

PESCO INVITATION FOR BIDS

Bid No. PESCO/PD(GSC)/NIT-03/2026-27

Crossing of 11 kV Independent feeder over Swat River near Ayub Bridge for Supplying Power to PAF Base Kanju, Swat.

EPADS Ref.	P142404	Estimated Cost	PKR 14,649,841 (excluding KPRA Tax)
Procedure	NCB; Single Stage–Single Envelope; (LCBS)	Completion Period	120 days from Commencement Date
Bid Security	3% — PKR 439,495	Domestic Preference	Not applicable

1. This Invitation for Bids follows Procurement Advertisement No. PESCO/PD(GSC)/NIT-03/2026-27, published on EPADS V-2.0 under Procurement Reference No. **P142404**.
2. Peshawar Electric Supply Company (PESCO) has reserved funds under PEDO deposit for this procurement during FY 2026-27, and part of the proceeds will be used for eligible payments under the Contract.
3. PESCO, through the Project Director (GSC), invites electronic bids from eligible and qualified bidders registered on EPADS V-2.0 for Installation of Towers for Crossing River Swat of 11 kV Independent Feeder Kanju Air Base Swat under PAF Deposit Work, comprising associated civil and electrical works.
4. A bidder may participate as a Single Entity or as a Joint Venture comprising a maximum of two members, including one Lead Member. All JV members shall be jointly and severally liable for performance of the Contract. Detailed eligibility and qualification requirements are provided in the Bidding Document.
5. Bidding shall be conducted through National Competitive Bidding under the **Single Stage–Single Envelope procedure** using Least Cost Based Selection (LCBS), in accordance with the Public Procurement Rules; e-Pak Procurement Regulations, and instructions issued from time to time. The Technical Proposal and Financial Proposal shall be submitted electronically through EPADS V-2.0.
6. The principal requirements include valid PEC registration in **Category C-6 or above** with specialization codes CE-02, and EE-05; valid FBR/NTN and Active Taxpayer status, KPRA registration where applicable, and EPADS registration; Average Annual Construction Turnover of at least 70% of the estimated Contract cost; available financial resources/cash flow of at least 30% of the estimated Contract cost; and satisfactory completion of at least two similar contracts during the last five years, each valued at not less than 50% of the estimated Contract cost. The bidder shall also demonstrate experience in bored RCC pile foundations and the prescribed key activities for 132 kV or higher overhead transmission-line works, as detailed in the Qualification Criteria.
7. Each bid shall be accompanied by Bid Security equal to 3% of the estimated Contract cost, amounting to **PKR 439,495 (Pak Rupees Four Hundred Thirty-Nine Thousand, Four Hundred Ninety-Five only)**, in the form of a Call Deposit Receipt (CDR) issued in favor of the Project Director (GSC), PESCO. A scanned copy of the CDR shall be uploaded with the Bid, and the original CDR shall reach/be submit to the office of the Project Director (GSC), PESCO, before the electronic bid-submission deadline. Failure to provide the original Bid Security (CDR) shall render the bid non-responsive. Bid Securing Declaration (BSD) is not acceptable.
8. Electronic Bidding Documents containing the terms, conditions, specifications, BOQ and qualification requirements are available at <https://vendors.epads.gov.pk>. Interested bidders must be registered on EPADS V-2.0.
9. Electronic bid shall be uploaded through EPADS V-2.0 under the **Single Stage–Single Envelope** procedure by **26th October 2026 at 10:00 hours**. Manual bids shall not be entertained.

This tender is also available on PPRA website www.ppra.org.pk and PESCO website www.pesco.com.pk
