	The report should also include a summary of each location for each group of assets and assumptions and/or formula used in valuation. Furthermore, PSO may ask the valuation firm for additional information / data to be included in reports. In addition, the valuator is required to review the existing insurance policies of the Company for these assets and suggest for improved/better coverage, if any. The field visit to be started within 10 days from the issuance of Service Order (SO). Field visit plan shall be mutually decided with PSO. The valuation firm is required to depute appropriate staff for each group of assets according to their qualification and their detailed CV must be shared with PSO prior to start of work. The time period for completing the whole valuation exercise is 12 weeks from the date of issuance of SO. Presentation: If required by the Company, the valuations firms team needs to present a thorough presentation to the Management of PSO on the exercise and its result conducted. Penalty: In case of delay, 0.5% penalty per day shall be imposed by PSO, up to a maximum total 10% of the PO value. Payment: 50% payment upon completion of field visits and 50% after the satisfactory submission of reports both in hard and soft copies as required by PSO.
