SPECIFICATIONS OF WHOLE DAY MRE PACK

1. Scope.

This specification covers the quality and quantity of the components and packing requirements of whole day per person MRE Pack Ration.

2. Quality.

a. The pack shall consist of items described in Annex A to this Specification.

b. All ingredients used in the manufacture of the item of the rations shall be fresh, clean, sound, wholesome, free from infestation, extraneous matter and any kind of deterioration. These shall be in satisfactory condition in all respects.

c. The items included in the pack shall be well baked/cooked where applicable and be attractive in appearance, pleasant in taste, wholesome, palatable and free from unpleasant odor, infestation and deleterious substances.

d. The total caloric value of one complete ration shall not be less than 3400.

3. Packing.

The aim shall be to provide a light, compact and sturdy packing, which allows minimum of oxygen to the contents and complete barrier to water vapors.

a. Individual Items. Sugar shall be packed in sealed polyethylene bags. Skimmed Milk Powder and Tea Leaves shall be packed in heat scalable moisture proof cellophane paper. Other packing materials can be used provided they offer equal protection to Tea Leaves and Skimmed Milk Powder and do not impart any foreign odour to the product. Chicken Biryani and, Beef Biryani shall be packed in aluminum foil laminate. The laminate shall be a combination of polyethylene and aluminum foil.

b. Complete Ration Pack. All the items constituting the ration shall be packed in a bag of polyethylene possesses light weight and of good quality. The instructions for reconstitution of the items where applicable shall be printed on each packet.

c. All items included in the pack shall be free from pathogenic/ food spoiling micro-organisms.

4. Marking.

The following particulars shall be marked on at least one side of each pack.

a. Item Name and Brand Name (if any)
b. Batch or Code Number
c. Date of Manufacturing
d. Date of Expiry (at least 02 years)
e. Net Weight
f. Name and Address of the manufacturer/ supplier
g. Accurate Nutrients (i.e Calories, Proteins, carbohydrates and Fats)
h. Specially packed for VSD

5. Warranty.

The warranty shall be in accordance with the standard warranty clause. The minimum warranty period shall not be less than six months but the rations should remain fit for consumption for not less than **two years** under normal storage conditions.

6. Hygiene.

The item shall be prepared, packed and stored in good hygienic premises in accordance with Pakistan Standards – Good Manufacturing Practices (PS:1825) and Codex Alimentarius Commission's recommended international code of practices and general principles of food hygiene (CAC/RCP1-1969, rev.4-2003), which shall be opened to inspection at any time, by a competent authority approved by Pakistan Navy.

7. Inspection.

Inspection of supplies tendered shall be carried out by an officer acting on behalf of CO VSD. The decision of the officer shall be final. Deliveries shall be equal in all respects to the sample approved by the competent authority. In case any disparity is found between the original sample and the delivered stock, the purchaser shall have the right to demand replacement of the stock from the supplier and supplier shall be bound to do so within 05 x days.
