, give notice to the contractor or authorized agent or representative who shall forthwith attend or send a qualified agent to assist the DE NTC or his representative in making such measurement and shall furnish all particulars required by either of them. Should the contractor not attend or neglect or omit to send such agent then the measurement made by the DE NTC or approved by him shall be taken to be the correct measurement of the works.

30 PROVISIONAL SUMS

All the sums set out in the bill of quantities which shall be stated to be provisional or for contingencies shall be used only at the direction and discretion of the PM/Engineer and if not used either wholly or in part shall as to the amount not used be deducted from the contract price.

31 REMEDIES AND POWERS

- 31.1 If the contractor shall become bankrupt or have a receiving order made against him or shall present his petition in bankruptcy or shall make an arrangement with or assignment in favor of his creditors or shall agree to carry out the contract under a committee of inspection of his creditors or (being a corporation) shall go into liquidation (other than a voluntary liquidation for the purposes of amalgamation or reconstruction) or if the contractor shall assign the contract without the consent in writing of the NTC first obtain or shall have an execution levied on his goods or if the DE NTC shall certify in writing that in his opinion the contractor:
